 Mississippi Foundations of Reading _____

Praxis exams – www.ets.org

MS Foundations of Reading – www.ms.nesinc.com

All Praxis exams must be passed before applying for the three-year license or beginning the internship. MAT students must maintain a 3.0 overall GPA on the MAT program (B average). To determine the Praxis 2 test number you need, be sure to check the Mississippi Department of Education website (www.mdek12.org)

A comprehensive exam must be passed during the semester in which the candidate plans to graduate.

**A Taskstream subscription is required for some courses. The requirement will be included on the course syllabus.

To apply for the three-year license: Wait until grades for the semester have posted to your transcript (check MyDSU). Send an email to apowers@deltastate.edu and CC reacord@deltastate.edu requesting verification for your three-year MAT license. Be sure to include first name, last name, 900#, major (elementary or secondary), and subject area.

To apply for the three-year license: Follow the steps above and be sure to ask for verification of your 5-year MAT license.

After graduation: Follow the steps above and request verification of your AA MAT license.
