

TaskStream

The Delta State University College of Education assessment system utilizes TaskStream to collect data on individual candidates and to summarize and analyze data for ongoing program improvement. Each candidate is expected to purchase and use TaskStream for several courses and for the Dispositions Portfolio (see the list below). Effective Fall, 2010, candidates will receive a grade of incomplete if deadlines to upload assignments into TaskStream are not adhered to, even if a paper copy of the assignment has been submitted.

Courses/Assessments that Require TaskStream
