In order to begin the professional component of the Athletic Training Major, a student must formally be admitted to the Athletic Training Education Program in the Division of Health, Physical Education and Recreation. Formal application to the Athletic Training Education Program is made during the spring semester of the freshmen year. Students can elect to apply in any semester following their freshman year. However, regardless of when admitted, it will take a minimum of six semesters to progress through the Athletic Training Education Program. The following are the criteria for admission into the professional component of the Athletic Training Education Program. The asterisked items (*) must be included in the application package and the entire package must be submitted by the deadline noted below. Please note that students meeting the stated requirements are not guaranteed positions in the Athletic Training Education Program.

**REQUIREMENTS FOR ADMISSION**

*Completion of formal letter of application, resume and completed questionnaire. Applications should indicate your reasons for applying to the ATEP and any unique qualifications that might merit consideration in the admissions process.

*Completion of “Application to Athletic Training Education Program” form.

*Two letters of recommendation must be received from persons able to give an accurate assessment of your personal and/or professional attributes. Each letter should be sealed in an envelope by the recommending persons, forwarded to the applicant, and included in the application package.

*Unofficial copy of all college transcripts.

Successful completion of the BIOL 100/110 (General Biology w/Lab).

Minimum GPA of a 2.5 on a 4.0 scale at the time of Admission Committee Interview.

*Completion of a minimum 100 hours of directly supervised observation experience with a Certified, Licensed Athletic Trainer. (Hours of observation must be properly documented and accompany a letter of endorsement from the supervising Certified, Licensed Athletic Trainer)

Completion of interview with the ATEP Admission Committee, consisting of the Program Director, Athletic Training Staff Members and available Clinical Instructors and/or Approved Clinical Instructors.

*Copies of Immunizations, Hepatitis B Vaccine or Waiver Form, Physical Examination

Professional Rescuer and AED training and OSHA Training (provided by DSU ATEP Staff)

*Signature on Confidentially Statement and Technical Standards for Admission form.

Acceptance is based upon a student’s total academic record, demonstrated motivation, and aptitude for athletic training, and experiential factors.

**ANNUAL DEADLINES**

- APRIL 1st – Application package to ATEP Director, including asterisked items above.
- APRIL 12th – Admission committee interviews begin.
- MAY 15th – Applicants notified of admission decision by mail.

All admissions requirement questions and materials should be sent to:
Dr. Mary L. Jones, ATEP Director, Delta State University, Athletic Training Education Program
DSU Box B-2, Cleveland, MS 38733

Screening Questionnaire for Entry into the Athletic Training Education Program

Please provide a complete response to each of the questions below and return this questionnaire to Dr. Mary L. Jones, Athletic Training Education Program Director, with your completed application packet. You may type questions and answers or print answers using black ink.

1. Delta State University is dedicated to the total growth and development of its students and provides a wide range of programs and services to promote social, intellectual, physical, spiritual and emotional development. Based on your experiences, describe programs, activities and services that you would implement to promote such development.

2. Describe your personal philosophy of athletic training. How would you integrate the mission and purpose of Delta State University into this philosophy?

3. List and describe your professional and personal strengths and weaknesses.

   Strengths
   
   •
   •
   •
Weaknesses

4. Describe your experience and philosophy related to the following areas:
   • Athletic Training Student Interaction and Cooperation
   • Involvement in State/District/National Organizations
   • Relationships with Athletic Training Staff (including Graduate Assistants)
   • Relationships with Student-Athletes
   • Relationships with Coaches
   • Relationship with Athletic Director

5. List your professional and personal goals for the next five years.
6. What are some effective methods of communication you would employ when working with the following populations?

- Parents
- Athletic Training Students
- Student-Athletes
- Athletic Training Faculty and Staff Members
- Coaches

7. Why do you want to be a part of the Athletic Training Education Program?

Please feel free to provide additional comments and information that you feel will aid in our consideration of your application.
