Additional Notes

Candidates with a major in Elementary Education must complete all course requirements for the Interdisciplinary Program of Studies and must also have two areas of concentration consisting of 18 semester hours in each area. This program of study will enable the Delta State University graduate to earn K-6 certification in the State of Mississippi. Candidates pursuing secondary level (7-12) certification must complete two 21-hour concentrations leading to approved endorsements. A grade of C or higher must be earned in each course leading to endorsement. In order to complete the above requirements, it may be necessary to complete more hours than noted in the DSU catalog. The number of additional hours will vary depending on the concentration chosen.

PROGRAM PLANNING INFORMATION

1. Check the DSU catalog for prerequisites for all courses prior to registering.
2. It is recommended that courses be taken in the prescribed sequence as given in the program of study.
