**WHY YOU SHOULD PARTICIPATE**

COACHES: Because a passing camp is a great tool to gauge your team's strengths and weaknesses on the perimeter. If your players have been to different camps, now it's a great opportunity to get them all together and work as a team before the season starts.

Players: This can go a long way to show your coaches and teammates the continued development of your football skills. It's a chance to have fun playing 7-on-7 in a competitive environment against teams from around the region.
