#### Minimum Requirements for this Endorsement:

##### 1. Education

Applicant must be a Registered Nurse who is a graduate of an accredited School of Nursing with a two-year (associate) degree or higher. Consideration being given to requiring 4-year college degree in the future.

##### 1. Technology Literacy and Related Assessment of that Competency

Applicant must validate technology competency by attaining the established minimum score or higher on an assessment approved by the Mississippi Department of Education (MDE). The assessment must be directly related to technology competency required by the grade level and subject matter being taught. Approved assessments for this license are IC3, Propulse, or other specific assessment created by third-party vendors, authorized by the Local Education Agency (LEA) and approved by the MDE.

##### 1. Occupational Experience and Related Assessment of that Experience

- Applicants with an associate degree must have at least two years of verifiable occupational experience in the past ten years. Experience must be appropriate to the subject to be taught
- Applicants with a bachelor or higher degree must have at least one year of verifiable occupational experience in the past ten years. Experience must be appropriate to the subject to be taught.
- Applicant must possess and maintain an unrestricted Mississippi Registered Nurse License.
- Applicant must possess and maintain CPR Certification through American Heart Association (this certification is prerequisite to Health-care Provider Basic Life Saver, Instruction Level certification).
- Applicant must possess and maintain a Health-care Provider Basic Life Saver, Instructor Level Certification through American Heart Association.

##### 1. Teacher Education Preparation and Related Assessment(s) of that Education

- Applicant must enroll immediately in Vocational Instructor Preparation (VIP) program or the College and Career Readiness Educator Program (CCREP).
- Applicant must complete the individualized professional development plan (PDP) requirements of the VIP or CCREP program prior to the expiration date of the three-year vocational license.
- Applicant must successfully complete a Certification for online learning workshop, module, or course that is approved by the Mississippi Department of Education
- Applicant must successfully complete the Health Science and Healthcare and Clinical Service Certification workshop, module, or course that is approved by the Mississippi Department of Education.

note #1: If the applicant meets all requirements listed above, that applicant will be issued a 961 endorsement-a five-year license. If the applicant does not meet all requirements, the applicant may be issued a three-year endorsement (license), and all requirements stated above must be satisfied prior to the ending date of that license.

## AEST Instructor (1) (90)

### JOB POSTING

---

#### Job Details

*Title* **AEST Instructor (1)**  
*Posting ID* **90**  
*Description* **301 Vocational Agriculture-Related Program**

This endorsement licenses a person to teach the following secondary courses:

010003 Agriculture and Natural Resources I  
010004 Agriculture and Natural Resources II  
029991 Agriscience I  
029992 Agriscience II  
029990 Agriscience, Introduction

#### **Minimum Requirements for this Endorsement:**

- **Education**

Hold a four-year college degree or higher from an accredited institution of higher education in a field related to the subject being taught. The following degree majors are recognized for this purpose:

Agricultural Economics  
Animal and Dairy Science  
Plant and Soil Science  
Poultry Science  
Veterinary Science

Other degrees must be approved by MDE Coordinator of Agriculture Programs

- **Technology Literacy and Related Assessment of that Competency**

Applicant must validate technology competency during the first year of 3-year validation period of license by attaining the established minimum score or higher on an assessment approved by the Mississippi Department of Education (MDE). The assessment must be directly related to technology competency required by the grade level and subject matter being taught. Approved assessments for this license are IC3, iCAT, or other specific assessment created by third-party vendors, authorized by the Local Education Agency (LEA) and approved by the MDE.

- **Occupational Experience and Related Assessment of that Experience**

-Verification of at least one year of full-time occupational experience in the past ten years. This experience must be appropriate to the subject area to be taught.

-All successful applicants must hold bachelor or higher degree **in the subject area to be taught**. This degree in subject area exempts applicant from any additional occupational competency testing.

- **Teacher Education Preparation and Related Assessment(s) of that Education**

-Applicant must enroll immediately in Vocational Instructor Preparation (VIP) program.

-Applicant must complete the individualized professional development plan (PDP) requirements of the VIP program prior to the expiration date of the three-year vocational license.
