Delta State University provides a comprehensive undergraduate curriculum, offering 12 baccalaureate degrees in 42 majors. The University seeks to meet the need for advanced training in certain fields by providing programs of study for eight master’s degrees, the educational specialist degree and the doctorate of education degree.

With an enrollment of over 4,000 students, Delta State is committed to providing an environment that fosters discovery and creativity.

The Division of Management and Marketing takes pride in providing our students with the tools, skills, and experience to obtain a job with a secure future. Our mission is to prepare students for the marketplace by providing challenging educational opportunities.
MANAGEMENT

The act, manner, or practice of managing; handling, supervision, or control. The person or persons who control or direct a business or other enterprise. Skill in managing; executive ability.

Many exciting careers await a Management major:

One can consider the following positions in Production Management:
- Quality Assurance
- Supervision
