Posted On Tue, Sep 28 2010 15:24:00
Authors: Mario Willis, Lynn W. Varner

Research and innovation in teaching and learning are prime topics for the Journal of Instructional Technology and Distance Learning. The Journal was initiated in January 2004 to facilitate communication and collaboration among researchers, innovators, designers, producers, practitioners, and administrators of education and training. The Journal is monthly, refereed, and global. *IJITDL* is committed to publish significant writings of high academic stature for worldwide distribution to stakeholders in distance learning and technology.
