MASTER OF PROFESSIONAL ACCOUNTANCY

What is the purpose of a MPAC and who should apply?

The Master of Professional Accountancy program provides an in-depth study within the field of accounting. The program offers advanced study for individuals engaged in, or seeking careers in, public accounting, industry, and government.

What is required for Admission?

There are two levels of admission to graduate studies:

- 1) admission to the University
- 2) admission to the MPA program

1. Admission to the University is a prerequisite for admission to the MPAC program. To be eligible for admission to the University, the following requirements must be met:
 - An applicant must hold a baccalaureate degree from an accredited institution.
 - An applicant must have an undergraduate background appropriate for the graduate study proposed.
 - An applicant must be eligible to re-enter with good standing, the last college or university attended.
 - An applicant born after January 1, 1957 must present proof of immunization for measles and rubella. Medical exceptions to this policy are described in the General Catalog, a copy of which is available upon request.

2. Admission to the Master of Professional Accountancy degree program requires the following prerequisites:
 - Has earned a baccalaureate degree in accounting which is fully accredited by one of the recognized accrediting agencies, and meets all other requirements for admission to Graduate School.
 - Has a GPA of 2.75 in all accounting courses, with no grade less than a "C" in the following courses: Intermediate Accounting (6 hours), Tax Accounting, Cost Accounting, Auditing, Advanced Accounting, and Fund Accounting.
 - Has a GPA of 3.0 on all upper-division courses, exclusive of accounting courses.
 - Has demonstrated writing proficiency as evidenced by scores of at least 3.5 on the GMAT Analytical Writing component or 3.0 on the Collegiate Assessment of Academic Proficiency (CAAP) Writing Essay Test.
 - Has a GPA of 3.0 on all business core courses, with no grade less than a "C" for 15 hours for the following: Accounting Systems, Finance, Management Principles, Strategic Management, and Marketing Principles, 3 hours each.
 - Has on file a Graduate Management Admission Test (GMAT) score of at least 380.
