

Honors Program Essay Questions

Name of Applicant: _____

1. ESSAY #1 (350-500 words):

Please write an essay that discusses your extracurricular, leadership, or community engagement experiences, exploring how these experiences have influenced your educational goals.

2. ESSAY #2 (500-700 words):

Imagine that by chance you read some harmful comments and saw some embarrassing photos about a fellow college student that was posted anonymously on a social media website. As a result of the embarrassment and humiliation, this student intends to drop out for the rest of the academic year. Given the comments and the photos, you know the number of students who could have posted this information might be very small. If you were an Honors fellow, how would you deal with this situation? If you were a student leader in the Honors Program Association, please describe a campaign that you would organize with other students in the Honors Program to bring awareness to the issue of student cyberbullying on campus.
