A photograph of Reggae Beach in Portland, Jamaica. The scene is framed by dark, leafy branches at the top. The foreground is a wide, sandy beach. In the middle ground, two men are playing basketball on the sand; one is shirtless and holding a ball, while the other wears a white t-shirt. Further back, a group of people is gathered near the water's edge. The water is a clear, light blue-green color, and the background features a rocky coastline with dense green vegetation under an overcast sky.
