

Graduate Assessments

The Delta State University College of Education has developed a series of assessments to determine the effectiveness of each graduate program’s ability to positively impact candidate performance in the P-12 student learning environment. The Master of Education assessments include the following:

1. Comprehensive Exam
2. Teacher Work Sample (TWS)
3. Teacher Intern Assessment Instrument (TIAI)
4. Research Proposal
5. Professional Growth Assignment
6. Policies assignment
7. Philosophy of Education
8. Dispositions Portfolio

These assessments occur during specific courses and at the end of the program:

TWS & TIAI.....	CEL 630- Practicum in Elementary Education
Research Proposal.....	ELR 605- Educational Research
Professional Growth Assignment.....	CEL 621- Education in Intermediate Grades
Policies Assignment.....	CUR 608- Historical Foundation of Education
Philosophy of Education.....	CUR 608- Historical Foundation of Education
Dispositions Portfolio.....	End of program
Comprehensive Exam.....	End of program

Many of the assessments require a **TaskStream** account.
