DELTA STATE UNIVERSITY

Cleveland, Mississippi

Delta State University is a public institution providing a comprehensive undergraduate curriculum to over 4,000 students representing 34 states and 20 countries. Delta State University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award bachelor, master, educational specialist, and doctorate degrees. It offers 12 baccalaureate degrees in 38 majors and seeks to meet the need for advanced training in certain fields by providing programs of study for nine master's degrees, the Educational Specialist degree and the Doctor of Education degree.

Acknowledging its beginnings as a teacher's college, the University sustains excellence in teacher education while continuing to expand offerings in traditional as well as unique programs of study. From the core disciplines such as arts, humanities, and sciences, to unique programs such as Commercial Aviation, the Delta Music Institute, and the nationally-recognized Geospatial Interdisciplinary Technology program, the University is committed to meeting the evolving needs of the students it serves.
