Graduate Assessments

The Delta State University College of Education has developed a series of assessments to determine the effectiveness of each graduate program’s ability to positively impact candidate performance in the P-12 student learning environment. The Master of Education assessments include the following:

1. Comprehensive Exam
2. Teacher Work Sample (TWS)
3. Teacher Intern Assessment Instrument (TIAI)
4. Research Proposal
5. Professional Growth Assignment
6. Policies assignment
7. Philosophy of Education
8. Dispositions Portfolio

These assessments occur during specific courses and at the end of the program:

- TWS & TIAI
- Research Proposal
- Professional Growth Assignment
- Policies Assignment
- Philosophy of Education
- Dispositions Portfolio
- Comprehensive Exam

Many of the assessments require a TaskStream account.
