Practice Sheet A: Find the area of a rectangle by multiplying the lengths of two sides

Name: 

Date: 

1. Write a repeated addition sentence to show the area of the rectangle. Then, write the related multiplication sentence.

```
Repeated Addition: __________________________
```

```
Multiplication: __________________________
```

2. Label the lengths. How many rows? How many in each row (columns)? Use multiplication to find the area.

```
______ rows of ______
```

```
______ rows of ______
```
