

# Health, Physical Education, & Recreation Division

## HPER Degree Options

The Department of Health, Physical Education, and Recreation offers the Bachelor of Science in Education degree in Health, Physical Education, and Recreation; the Bachelor of Science degree in Athletic Training; and the Bachelor of Science degree in Health, Physical Education, and Recreation that includes concentrations in Physical Education, Recreation, Sports Information, Sports Management, and Exercise Science. The advanced degree offered by the department is the Master of Education in Health, Physical Education, and Recreation.

Teaching Physical Education

## MAJORS Club

The Division of Health, Physical Education and Recreation has a two-fold responsibility. The first is to develop a campus-wide program of health, safety, physical education, and recreation experiences to help all students achieve and maintain a high level of mental, physical, and social competence. The second is to train teachers, coaches, fitness leaders, athletic trainers, and recreation leaders capable of advancing high standards in their profession. Student-led associations help fund raise and develop campus awareness, attend professional conferences and socialize on fun trips and barbeques.

## Recreation Leadership
