Data on this report is for the Fall 2009 term and is based on the classification of the student at the time of enrollment. A student may transfer in at any time to be identified as a transfer student, but classification is based on hours completed.

Mississippi Comm/Jr Colleges are students who attended a Community or Junior College in the state of Mississippi and transferred to Delta State at any given point, but are now classified as Juniors. Other transfers are all other students that transferred to Delta State at any given point (includes four-year Universities and out-of-state Jr Colleges) but are now classified as Juniors. Native Students are those students who have not transferred and began their tenure at Delta State.

Data on this report is for the Fall 2009 term and is based on the classification of the student at the time of enrollment. A student may transfer in at any time to be identified as a transfer student, but classification is based on hours completed.

Mississippi Comm/Jr Colleges are students who attended a Community or Junior College in the state of Mississippi and transferred to Delta State at any given point, but are now classified as 5th Year Seniors. Other transfers are all other students that transferred to Delta State at any given point (includes four-year Universities and out-of-state Jr Colleges) but are now classified as 5th Year Seniors. Native Students are those students who have not transferred and began their tenure at Delta State.
