

Book Voucher– Okra Green Anywhere

Students receiving financial aid, scholarships, etc. in excess of the semester charges may charge a book voucher on their ID Card. Book vouchers are based on a student's estimated credit balance per semester. Book vouchers may be issued up to the cost of required books and supplies. The voucher may be used to purchase books and supplies only and cannot be exchanged for cash. Note: The campus bookstore will not allow the purchase of books and supplies not required for registered courses. It is recommended that students obtain an estimated cost for books and supplies before requesting a book voucher.

No cash refunds will be issued for merchandise exchanged or unused balances. The book voucher can only be used each semester, up to the specified expiration date for the term. Unused book voucher amounts, \$1.00 and above, will be credited to the student's account at the end of the spring semester.

*Book vouchers will be issued beginning seven (7) days before the start of classes through the middle of the semester. **Validated** students, with a projected credit balance, can request book vouchers, Okra Green Anywhere dollars, and off campus meal plans via E-mail. Email requests must be generated from your DSU student Email Account and are sent to sbs@deltastate.edu. Include in your email:*

Your name

Student identification number

Transaction requested (I.E. book voucher, Okra Green Anywhere, off-campus meal plan and the dollar amount for each)

After verification, the requested amount will be placed on your DSU ID Card and a completion notification will be emailed back to you.
