“Employee of the Month” for November is Carla Lewis

Carla started working at DSU in 1991 as the faculty secretary for the School of Nursing and transferred to the dean’s secretary in 1992. Before coming to DSU, she worked for a family physician in Raileville for several years.

Carla lives in Drew and has been married to Chris Lewis for 35 years. She enjoys getting up early to walk 2 miles with Chris before coming to work each day. They are both extremely fond of squirrels and consider their back yard a squirrel haven.

Carla was honored to be named Delta State’s Employee of the Month for November and really enjoys working with so many wonderful people at the School of Nursing and across our campus. Congratulations, Carla!

Thanksgiving Feed-A-Family was successful this year due to your generosity. 90 bags were distributed to local less-fortunate families. Thanks to everyone who donated!
