We became the first university in Mississippi to adopt a tobacco free environment on September 7th. Support groups are available on campus and at Bolivar Medical Center should anyone like assistance in quitting. Medications to help with smoking cessation are available at no charge for those participating in the program. For more information contact Student Health Services at 4630 or 4690 or Bolivar Medical Center 846-2468.

"Employee of the Month" for August is Becky Steele
Becky was born and raised in Shelby, Mississippi where she lived until 1996 when she and her husband, Dwanye moved to Boyle. She attended and graduated high school from Bayou Academy. Becky has two grown children: Crystal and Billy. She also has one grandson, Carson who she is very proud of and enjoys every minute she spends with him. She worked at Merchants & Farmers Bank for ten years as a teller before coming to Delta State in January 2004 in the Telecommunications Department. Within about six months she transferred to the Financial Aid office, an senior secretary. Becky’s title was later changed to Records Manager/Receptionist. In her spare time she enjoys walking and spending time with her grandson, Carson. Congratulations, Becky!
