Agreement	This three-semester schedule is recommended as being the most conducive to your academic success at DSU. Altering the agreed upon schedule without the prior knowledge and consent of your advisor is highly discouraged. You may not register or drop required courses without permission from your advisor.									
	You are encouraged to participate in early and active exploration of your major and take advantage of opportunities that will help you choose a major. This includes attending career fairs, speaking with department faculty, and meeting with your advisor. By the end of three semesters, you should declare a major.
