**The Academic Support Lab will be open for general student use the following days and times:**

<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
8:00am-8:00pm	8:00am-8:00pm	8:00am-8:00pm	8:00am-8:00pm	8:00am-5:00pm

The lab is equipped with 30 Dell computers and one printer. Headphones are available upon request for use with instructional CDs/DVDs. All computers are equipped with the latest version of Hawkes mathematics software and MS Office 2010. You will need your OkraKard to print in this lab.

**Note:** Please bring your textbooks, notes with examples, handouts, etc. with you when you come for tutoring. It is helpful when our tutors are able to see how your instructor approached the material. Tutors are available on a first come, first serve basis during scheduled times, so please do not wait until the day before a major assignment is due or a test is scheduled to come for help. It is not the policy of the Office of Academic Support Services and Developmental Studies to reteach skills and objectives, but to facilitate the learning processes begun in the classroom.
