Interesting Insights

The Summer Developmental Program (SDP) is an eight-week academic program designed for students who desire an alternate route to admission to a four-year university. At DSU, the SDP extends from Monday, June 5, 2017, through Thursday, July 27, 2017. To allow students time to check into their residence halls, the first day will begin at 9:00 a.m. Monday, June 5, 2017. DSU operates on a four-day week (Monday – Thursday) throughout the summer. The normal class day begins promptly at 8:00 a.m. and extends until 3:35 p.m.

If you choose to live in a residence hall during the summer program, you will need to contact DSU's Department of Housing and Residence Life. A \$50 deposit is required prior to room assignment for the upcoming summer. Our housing staff team, located in Student Union, Suite 202A, will be glad to help you with your request.
