- Lunch
- Hands on instruction
- CEU credit (if desired)
- Coffee break
- Access to scanners

Join members of the Mississippi Delta Preservation Collaborative in this interactive workshop to learn how to preserve, organize, and share your photos. Whether you are converting print images to digital or backing up your digital images for protection, you'll walk away from this workshop with a better understanding of how to convert your images, how to protect them from damage, whether natural or man-made, how to organize them, and how to share them with family and friends.

The workshop starts at 8:30am and will conclude at 3:00pm. The morning sessions will cover what a disaster is and how to prepare for it, steps for scanning your photographs, and photo sharing and digital management systems. We will provide boxed lunches. The afternoon session consists of hands on training with the scanners and photo sharing media. Bring your print images from home to scan and save on the jump drive provided.

**Prices:**

\$35.00 for workshop only (includes lunch and coffee break)

\$45.00 for workshop + .5 CEU credits (includes lunch and coffee break)

**Workshop Registration Form: Participant Information**
