| Department | |
| Resource funding for both faculty and staff (\$100-\$500). Proposals must demonstrate professional development activities, materials, and equipment that will have an impact on your work and contribute to the well-being of the university and the students. In the space provided, give a description of the request and any anticipated benefits to your department and/or college/school. If travel, include the dates, name and location of the meeting for which funds are requested. (Use the space provided.) | |
