

Justin C. Schluter

Delta State University –Geospatial Technician

Dear Hiring Manager,

Currently an 18 year old student currently enrolled in the Geospatial Information Technologies program at Delta State University, I am seeking an opportunity for me to further my education and begin my career. This resume contains a sum of my achievements which all have prepared me for such a job opportunity. If you are looking for a candidate who is dedicated to furthering themselves and the people around them, then I request that you please consider me.

In reviewing my resume, you will note that I have a experience in many different types of settings. Handling pressure and time management are skills I have honed in the various different settings where I have worked. Beyond this, my other skills round me out as a reliable, responsible worker. I can be trusted to pick up and learn new skills pertaining to my work efficiently. My time as senior class president and Senior Patrol Leader in my Boy Scouts of America troop also strengthened my leadership skills. I personally feel that I have the capability to be a key player in your work team.

Thank you very much for your time and consideration. I can be reached at 508-566-2008 or through email at JcSchluter7@gmail.com. I look forward to discussing this opportunity with you further.

Sincerely,

Justin Schluter
