Guide to Renewing Books and Materials Online

Library books may be renewed twice provided someone has not placed a hold on that item. Waiting until the day before it is due to renew it will allow you to have the item longer. If you have problems renewing your material, please contact the appropriate library: Roberts-LaForge Library (846-4430), Instructional Resources Center (846-4345), or Greenville Higher Education Center (332-8931).

1. Go to the library catalog, http://merlin.deltastate.edu and login using your Banner ID (900XXXXXX) and your library PIN at the following login screen illustrated in Figure 1A. Your library PIN must be obtained at the Circulation Desk. After typing in your user ID and PIN, click on “Login to the e-Library OPAC” or the “Login” link.

Figure 1: Login screen

2. Click on “My Account” located on the gray information bar on the catalog screen (see Figure 2 below).

Figure 2: Information Bar

At the “My Account” screen one can renew their materials, change their library PIN, or just see what they have checked out and when it is due.

Figure 3: My Account screen

3. Click on renew my materials (Figure 3)

A list of all the items you currently have checked out should be listed (see Figure 4 below) with the due date on the right-hand side. Notice that “Select Items to Renew”, is selected by default. This allows one to renew only the items that are due shortly.

Figure 4: Items checked out
4. Choose which item(s) you want to renew or select “Renew all” to renew all your items currently checked out. Then click on the “Renew Selected Items” link even if you are selecting all the items.

The item(s) that could be renewed will be listed with the new due date; the items that could not be renewed would also be listed with the reason for non-renewal (e.g. item on hold or renewal limit reached). Please return any items with holds. Items that have exceeded the renewal limit should be physically returned to the library and checked in before it can be checked out again.

5. When you have finished renewing your items, click on “Logout” (see Figure 7 below).
