Selected Databases

We do not have a database that focuses primarily on family and consumer sciences. However, depending on the topic, try one of the following.

General

- 📖 **Academic Search Premier** [EBSCOhost] ^{Off-Campus Full-Text} – covers all academic disciplines.
- 📖 **MasterFile Premier** [EBSCOhost] ^{Off-Campus Full-Text} – covers all disciplines, with more general-interest magazines than journals.

Child Development

- 📖 **ERIC Educational Resource Information Center** (1966-present) [EBSCOhost] ^{Off-Campus Full-Text} – database for education composed of CIJE (Current Index to Journals in Education) & RIE (Resources in Education).

Food & Nutrition

- 📖 **AGRICOLA** [EBSCOhost] ^{Off-Campus Full-Text} Compiled by the U.S. National Agricultural Library (NAL), this comprehensive source of bibliographic information consists of over 4.3 million citations to journal articles, monographs, theses, patents, software, audio-visual materials, and technical reports. The records describe publications and resources encompassing all aspects of agriculture and allied disciplines including food and nutrition.
- 📖 **CINAHL with Full Text** [EBSCOhost] ^{Off-Campus Full-Text} – includes 62 journals on nutrition and nutrition education
- 📖 **Health Source: Nursing/Academic Text** [EBSCOhost] ^{Off-Campus Full-Text} – includes 45 journals on nutrition.
- 📖 **MEDLINE** (1966-present) [EBSCOhost] ^{Off-Campus} – covers all aspects of medicine, as well as microbiology, nutrition, pharmacology, and environmental health.

Selected Web Sites

General

- ⌚ **American Association of Family and Consumer Sciences** [<http://www.aafcs.org/>] – contains a host of resources pertinent to Family and Consumer Sciences such as a job bank, public policy issues, certification information, awards and grants, meetings and events, and a listing of colleges and universities.
- ⌚ **Internet Resources for Family & Consumer Science** – list of selected resources for Family & Consumer Sciences programs. Compiled by the University of Idaho Library
<http://db.lib.uidaho.edu/links/index.php3?cname=Family%20and%20Consumer%20Science/Food%20Science>

Child Development

- ⌚ **National Institute of Child Health & Human Development** [<http://www.nichd.nih.gov/>] - information about NICHD divisions and laboratories, research, clinical trials, and publications. Offers access to news releases, statistics, employment, and fellowship opportunities.
- ⌚ **National Network for Childcare** [<http://www.nncc.org>] links to hundreds of articles and resources for early childhood education. Created by NNCC, part of the U.S. Department of Agriculture and various participating land grant universities.

Clothing, Textiles & Fashion Merchandising

- ⌚ **Fashion Net** [<http://www.fashion.net>] - Offers information related to fashion, beauty, modeling, health, and fitness. Provides access to related magazines, online shopping areas, modeling and fashion show information, and fashion designers. Contains information on job listings and a classified section. Links to related directories, publications, schools, and software.
Internet Resources for Fashion & Costume – a list of selected Web sites, e-zines and discussion lists about fashion and costumes, with detailed descriptions of the resources. Compiled by Monica Fusich, Reference Librarian at California State University, Fresno. [<http://www.ala.org/ala/mgrps/divs/acrl/publications/crlnews/1999/apr/gladragscom.cfm>]

Food & Nutrition

- ⌚ **Food & Nutrition Information Center** [<http://www.nal.usda.gov/fnic/>]– dietary guides, selected Web sites, articles, and publications prepared by the Food and Nutrition Information Center. Compiled by the USDA Food and Nutrition Information Center and the University of Maryland Department of Nutrition and Food Science.
- ⌚ **Center for Nutrition Policy and Promotion** [<http://www.cnpp.usda.gov/>] – contains dietary guidelines for Americans, MyPyramid food guidance system, healthy eating index, U.S. food plans, nutrient content of the U.S. food supply, and expenditures on children by families.
- ⌚ **MedlinePlus** [<http://MedlinePlus.gov>] - Medical information aimed at consumers provided in both English and Spanish

The Spanish version of MedlinePlus can be accessed via a link from the MedlinePlus.gov site or directly at <http://medlineplus.gov/spanish/>

Both sites provide interactive tutorials on numerous medical subjects with accommodations for low vision and low literacy. Additionally this site provides links to online information from government and non-profit organizations on a wide variety of illnesses and diseases. Both sites include a medical encyclopedia and medical dictionary.
