

Mississippi State Documents Classification

Roberts-LaForge Library is a depository for State of Mississippi documents. State documents are located in the Reference Area stacks. State documents are arranged by issuing agency. Below are the State of Mississippi agencies and departments in alphabetical order, with its corresponding call number range.

To find a document on a particular subject, you may consult the quarterly Mississippi State government Publications Indexes, located in the red binders at the end of the collection. If there is a checkmark next to the title, then we received that particular document. Or you may consult the online catalog (called WebPAC) for the Mississippi Library Commission, at <http://www.mlc.lib.ms.us>
