

Printed Indexes and Abstracts

These indexes are used for finding articles in magazines and journals. They are especially useful when there is not a relevant database on the same subject, when there is a time period not covered by one of the databases, or when the Internet or database system is unavailable. The index counters, tables and reference stacks are located in the Reference area of the library.

Index	Years Held	Location
<u>General</u>		
Access (for magazines that are not in Readers Guide)	1979-1997	Index Counter 1
Bibliographic Index	1937-1999	Index Counter 2
Essay & General Lit. Index	1900-2001	Index Counter 7
Index to ...Articles By & About Blacks	1950-1975	Index Counter 7
Library of Congress Subject Headings	current year	By Ready Ref.
Newsfilm Index	1954-1971	Reference Stacks
