

**Delta State's Continuing Education, in partnership
with AirEvac Lifeteam, offers**

Advanced Cardiac Life Support (ACLS) Certification

This two day advanced, instructor-led classroom course is designed for healthcare professionals who either direct or participate in the management of cardiopulmonary arrest and other cardiovascular emergencies. The course highlights the importance of team dynamics and communication, systems of care and immediate post-cardiac-arrest care. It also covers airway management and related pharmacology. In this course, skills are taught in large, group sessions and small, group learning and testing stations where case-based scenarios are presented.

**November 14 & 15, 2012
8:30am—5:00pm in Room 302A of the
H.L. Nowell Student Union on the campus of
Delta State University.
Cost: \$25 per person Pre-registration is required**
