What is Tech Savvy? A conference for 6th-9th grade girls about science, technology, engineering, and mathematics (STEM) on Friday, March 20, 2020, at Delta State University, Ewing Hall (Jacob Conference Center).

What are the benefits of volunteering? You will earn 10 community service hours, receive a community service certificate, a free one-year membership to AAUW (American Association of University Women), a free t-shirt, breakfast, and lunch at the conference. Most importantly, you will gain volunteer work experience (good for your resume!).

What would I do? On Friday, March 20, 2020, you will assist with registration, guide attendees around campus, distribute conference materials, set-up workshops, and perform duties for the closing ceremony.

How do I sign up? Attend one of the interest meetings, register online at tinyurl.com/dsu2020, or contact Joi Phillips or Janet Horne at 662-846-4448.
