Rules and Regulations

FOR COOKING AT GO GREEN WEEKEND

1. Competition location is Statesmen Park (north of Parker Field/McCool Stadium) on the campus of Delta State University in Cleveland, Mississippi.
2. Cooking sites will be assigned by Noon Thursday, March 31st, weather permitting. Teams are expected to respect other contestants and the event by containing all equipment, cookers, etc. to their designated areas. Roads must be clear of obstruction and teams should not infringe upon adjoining sites.
3. Sausage and rice must be picked up from the Hugh Ellis Walker Alumni & Foundation House between 1:30pm and 4:30pm Friday, April 1st.
4. Competition is ONE round of BLIND judging with the Go Green 2016 Grand Champion designation awarded to the team with the highest cumulative score of the two categories.
5. Sample containers will be provided and must be used. Each box should contain at least enough to provide samples for six judges, and the entire entry must fit inside the corresponding closed container. Each team is responsible for delivering its sample entries to the designated location.
6. At least one member from each team must attend the Mandatory Meeting (TBA). This will be considered official "check-in" so any team not represented will be disqualified.
7. The chief cook is responsible for the conduct of his/her team and guests. Any disturbances and altercations are grounds for disqualification and exclusion from future contests.
8. Teams will be assigned two parking permits for Lot 3 (Northwest of the Stadium) with additional general admission parking available. Absolutely NO GOLF CARTS or ATVs will be allowed in Statesmen Park other than those used by designated event officials.
9. No animals or pets are allowed in Statesmen Park at any time.
10. Each contestant must supply his/her own ingredients, cooking devices, utensils, preparation tables, etc. All entries must be prepared and cooked onsite.
11. Teams are expected to remain set-up until conclusion of the event. It is the responsibility of each team to keep the contest area clean. All fires must be put-out and all equipment, garbage, etc. must be removed from the site. Failure to clean up will result in exclusion from future contests (Go Green Weekend and Pig Pickin').
12. Decisions of the Competition Chair and judges are final. Violations of rules and regulations of the contest will result in disqualification and exclusion from future contests.

Date

Our team is entering this contest voluntarily and acknowledges that participation is a privilege, not a right. In exchange for the opportunity to participate in Go Green Weekend, we assume all risks and release all sponsoring and/or hosting entities, including Delta State University. I further understand that I am expected to respect the event with special regards to abiding by all of the rules and regulations of Go Green Weekend 2016.
