### Graduate Assessments for the Master of Education in Elementary Education Degree

The Delta State University College of Education has developed a series of assessments to determine the effectiveness of each graduate program's ability to positively impact candidate performance in the P-12 student learning environment. The Master of Education – Elementary assessments include the following:

1. Comprehensive Exam
2. Teacher Work Sample (TWS)
3. Teacher Intern Assessment Instrument (TIAI)
4. Research Proposal
5. Dispositions Portfolio

These assessments occur during specific courses and at the end of the program:

TWS & TIAI.....CEL 630- Practicum in Elementary Education  
Research Proposal.....ELR 605- Educational Research  
Dispositions Portfolio.....End of program  
Comprehensive Exam.....End of program

All of the assessments except the Comprehensive Exam require a **TaskStream** account.
