		General Elective	3	Elective			General Elective	3	Elective		

¹ All incoming students required to enroll in FYS 100 (freshmen) or FYS 300 (transfers).

² Recommended Sciences: BIO 110 Biology & Human Concerns, CHE 110 Chemical World, PHY 110 Physical World, PHY 105 Astronomy.

- Maintain GPA of 2.6 or higher in all major courses to be eligible to take last four advanced courses in curriculum (SHS 420, 422, 455, and 430).

- May repeat no more than 3 courses (9 sem hrs) for purpose of grade improvement. May not take courses at other institutions for grade improvement.

- No grade lower than C in required major course will be applied for credit toward graduation.

- Academic Map serves as tool to assist students in successful matriculation through SHS. It should not be used as substitute for meeting with your Academic Advisor.

- Detouring from Map may result in slower matriculation; however, Academic Advisor may deem it necessary for your academic success.
