Ms. Linda Watts
Emmanuel Academy
2287 Gresham
Indianola, MS 38751

Dear Ms. Watts:

I am very interested in your pre kindergarten teaching position at Emmanuel Academy. I possess the comprehension, understanding, skills and talent to make a contribution to the success of your school.

I have a well-rounded educational background, and I am looking for an opportunity to put my skills and knowledge to action. The pre kindergarten teaching position will give me an opportunity to use my teaching skills to help the developmental growth of the students at Emmanuel Academy.

I received my Bachelor of Education degree in Child Development from Delta State University in May 20xx. I have learned a great deal about child development in the classroom through observations and hands-on experiences. I offer solid experience in teaching small children, as I have worked in several day care facilities, as well as served as a camp counselor.

I am confident that the teaching position at Emmanuel Academy matches my interests and abilities. I am excited about the opportunity of joining your staff and working closely with the children and parents. To provide you with more information about my experiences and education, I have enclosed my resume.

Sincerely,

Jenny Hickman
