

How to Access Login Information for DSU Online Services

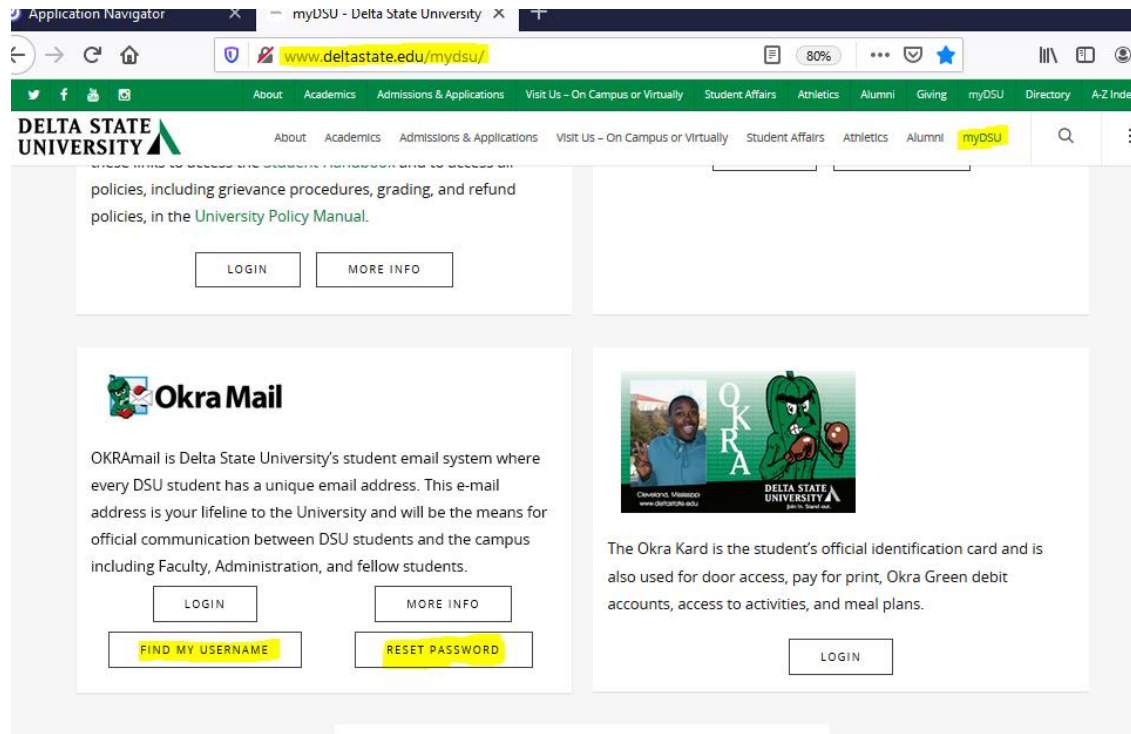

First, you will need your student ID (900#) number. To obtain this information, you will need to contact the Registrar's office to request your ID number. Contact us via email from an email you have on record with DSU at registrar@deltastate.edu, or call us at 662-846-4040 to set up a Zoom meeting to be provided your number.

Once you have your ID number, you will need to log in to the MyDSU online portal by [CLICKING HERE](#), or by pasting the following address link directly into you web browser, <http://www.deltastate.edu/mydsu/>.

Once you are on the MyDSU homepage, scroll down until you are viewing the OkraMail section, as shown in the screenshot below.

Select "Find My Username" and enter the required information (ID and Last name).

Finally, once you have retrieved your user name (note, it is the first part of your OkraMail), you will click on the "Reset Password" option and enter the required information (User Name, DSU ID, First Name, Last Name, and Date of Birth (MMDDYY format)).

The screenshot shows a web browser window with the URL www.deltastate.edu/mydsu/. The page features a green navigation bar with links for About, Academics, Admissions & Applications, Visit Us - On Campus or Virtually, Student Affairs, Athletics, Alumni, Giving, myDSU, Directory, and A-Z Index. The main content area is divided into several sections. The top section contains a paragraph about policies and two buttons: LOGIN and MORE INFO. Below this is the Okra Mail section, which includes a heading, a description of the email system, and four buttons: LOGIN, MORE INFO, FIND MY USERNAME (highlighted in yellow), and RESET PASSWORD (highlighted in yellow). To the right of the Okra Mail section is the Okra Kard section, which features an image of a student and a green okra character, a description of the card's uses, and a LOGIN button.

Now that you have your User Name and Password you are ready to login to DSU Online services from the portal page.
