Academic Advisor – Student Look-Up

Not sure how to find out who your academic advisor is? Follow these steps to look up your advisor and get connected:

- 1. Go to www.deltastate.edu.
- 2. Select *myDSU* from the menu on the top right of the screen.
- 3. Click *Login* under the myDSU Portal.
- 4. Enter your username and password.
 - If this is your first time accessing your account, click *first-time user* and follow the instructions on the screen to locate your username / set your password, security questions, etc.
- 5. Once you have successfully set up your login credentials, you should be automatically redirected back to the login screen. If not, go back to the myDSU menu again and select *Login* under the myDSU Portal.
- 6. Once you are logged in, click the four dots in the top-left corner of the screen, then select *Student Services & Financial Aid* (twice).
- 7. Once your Student Profile appears, you can review various elements of your academic/personal information, such as your contact information, major, academic level/standing, and academic advisor. Your academic advisor's information is listed in the bottom section, near the center.
 - NOTE: Advisors labeled as *Create Audits for ALL Students* are administrative staff and do not serve as your official primary advisor.
 - If no advisor is assigned, contact the department chair for your major. A list of chairs and their contact info is available here.
- 8. Look up your academic advisor's contact information by going to: www.deltastate.edu/contacts.
