Discussion

- Office Hours ..... Anna Grace Travis
  - Anna Grace Travis announces that she will have an excel form to input SGA members office hours and the events everyone has attended. Events for this week cover office hours.

- Goals for the year..... Lucia Chacon
  - Lucia Chacon announces that she will be continuing the same thing SGA did with Will Young last year. She also states if any SGA member feels strongly about a goal to start working on it, as members do not have to wait for the group to complete a task.
- Microsoft Teams transition .....Lucia Chacon
  - Lucia states that there is a 20-minute YouTube video called "teams for beginners" showing a tutorial on how to use Microsoft teams.
- Student Section Banner..... Karley Bloesch
  - Karley asked SGA members for ideas for the student banner. One option is calling it an okra patch.
- Game Room Mural Incentives.....Lucia Chacon
  - Lucia announces that she and Elizabeth met with the chair of the art department and the new administrative assistant to discuss putting a painted mural in the game room. Lucia states that we must come up with incentives for the students that will be painting the mural.
