There is one new member added to the court as of now, with one more that will be added soon. This is due to other members having other commitments or feeling unable to continue with their duties. I want to go over some guidelines for the future. I was very lenient last semester. I want everyone on time for meetings and doing their office hours. Please stay committed to this. Everyone has the same scholarship as Senate members, so now you will be required to be apart of SGA events such as Spring Fest and Go Green Weekend unless you have a valid excuse.
