History

Delta State University was created as Delta State Teachers College by Mississippi State Senate Bill Number 263, Chapter 284, entitled "An Act to Create and Establish the Delta State Teachers College." Governor Henry L. Whitfield signed the bill on April 9, 1924. The institution opened for its first regular session on September 15, 1925, with a faculty and staff of 11 and a student body of 97. The University's first president, Mr. James Wesley Broom, suffered an untimely death during Delta State's first session. He was succeeded by Dr. W. M. Kethley, who served as president from 1926 to 1956. Dr. James M. Ewing became the third president in 1956 and served until 1971. Dr. Aubrey K. Lucas served as the institution's fourth president from 1971 until 1975. Dr. Forest Kent Wyatt became the fifth president and served from 1975 until 1999. He was succeeded by Dr. David L. Potter from 1999, who served as sixth president until 2003. Dr. John M. Hilpert served as Delta State's seventh president from 2003 to 2013. Mr. William N. LaForge began serving as Delta State University's eighth president on April 15, 2013.

The growth and expanding mission of the institution were evidenced by its name change in 1955 to Delta State College. In 1969 Delta State was authorized to reorganize its academic structure into four schools. The School of Arts and Sciences and the School of Business were activated in 1969, and the School of Education and School of Graduate Studies were implemented in 1970. A School of Nursing was authorized in 1977 and began operation in 1978. On March 15, 1974, the institution was officially designated Delta State University to reflect its continued growth and expanded scope. When created in 1925, Delta State was authorized to offer only the Bachelor of Science degree in Education. The first such degrees were conferred in June 1928. Undergraduate degrees are now offered in the arts, sciences, humanities, business, nursing, commercial aviation, and education. In 1965, the University initiated a graduate program and the first Master of Education degrees were conferred in May, 1966.

Delta State University now offers master's degrees in the areas of business, commercial aviation, education, natural and social sciences, and nursing, as well as the Educational Specialist degree, Doctor of Education in professional studies, and the Doctor of Nursing Practice. From a small teacher-training institution in the 1920's, Delta State has grown into a multi-purpose university that focuses strongly on high-quality classroom instruction. Enrollment has increased to more than 4,000 students, and corresponding growth has occurred in physical facilities. The growth and success of the University are tributes to the dedication of the faculty and staff, the hard work of the students, and the strong support of the Delta community and state legislature

Institutional Mission

As a regional Carnegie Master's L university located in Cleveland, Mississippi, Delta State University serves as an educational and cultural center for the Mississippi Delta, emphasizing service to the northern Delta counties and its campus centers in Clarksdale and Greenville in traditional and distance education formats.

The University offers undergraduate, graduate, and continuing education programs of study leading to baccalaureate and master's degrees in the Colleges of Arts and Sciences, Business, Education, and the School of Nursing, as well as the Educational Specialist degree and Doctorates in Education and Nursing Practice. Emphasis is placed on excellence in instruction, followed by service, and research, in the creation of a community of scholars.

With special attention to small classes, a friendly environment, and a broad liberal arts foundation, the University encourages significant student-faculty interactions. Delta State provides programs and services that promote intellectual, cultural, ethical, physical, and social development. Students from different cultural, socioeconomic, and ethnic backgrounds will develop the ability to respect and evaluate the thoughts of others, to develop, assess, and express their own thoughts effectively; and to use the techniques of research and performance associated with their disciplines.

Vision

Students at Delta State University will learn and grow in an environment that fosters discovery and creativity. The institution intends to be the best regional university in America as it combines a heritage of academic strength with a robust commitment to serving people and communities, particularly in the Mississippi Delta.

Visioning Principles

Going forward, Delta State University will be guided by ten building block visioning principles that will help us plan and shape our future.

First, at the top of the visioning priority list are academic excellence and student success. As a regional university of distinction, Delta State is committed to delivering and investing substantially in superior academic experiences for our students and professional development and research support for our faculty. This university will create a welcoming environment that is conducive to teaching and learning, and that serves as a path to success for our students. We are off to a great start with the Center for Teaching and Learning and with increased faculty research and grant writing support, as I mentioned earlier. And, I am very pleased that we are moving toward a capstone experience for every student in every degree program, as well as integrated discipline-specific writing assignments in upper division classes. *Academic Excellence and Student Success. With academic excellence and student success as its top priorities, Delta State will be a nationally and internationally known regional university of distinction, while primarily serving the Delta and the State of Mississippi. The university is committed to delivering and investing substantially in: a) superior academic experiences for students in the arts and sciences, business, education, and nursing; and a learning environment conducive to teaching and learning that provides a personal path to cultural growth and success for a diverse array of students to become productive members of society; and, b) professional development and research support for faculty.*

Second is a student-centric focus. Delta State will provide its students with experiences that provide a path to individual and professional success, including opportunities for personal engagement, growth, and accomplishment—in and out of the classroom.

Student-Centric Focus. Delta State will provide its students with experiences that provide a path to individual and professional success. To complement the student academic experience, the university will provide dynamic extracurricular student-centric programs and services that focus on individual engagement, growth, and accomplishment; an excellent residential college experience; a safe and secure campus environment; leadership opportunities; self-governance; community awareness and service; recreation and entertainment; career counseling and preparation, health care; social and cultural development; and membership opportunities in a wide array of social, service, religious, and cultural student organizations.

Third, the university must have a solid business and financial platform. To support its academic mission and student success, as well as the faculty who drive both, Delta State will be a successful growth-oriented business with a stable financial base, best management practices, and first-class customer service.

Solid Business and Financial Platform. Delta State will be a successful growth oriented business. To support its academic mission and student success, and the faculty who drive both, the university will maintain and continue to build a solid and stable financial base, engage in ethical and best management practices, provide first-class customer service, adhere strictly to its fiscal responsibilities, invest in enhanced technology campus-wide, and maintain and

improve the campus infrastructure to ensure a physical environment that is conducive for teaching and learning.

Fourth, the university will significantly ramp up its efforts in the areas of marketing and student recruitment. To position Delta State as a center of education and culture, and as a university of choice for a diverse array of students, we will strategically increase our marketing presence and aggressively advance our recruiting efforts. We have a great product and a great message, and we will increase our salesmanship and messaging across the board.

Marketing and Recruiting. Delta State will undertake efforts to publicize the “hidden educational treasure of the Delta” for all to know. To position Delta State as a center of education and culture, a university of choice for a diverse array of students, and a major contributor to the improvement of the Delta and the State, the university will invest in public communications and student recruitment programs that will strategically increase our market presence and aggressively advance our recruiting efforts.

Fifth, we will pursue new revenue and funding streams. To supplement institutional revenue derived from tuition and the state, Delta State will secure the university’s future success with private funding and alternative financial support—from grants, auxiliary enterprises, and private gifts from corporations, foundations, alumni, and friends.

New Funding Streams. Delta State will secure the university’s future success with private funding and alternative financial support. To propel the university’s regional, national, and international prominence, provide funding for a wide array of university programs and priorities, and supplement institutional revenue derived from tuition and the state, Delta State will increase its focus on attracting significant financial support from government grants, auxiliary enterprises, and private contributions from foundations, corporations, alumni, and friends.

Sixth, by providing programs that encourage a lifelong Delta State experience for our graduates, the university will promote alumni loyalty, engagement, and pride. Delta State is for a lifetime, not just a few years on campus.

A Lifelong Delta State Experience. Delta State will encourage alumni loyalty and pride, and provide a lifetime experience for graduates of the university. To ensure lifelong Delta State engagement opportunities for our alumni, the university will offer comprehensive programs of cultivation and involvement through national, chapter, campus, and individual initiatives.

Procedures and Responsibilities

Student Enrollment in Classes

Students who are fully admitted to the university will enroll for classes online via DSU Online Services during the registration period. Registration dates are available on the Academic Calendar. Students should contact the Registrar's office for registration information after registration has closed.

Prior to online course enrollment each semester, students must see their assigned advisor for advisement and to receive a required alternator PIN. If no advisor has been assigned, students will go the department of their desired major for an advisor assignment.

Verification of Class Rosters

Class rosters are available to faculty on DSU Online Services. Faculty will check class rosters for accuracy. The University has the right to determine who is enrolled in a class and to control the presence of the person who is not enrolled in the class. A non-enrolled person is allowed in the classroom only at the discretion of the instructor.

Enrollment of Non-Degree Graduate Students

During this review, the department head (or designee) should identify and designate for disposal (destruction or transfer to an archive) the records with elapsed retention periods that are no longer useful.

The department head is responsible for authorizing the disposal of records. When authorized, shred records containing sensitive and/or confidential information and dispose of shredded material properly. Do not discard documents containing sensitive or confidential information in the trash that are not shredded. Erase and verify elimination of data beyond recovery on electronic media (removable media, CD, hard drive) before reusing or discarding.

Unofficial Records

Not all documents must be retained. Unofficial records do not record official university activities and do not have specified retention requirements. Such documents do not need to be maintained and may be destroyed at any time. Such documents include:

- applications for admissions of persons who are not admitted
- extra copies of official documents
- published reports produced by other entities
- purchased data from other sources
- blank letterhead or other blank forms
- routing slips or telephone messages
- catalogues, journals, or other printed matter used for information purposes
- routine letters of transmittal and “for your information” notes
- notices or memoranda that give only ‘timely information’ such as a change of venue for a meeting
- notes or working papers once a project is completed, unless they provide more complete information than the final report

Electronic Records Storage:

Electronic record keeping is the storage and retrieval of information in digital form. This means of record keeping includes, but is not limited to, the use of tapes, disks and optical disks. This applies to all electronic records systems.

Disposal of Paper Records after Transfer to Other Media:

Compact electronic storage methods provide a space saving and often cost-efficient means of storing records that are originally in paper form. After transfer, retain the stored electronic records for the minimum retention period specified in this policy; shred paper records containing sensitive and/or confidential information.

A. Academic Complaints

Grievance Policy – Academic – Undergraduate

Policy Statement

Formal student grievances regarding the actions of an instructor shall proceed according to the policy as follows:

Definitions:

For the purpose of this policy, a **working day** is defined as an academic day (Monday through Friday) when school is in session.

For the purpose of this policy, a **regular semester** is defined as the Fall or Spring semester.

Appeals File: a file that contains originals or copies of all materials generated throughout the appeals process.

Procedures and Responsibilities

At any stage in the appeals process, should a decision necessitate a change in the official record (e.g. a grade change), the responsible party at that state shall make the required change and shall note it in the appeals file.

1. The student will discuss the grievance with the instructor and seek a solution. This discussion, the first step of the grievance process, must take place no later than the last working day of the next regular term after the course in question.
2. If the problem is not resolved to the satisfaction of the student in conference with the instructor, the student is entitled to submit an appeal in writing (with documentation) to the department/division chair within fifteen working days of the date of the conference. Upon receiving a student appeal, the department/division chair submits, within fifteen working days, a written request for a response in writing (with documentation) from the instructor. The instructor replies to the chair's request within fifteen working days. The department/division chair notifies the student and instructor in writing of his/her decision, within fifteen working days from the date the response is received from the instructor. All documents must be retained for a minimum of three years; upon sending the response to the student and instructor, the chair will ensure that the complete appeals file is delivered to the Office of Academic Affairs.
3. If the problem is not resolved to the satisfaction of the student, the student is entitled to submit an appeal in writing (with documentation) within fifteen working days of the date of the department/division chair's written response, to the college/school dean with administrative responsibility for the department in which the appeal originated. The college/school dean obtains the appeals folder from the Office of Academic Affairs and reviews the student appeal and the corresponding responses from the instructor and chair. The college/school dean notifies the student and instructor in writing of his/her decision with a copy to the division/department chair, within fifteen working days from the date the appeal is received. All documents must be retained for a minimum of three

(Committee contact information available through the Office of Academic Affairs, 228 Kent Wyatt Hall, 662.846.4010). The Undergraduate Attendance and Grievance Appeals Committee chair schedules a hearing date, within fifteen working days from the date the request for hearing is received, and notifies the student, instructor, and chair, and the chair obtains the appeals file from the Office of Academic Affairs. Both parties may submit their cases in person to the committee. The judgment of what standards are appropriate resides with the instructor, unless there is compelling evidence that those standards are arbitrary or capricious.

At every step, the correspondences from the instructor, the chair, the dean, and the Committee shall designate the date by which the next step, if indicated, shall be initiated by the student or respondent.

Note: The Writing Proficiency Examination has a separate appeal process. See "General Regulations Regarding Graduation" in the *Academic Catalog*.

Academic Standing

Policy Statement

A student will be classified in good academic standing if the institutional grade point average on Delta State University work and the overall grade point average are 2.00 or greater at the end of each semester. Academic standing is noted on the student's permanent record and on student grade reports. Some programs may have higher grade point average standards for admission or completion of the program.

Procedures and Responsibilities

Academic Probation. Academic probation serves as a notice that academic suspension from the university will follow unless the quality of academic work improves. Students are placed on academic probation when the institutional GPA OR the cumulative GPA is less than 1.8 for freshmen, 1.9 for sophomores, 2.0 for juniors and seniors.

The probationary status is removed when the student achieves the institutional GPA and the cumulative GPA indicative of "Good Academic Standing" (see above).

It is strongly recommended that students on academic probation take no more than 12 semester hours. The student will be expected to use the resources of the University for assistance in returning to good standing.

Academic Suspension. Students on probation are suspended for one regular semester at the end of any Fall or Spring semester during which a semester GPA of at least 1.6 for freshmen, 1.8 for sophomores, and 2.0 for juniors and seniors is not achieved.

The University currently has two regular semesters (Fall and Spring). The academic deans shall have discretion to consider as a regular semester the summer session, which comprises May intersession and both summer terms.

Students readmitted after suspension will be placed on probation, with all requirements of the probationary period as noted, until the "Good Academic Standing" is reached or academic suspension is again indicated.

Students having two academic suspensions are suspended for two regular semesters. Any student on academic suspension shall see his/her respective college dean for registration approval.

Reinstatement

Suspended students who have met the conditions for readmission should contact the College /School Dean regarding reinstatement. Students with extenuating circumstances who wish a hearing should contact the appropriate college or school dean. Appeals may be filed with the Provost/Vice President for Academic Affairs.

Academic Dismissal

Students having three academic suspensions are dismissed from the University. They may appeal to the Provost/Vice President for Academic Affairs for readmission after a period of three years.

| Academic Probation Trigger | Academic Probation Reinstatement to Good Standing | Academic Suspension Trigger (During Probation) | Academic Suspension Period | Academic Dismissal Trigger |

Textbook Policy

Delta State University's Textbook Policy is established at the direction of the IHL to address the cost of college textbooks and other instructional materials and to ensure compliance with Section 133 of the federal Higher Education Opportunity Act (HEOA) of 2008.

Definitions

In this policy, the term textbook is meant to include various types of course materials, including software, electronic files, supplemental materials, and course packs

Policies and Responsibilities

Textbook Adoption Deadlines

Delta State's textbook adoption deadlines comply with the HEOA of 2008 adoption and procedure guidelines, including the requirement that textbook information (including ISBN and prices) be provided to students at the time of registration.

DSU adoption guidelines comply with these IHL Requirements:

- Delta State University adoption forms will be due in the Bookstore according to the schedule below:

| Textbook adoptions Forms provided to faculty | Textbook adoptions Due date to third Party (bookstore) | Textbook adoptions/Changes (absolute due date) | Semester |
|---|--|---|----------|
| March 1 | March 15 | March 31 | Fall |
| October 1 | October 15 | October 31 | Spring |
| February 7 | February 21 | February 28 | Summer |

- The adoption process will include the indication of whether a textbook is required or recommended and should include to the extent possible an indication of whether an alternate (e.g., earlier) edition of the textbook may be used. Timely adoption of textbooks is required for the following course types: lecture, lecture/lab, laboratory, and recitation/discussion. These course types, as designated and defined by the IHL Data Dictionary, are generally assumed to be courses with textbook requirements. Any other courses at Delta State University that historically require textbooks shall be included in this adoption policy.
- Department chairs/heads will be responsible for ensuring that all pertinent courses under their authority have adoptions submitted by the deadline, even in instances where no instructor has been assigned for a course section as of the announced adoption deadline date.

- Departments shall be strongly encouraged to adopt the same course materials for all sections of each course.

Minimum Adoption Periods

DSU policy provides a minimum adoption period for textbooks that are resalable (as opposed to one-time usage materials – e.g., workbooks – or books that have limited resale value).

- DSU’s adoption period for lower division courses is a minimum of three with allowance for reasonable exceptions to this requirement: for instances when editions go out of print, when substantive changes are made in either the course description or the textbook, or when there is a significant change in the body of knowledge pertinent to the course. Authorization of exceptions require the approval of the dean, after recommendation from the department chair.
- For upper division courses DSU’s guiding principle for selection is a minimum of two years. DSU recognizes that, to provide current scholarship in a global marketplace, upper division courses have more advanced and changing content, students often wish to build a personal library of books in their major, and there is a more limited potential for establishing a favorable local buy-back market for such upper division textbooks.

Dissemination of Textbook Information

Compliance with the IHL requirements for dissemination of textbook information is the responsibility of the DSU Bookstore and the DSU contract liaison. The bookstore is responsible for providing information on best practices in textbook adoptions to faculty and for providing advice to students on ways to save money on textbook purchases and for complying with the following IHL requirements:

- Delta State will provide faculty with information and tools for the selection of textbooks, including pricing information and the availability of alternative formats for course materials (e.g., whether textbooks are available in electronic versions) and of separately available components of a bundled textbook;
- Delta State will provide students with tips on purchasing textbooks, including the availability of electronic versions, the availability of unbundled textbook components, buy-back and exchange policies, and price-matching policies. Institutions shall provide this information, including an explanation of the significance of ISBNs, to entering freshmen during orientations or within 30 days prior to the beginning of the fall semester.

- Delta State will provide faculty and students with results from surveys of student satisfaction with textbooks.

Assessment of Progress

The Provost and Vice President for Academic Affairs will appoint a Textbook Coordinator and a Textbook Committee. The Textbook Committee, chaired by the Textbook Coordinator, will be responsible for the implementation and administration of this policy.

- The DSU University Textbook Policy Committee shall develop procedures to assess the success of the textbook policy and practices in containing the costs of textbooks. These procedures shall include analyses and reports appropriate to assessing compliance with this policy. The Textbook Committee will regularly evaluate the effectiveness of the DSU policy.
- The Textbook Committee will review and monitor the number of textbook adoption exceptions approved each semester by each college dean.
- Assessment strategies shall include: the inclusion of questions on student surveys about the value of assigned textbooks; production of reports of the extent of compliance of each institution with the adoption deadlines; information about the costs of the textbooks for the top twenty (highest enrollment) courses; the volume of buy-back purchases at the affiliated bookstores; the number of electronic versions of textbooks being used; and surveys (student and faculty) of the ability of the affiliated bookstore to provide adequate stocking of books.
- Annually, the textbook coordinator will submit such assessment information as required by the assessment plan as an annual assessment report to the IHL Commissioner or his/her designee.

The annual assessment report will be made available on the DSU website.

International Students

Policy Statement

International students may receive assistance from the International Student Advisor in meeting the requirement for attendance at Delta State University as outlined in the procedures below.

Definitions:

None

Procedures and Responsibilities

International students make up a growing segment of our DSU population. In order to meet the special needs of these individuals, an International Student Advisor has been designated by the University to provide resources and support. The International Student Advisor can be contacted at 662-846-4867.

All International students are responsible for the following:

1. Submitting a passport, I-94 and I-20 to the International Student Advisor at the beginning of each semester.
2. Notifying the International Student Advisor immediately of an address change.
3. Pursuing a full course of study. For undergraduate study, a minimum of 12 credit hours per semester, and for graduate, a minimum of 9 credit hours per semester is required. Failure to maintain the minimum requirement or failure to obtain approval from the International Student Advisor will result in a violation of terms of the Visa status and make the student “out of status” with the Immigration and Naturalization Service (INS).
4. Keeping passport valid at all times.
5. Having the I-20 signed by the International Student Advisor before departing the USA for visits abroad.
6. Notifying the International Student Advisor whenever there is a change in major.
7. Understanding the types of employment available to F-1 Visa which is limited to no more than 20 hours on campus.
8. Obtaining a Social Security Number (SSN) if receiving a scholarship or working on campus.

Normal International Student Office hours: Mon-Thurs – 8 a.m. – 5 p.m., Fri – 8 a.m. – 4 p.m.
Summer Hours: Mon-Fri – 7:30a.m. – 4:30p.m.

All exceptions to above hours will be posted on the doors of the International Student Office in Kent Wyatt Hall.

Over 21 Program

In an effort to promote educational opportunities for non-traditional students, DSU established and supports the Over 21 Program designed to allow adults over the age of 21 admissions under the following guidelines.

This program is designed for adults over age 21 who cannot meet the regular admission requirements for entrance to Delta State University. In most instances, these adults are not interested in a degree program but need courses for upgrading skills, meeting certification requirements, or obtaining licensing in some areas. No institutional or federal financial aid is available for any student in this program until twelve (12) semester hours are completed with at least a 2.0 grade point average. A student enrolled in this program will be admitted to Delta State University as a non-degree-seeking student.

Credit earned in this program will be recorded on a permanent record and will be kept in the Office of the Registrar. Application of a student enrolling in this program will be processed in the Office of Admissions. A student registered in this program is subject to all University regulations regarding attendance and academic standing. The student who desires to continue in a degree program after completion of twelve (12) semester hours with at least a 2.0 grade point average will then be considered a fully admitted student. Until a student has earned full admission to Delta State University, transcripts will be designated “Non-Degree Student”. After a student has earned full admission to the University, the credit earned in this program may be applied to a degree program provided these credits fulfill the degree program requirements. A student may enroll in a maximum of twelve (12) semester hours the Fall or Spring semester. (Summer School is considered one semester.)

A student who is 21 years old or older, who is a high school graduate and/or has successfully completed a state issued high school equivalency diplomas, and whose high school class has been graduated for a minimum of three years is eligible for this program. A high school transcript or high school equivalency scores must be filed with the Office of Admissions. A student should request that his high school or test center send this information to the Office of Admissions, Delta State University, 1003 West Sunflower Rd Kenty Wyatt Hall 117, Cleveland, MS 38733.

The student must demonstrate adequate preparation for the courses he or she plans to schedule. This program applies to on-campus, off-campus, online and hybrid- courses. The Student Success Center provides services and advisement for students in the Over 21 Program.

Release of Information

The federal Family Educational Rights and Privacy Act of 1974, a federal law, known as the Family Educational Rights and Privacy Act, allows students to access their educational records and limits the ability of others to access those records.

Definitions

Educational Records: The Family Educational Rights and Privacy Act applies to all records that fall within its broad definition of “educational records.” Student educational records include all records directly related to a student that are maintained by or for Delta State University. With limited exceptions, a student can see every educational record that Delta State University has that is directly related to that student.

Procedures and Responsibilities

The Family Educational Rights and Privacy Act of 1974 (as amended) is a Federal law that provides guidelines for educational institutions regarding protection and release of student educational record information. This law provides for the loss of federal funding for any institution that has a practice of violating the rights provided by the statute.

Students may have access to information about them in university records, unless the information is protected by an exception. Students should submit a signed request to the Registrar identifying the educational records they wish to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the student may review their education records. Students may ask Delta State University to amend a record that they believe is inaccurate or misleading. The student will provide the Registrar with a written statement clearly identifying the part of the record they want changed and why it is inaccurate or misleading. If the Registrar, after consultation with the Vice President for Student Affairs, Provost/Vice President of Academic Affairs, and Academic department head, decides not to amend the record as request by the student, the Registrar will notify the student of this decision. Further, the Registrar will advise the student of his or her right to an appeal regarding the request for amendment.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by Delta State University in an administrative, supervisory, academic, or support staff position or a person or company with whom Delta State University has contracted (e.g. an attorney, auditor, or collection agency). A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

The parent of a University student is not generally entitled to receive information about the student, even if the student is younger than 18 years old. To obtain this information the parent will need the student’s consent. The parent of a dependent student may file a release of records statement with the Registrar’s office.

Students have a right to file a complaint with the U.S. Department of Education concerning alleged failures by Delta State University to comply with the requirements of the Family Educational Records and Privacy Act. The address of the office that administers this law is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605

Tuition and Fees

Delta State University charges a uniform tuition rate for all undergraduate students and a uniform tuition rate for all graduate students. These rates are established to increase financial equity, reduce the impact of financial considerations on educational policy and increase uniformity across the university.

Refund: A reduction of total charges resulting from withdrawal or drop below full-time. A student who officially withdraws from the university, a full-time student who drops below 12 undergraduate hours or 9 graduate hours, or a part-time student who drops a class may obtain a refund of university fee and special fees.

To be officially registered, total tuition and fees are due and payable the first day of class. Payment in full should be made or students may choose the payment plan that is available at that time, which includes a service charge per semester.

Methods of Payment

The university accepts payments by cash, check, money order, or VISA, MasterCard or Discover credit cards. Payments can also be made online via our website at www.deltastate.edu. Students with financial aid (loans, grants or scholarships) may apply those funds to payment plan installments.

Special Fees

There are special fees that may be charged which are not included in the total cost of attending the university. These fees are payable upon entrance into the university. These special fees include but are not limited to: audit fee, graduation fee, late registration fee, private music lessons, and transcript of credits.

Refunds

Students may receive refunds of fees whenever circumstances warrant such a refund. The effective date of withdrawal for refund purposes and the return of Federal Financial Aid funds is the date on which the student begins the official withdrawal process. For unofficial withdrawals, the date becomes the mid-point of the semester, unless the university can document a later date of attendance. A notice of withdrawal, cancellation, and request for refund by a student must be made in writing addressed to the University Registrar, with a copy filed with Student Business Services. Any refund due the student at the time of withdrawal will be processed by Student Business Services within three weeks.

Unearned Title IV loan or grant funds must be returned to the Title IV programs upon a recipient's withdrawal from school at any time during the first 60% of the semester. Refunds for these students are made according to the Higher Education Amendments, Section 484B, and are based on the number of calendar days for each semester. If a student withdraws after completing more than 60% of the semester, it is assumed that the student earned 100% of the Title IV aid for the period.

All refunds are made in the following priority order:

Unsubsidized Loan
Subsidized Loan
Perkins Loan
PLUS Loan
Pell Grant
SEOG Grant
Other Sources of Funds

When Delta State University's Financial Assistance Department applies Title IV funds to a student's account and Delta State University's Student Business Services (SBS) determines that the amount of the funds exceeds allowable charges that the university assessed the student, Delta State must pay the credit balance directly to the student or parent borrower as soon as possible, but no later than the 14-day deadline described below. The only exception is when the school has on file in SBS the student's permission to hold a credit balance.

A school must pay a credit balance directly to a student borrower or parent borrower within 14 days of:

- The date the balance occurs, if it occurs after the first day of a payment period; or
- The first day of class of a payment period, if the balance occurs on or before the first day of class that payment period; or
- The date the school receives the student's or parent's cancellation of the school's authorization to hold a Title IV credit balance.

Scholastic Honors

Delta State University receive academic honors based on the criteria described in this policy.

Definitions

Quality Point Average (QPA) is synonymous with Grade Point Average. It is obtained by dividing the total number of grade points by the total number of credits attempted.

Student Teaching at Delta State University is defined as directed teaching internship, and is that period of the undergraduate Teacher Education Program in which the candidate registers for internship and devotes a full day for the entire semester to actual classroom experience in a particular school. The student observes, assists, and gradually directs many of the same activities engaged in by the cooperating teacher. This work is closely supervised by the principal, cooperating teacher, and university supervisor.

Procedures and Responsibilities

President's List: The President's List is issued each semester and comprises students whose Quality Point Average (QPA) is 3.8 or higher with no grade below a B. Students must be enrolled in a minimum of 12 hours of academic work to be considered for the President's List unless they are engaged in student teaching.

Dean's List: The Dean's List, published at the close of each semester, comprises students who have earned a QPA of 3.5 to 3.79 for the semester. To qualify for the Dean's list, students must be enrolled in a minimum of 12 academic hours unless they are engaged in student teaching.

Graduation with Honors: DSU recognizes academic achievement with awards termed 4-year Honors and 2-year Honors.

To qualify for 4-year Honors, a student must have earned at least 112 semester hours of academic credits at DSU with the QPA of 3.5. The student qualifying for this honor with the highest academic average is awarded the first diploma in this category.

To qualify for 2-year Honors, a student must have earned at least 60 semester hours of academic credits at DSU with the QPA of 3.5. The student qualifying for this honor with the highest academic average is awarded the Doyce Stallings Mitchell Honors diploma in this category.

Awarding Degrees Posthumously

Delta State University may confer degrees posthumously upon student who are deceased prior to completing degree requirements.

Procedures and Responsibilities

For a degree to be awarded posthumously, the student must have successfully completed all degree requirements, or be within 15 hours of degree completion, at the end of the last semester of enrollment.

The posthumous conferral of a degree can be requested by either the department in which the student was a major or by the student's family. If a request for the degree comes from the major department, the Department or Division Chair will first consult with the student's family to see if the request is acceptable before the approval process begins.

All requests must first be approved by the major department and then forwarded to the appropriate Dean. Final approval will be made by the Provost, followed by the University President. Once final approval has been made, the degree will be provided to the family.

The degree will be posted on the permanent record as a transcript comment.

Attendance of Online Classes

A student is considered in attendance of an online class when they meet certain criteria.

Definitions

Online instruction is defined by IHL as education or training in which at least 51% of the content of a course is electronically delivered to a student who is separated from the instructor and has no regularly scheduled campus class meetings.

Procedures and Responsibilities

For purposes of financial aid and enrollment, a student will be considered to be in attendance in an online class when the individual 1) participates in online discussions about academic matters; or 2) initiates contact with faculty to ask questions about subject studies; or 3) completes assignments; or 4) takes tests. Logging into an online course without active participation does not constitute attendance.

The last date of attendance will be the date the student last logged into the course and met one of the four criteria above.

A student in an online course must follow the standard procedure for dropping the class.

NO-SHOW Status: Students who have logged into an online course but have not actively participated will be reported as 'No Shows' according to the university's No-Show procedure.

Withdrawal from the University

Students at Delta State University wishing to withdraw from the University must follow the procedures listed in this policy. Withdrawal may carry financial and academic penalties.

Definitions

None

Procedures and Responsibilities

Students wishing to withdraw from the University must confer with their advisor prior to completing the required withdrawal form offered by the Registrar's Office.

Proper signatures from the Director of Student Financial Assistance, Director of Counseling, Director of Library Services, Dean of the appropriate college or school, Director of Housing and Residence Life, Vice President for Student Affairs, Registrar, and the Student Business Services must be affixed to the withdrawal form. The completed form must be presented to the Student Business Services' Office before the student is officially withdrawn.

When students withdraw, they are expected to vacate their rooms and turn in their identification cards on the day of withdrawal. Refund or any payment due is made in the University Student Business Services' Office. Honorable dismissal is withheld from those who do not conform to these regulations.

A student who withdraws from the University after the fourth week of the semester and who is not passing at least nine hours is subject to Academic Probation or Academic Suspension.

Academic Offerings

Delta State University provides various degrees, majors, and minors requiring specific requirements as determined by the Office of Provost/Vice President of Academic Affairs and in accordance with the IHL Board of Trustees.

Procedures and Responsibilities

Academic Offerings

Quantitative and qualitative requirements for the various degrees, major, and minors are to be found in the catalog under "Course Requirements." Likewise, descriptions of course offerings, as well as the suggested curriculum for each degree of the pre-professional program, are to be found in the catalog sections that relate to the various divisions and departments.

Schedule of Classes

A schedule of classes should be chosen with extreme care. Fee penalties applicable to program changes are described in the official catalogs in the section "Financial Information, Special Fees."

The following regulations apply to changes in schedule:

1. The last day to add a class is the sixth class day of a semester (second class day, summer term). (See University Calendar.)
2. To add or drop a course after the late registration period, a student must complete a Drop/Add form from the Registrar's office. Failure to observe this regulation results in a recorded grade of "F" in the course
3. Courses dropped after the deadline printed in the University Calendar are recorded on the student's permanent record as "W" or "F".
4. No course may be changed from Credit/Audit without permission of instructor after grades go into effect. (See University Calendar.)
5. The last day to withdraw from a course will be the 75% point in the semester. (See University Calendar.)

The "Schedule of Classes" is prepared by the Office of the Provost/Vice President for Academic Affairs from information supplied by the various chairs of divisions and departments to deans of the colleges and schools. Faculty must recognize the practical need of a balanced schedule which may result in the teaching of classes at times other than those desired by the staff, especially late afternoon and/or evening classes.

Class schedule changes (lists of closed, reopened, or new sections) are issued from time to time during early registration and registration. Faculty who advise students should assure themselves of the correctness of the class schedule information they provide students. The correct version of the schedule is available on-line on the Delta State University website.

Tests and Examinations

Delta State University maintains frequent evaluation of the students' progress throughout the semester.

Procedures and Responsibilities

Tests and Examinations

Grades in academic courses are based upon a final examination, a number of written or oral tests, and such other papers, projects or reports as the instructor may require. The teacher determines the relative values of these various measures of achievement, and the students should be advised accordingly. No final grades should be based on a single test. The instructor is responsible for the security of test questions. Although most students are honest, there is no established honor system; therefore, teacher supervision of all tests is required.

Each academic division/department is provided with equipment and materials for the duplication of tests, examinations, and other class-connected materials. Student workers should not be allowed to type, duplicate, assemble, or otherwise handle tests and examinations prior to their administration.

Final Examinations

The final examination schedule is published on DSU Online for each semester. Examinations for all academic courses that meet on two or more hours of a sequence shall be given only at the time specified on the schedule. However, when the final examination schedule poses a hardship of three or more exams on the same day, a student may individually reschedule exams with the clearance through the Provost/Vice President for Academic Affairs Office.

Student Advising

Students at Delta State University are assigned academic advisors to assist them with their college careers.

Procedures and Responsibilities

Delta State advisors are carefully selected from each department, and the advisor assigned to each student will be from the department of the student's field of interest. Students are encouraged to make frequent and regular appointments to see their advisor to insure open lines of communication regarding academic progress. Individual assistance is offered in improving study skills, vocabulary, math, spelling, reading comprehension and speed, and other basic writing skills.

Distance Education

Delta State University is committed to providing students from diverse backgrounds high quality distance education opportunities that are consistent with its role and mission. Following IHL Policy 201.0507, distance education policies and procedures adhere to established best practices, including those outlined by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) and the Southern Regional Education Board (SREB). Following these best practices, the university will employ appropriate learning technologies and delivery formats to offer a variety of courses and programs.

Procedures and Responsibilities

I. Goals/Guiding Principles

All distance education courses are taught by faculty with the same standards, prerequisites, and requirements as on-campus sections of identical courses. All DSU policies and procedures, standards, and guidelines for on-campus programs and instruction are applicable to distance education instruction, unless noted otherwise, (see University Policy Manual; Student Handbook). Distance education courses are comparable to on-campus courses in terms of course descriptions, expectations, and student learning outcomes.

| Distance Education Principles | |
|-------------------------------|---|
| Curriculum & Instruction | Provide access to high quality programs to meet the educational and training needs among a diverse populace within and beyond the geographic service region of the University. Evaluate student learning outcomes and conduct continuous evaluation of distant education programs and courses. |
| Students | Attract, retain, and graduate an engaged and success-oriented distance learner population. Provide tools to assess student readiness for the distance education learning environment. |

| | |
|---------|---|
| | Provide appropriate library resources, reference services, and information literacy instruction appropriate to meet the needs of the distance learner. |
| Faculty | Recruit, support, and enable faculty members to effectively design, develop, and teach distance education courses. Maintain the human and technical resources and network infrastructure necessary to reliably support and deliver distance education. Assess emerging methods and new technological avenues for providing and delivering efficient and effective distance education. |

II. University Distance Education Committee

The University Distance Education Committee (DEC) consists of two members elected from each College and School. The members of the committee serve two year terms. The Committee Chair will be selected by the committee members, rotated among the Colleges and School, and serve a one year term. The Provost will appoint a dean to serve on the DEC as an ex-officio member and the Director of Instructional Technology from the Office of Instructional Technology will serve on the Committee as a non-voting advisor. The committee is responsible for developing policies, making recommendations, and promoting quality assurance including infrastructure, best practices, faculty and student support for all distance education programs and courses. The Committee also reviews new and existing online courses to ensure adherence to the *Course Evaluation Rubric*.

III. Curriculum and Instruction

Distance education courses are designed to meet the same learning outcomes and level of rigor as traditional courses. All online courses are delivered through the university approved Learning Management System (LMS). Faculty utilize the university approved Course Design Template to develop and teach online courses. The approved course design template consists of common components, criteria, and guidelines that faculty can adapt to the needs and requirements of each College or School department.

In addition, the College or School department guidelines are followed to ensure course content is organized in a logical system that meets other required standards, such as accreditation, and to ensure course content is easily accessible to the student.

IV. Approval and Review Process for online courses

All online and hybrid courses must be reviewed and approved by the Department Chair and Dean before it can be scheduled.

The faculty member proposing a new online course, a new offering of an existing course, or a hybrid course will discuss the planned DE course or revisions with the appropriate Department Chair and submit a completed *Distance Education Course Development and Revision Proposal* with syllabus and topic outline. The Department Chair will seek approval from department faculty and/or the Curriculum Committee.

The faculty member will develop the new online course with assistance from the Instructional Staff in the Office of Information Technology (OIT) using the approved Learning Management System templates and *Course Evaluation Rubric*. Once the course is developed, the faculty member will provide access to the Department Chair.

The Department Chair will evaluate the new or revised online course using the *Course Evaluation Rubric*.

If the course is approved, then the Department Chair will provide access to the University Distance Education Committee; if the online course is not approved, then the Department Chair will meet with the faculty member to discuss revisions for resubmission.

The University Distance Education Committee will evaluate new and existing online courses and hybrid courses using the *Course Evaluation Rubric*. If the new online course is approved, the DEC will notify the Department Chair; if the new online course is not approved, the DEC will meet with the Department Chair and faculty to discuss revisions for resubmission. The DEC will notify the Department Chair the results of their evaluation of existing online courses. If an existing online course requires improvement based on the *Course Evaluation Rubric*, the Department Chair will meet with the faculty member to discuss revision for resubmission to the DEC. If the new online course is approved, the Department Chair will complete and submit the *Course Action Request* form [and *Lab Fee* form (if applicable)] to the College/School Dean.

V. Faculty

Faculty who teach in distance education programs and online courses meet the same qualifications as faculty who teach in traditional courses at Delta State University. Faculty who teach in distance education programs and online courses have the same Faculty Rights and Responsibilities [<http://www.deltastate.edu/policies/policy/university-policies/employment/employee-responsibilities-and-standards/rights-and-responsibilities-faculty/>] as faculty who teach in traditional courses. The Office of Information Technology Department provides orientation opportunities and resources for students enrolled in online courses that are appropriate to the technologies used, the content, and the learner.

Class Absences and Excuses

Each student is directly responsible to the individual instructor for absences and for make up work missed.

Procedures and Responsibilities

General

Students who are not present at the first class meeting will be dropped from the roll unless they have paid their fees or have contacted the teacher. Regular and punctual attendance at all scheduled classes and activities is expected of all students and is regarded as integral to course credit.

Particular policies and procedures on absences and makeup work are established for each class and are announced in writing at the beginning of the term. Each student is directly responsible to the individual professor for absences and for making up work missed. A student absent from class when a test is scheduled is entitled to a makeup test if evidence is presented to the instructor that absence was due to illness or death in the immediate family.

A student who has been reported as having excessive absences has the right to appeal to the Attendance and Grievance Appeals Committee and may continue to meet class with the permission of the Committee during the appeal period. For more information about the appeal process, contact the Vice President for Academic Affairs.

Official Absence

Official absences are granted to students required to miss class for University sponsored events such as athletics, performing groups, and student government groups. Students are required to come to the Academic Affairs office for verification of an official absence if the student is required by a faculty member to provide confirmation to complete make-up tests and/or assignments. Commuting students are excused from classes during periods of time when the Weather Bureau has issued a weather advisory for hazardous driving conditions. For these absences, which are authorized by the Vice President for Academic Affairs, students are entitled to make up any work missed.

Health Absences

This policy encourages a student to present to the Student Health Center at the time a decision is made to not attend a class due to illness. When a student arrives before the class is missed, the nursing staff has the opportunity to administer medication, to admit the student to bed, or encourage the student to attend class. When a student is admitted to bed, then the nurse has an occasion to help speed the student's recovery in order for student to return to the classroom. Recognizing that health impacts the student's ability to learn and to continue personal growth, the Health Center uses each interaction to assist the students to prevent illness, regain health, find meaning in illness, or to maintain the highest possible degree of health.

A written excuse obtained from the Student Health Center does not guarantee class assignment or exam can be made up. It is just a statement that the student was in bed during the times and dates on the written excuse.

Delta State University has an established class attendance policy that students must attend a minimum of 75 percent of all scheduled classes and activities. If the instructor requires evidence of illness in the form of a written excuse, an excuse will be provided for time spent in bed at the Health Center. If the student saw a health care provider off campus, the student should obtain an excuse from that health care provider.

Students must present DSU ID as part of the check-in process. The student name and time of check-in will be recorded on the Daily Record. The student's chart will be timed and dated by a Health Center employee.

The time and date of admission will be recorded in the admission book. The time and date of discharge will be recorded in the admission book. Upon discharge, the nurse will write the date and time of admission and the date and time of discharge on the excuse and document in student's chart that an excuse was given.

When presenting student with a written excuse, the nurse is to remind the student that the absence is still counted as a cut. The student will be advised to show the excuse to instructors of all classes missed. The student will be advised to consult class syllabus for information concerning make-up work.

Responsibilities

It is the responsibility of the student to be familiar with the Student Excuse policy.

It is the responsibility of the faculty to be familiar with the Student Excuse policy.

It is the responsibility of the Health Center employee to properly document time and dates of visits, admissions, and discharges of all students utilizing the Health Center's services.

A student will be considered to be in attendance in an online class when the individual 1) participates in online discussion about academic matters; or 2) initiates contact with faculty to ask questions about subject studies; or 3) completes assignments; or 4) takes tests. Logging into an online course without active participation does not constitute attendance.

The last date of attendance will be the date the student last logged into the course and met one of the four criteria above.

Class Meetings and Assignments

Delta State University Office of the Provost/Vice President for Academic Affairs will establish class meeting and assignment guidelines.

Procedures and Responsibilities

Class Meetings

Each class must be held at the location, at the time indicated on the official schedule; laboratory classes may be excused as work is completed. Lecture classes should meet a total of 150 minutes a week or at least a total of 42 contact hours per semester for a 3-hour class. The chair of the division/department must approve any change in the time or the place of a class meeting. Appropriate decorum and order in the classroom are essentials of a good teaching environment. It is the instructor's responsibility to see that these essentials are maintained.

Classroom Assignments

1. Not less than one hour of classroom or direct faculty instruction and a minimum of two hours out of class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time, or
2. At least an equivalent amount of work as required outlined in item 1 above for other academic activities as established by the institution including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

The Board required minimum of 2,250 minutes per three semester hour course, which may include final exam time.

The number of weeks must meet Federal financial aid requirements.

According to accepted practice and to adhere to IHL requirements regarding contact minutes, a three-hour course at DSU requires a minimum of 150 minutes of classroom or faculty-directed instruction per week for a period of 15 weeks. All courses offered on a different schedule or in alternative methods provide the equivalent per credit hour assigned.

The Academic Council is responsible for ensuring that credit hours are appropriately attached to course work. See “Curriculum Development and Revision Policy.”

Grades and Credits

Delta State University uses a standardized grading and credit system and provides students with access to their individual grades.

Definitions

The grading system for academic courses that are included in the gpa calculation at Delta State University is on a five-letter basis and makes use of the following letters: A, excellent; B, good; C, satisfactory; D, poor; F, failure. The following designations are not included in the gpa calculation: W (Withdrawal), I (Incomplete), IP (In Progress), CR (Credit), NC (No Credit), NS (No Show), AU (Audit).

Quality Point: Value assigned to letter grade per credit hour.

Grade Point Average (GPA): The total amount of quality points earned divided by the total number of credit hours attempted. (Range of 0.00 to 4.00)

Procedures and Responsibilities

Grades and Reports

Midterm grade reports are required for individual courses for all students whose academic performance (a D or F) is less than satisfactory. Midterm grades are reported and are accessible for viewing on DSU Online Services.

Final grades are reported and are accessible for viewing on DSU Online Services. Prompt reporting of final grades is absolutely essential to proper recording and processing of records and to permit preparation for the upcoming registration.

If an error is made in reporting a final grade, the instructor should report to the Registrar and execute a Change-of-Grade Form.

System of Grading

The grading system for academic courses at Delta State University is based on grades of A, B, C, D, and F. To these marks, the following quality point values are assigned: A,4; B,3; C,2; D,1; F,0. These values are termed quality points per semester hour of credit. Grading policies specific to an individual course are found in the course syllabus. The letter I indicates that work is incomplete due to providential causes that kept the student from taking the final examination. A grade of I must be removed within twelve months or the I will automatically become an F. This twelve month requirement does not apply to theses, dissertations, and other research or practicum courses, which can award the grade of IP. A grade of NS will be assigned to courses for which a student registers but fails to attend any class meetings.

Various departments at Delta State University offer non-credit activities (e.g. workshops, camps, CEU's) for the benefit of community members; non-credit activities are not eligible for academic credit.

Procedures and Responsibilities

University Catalogs and Class Schedules

The continuous planning by the faculty of courses to meet the aims and objectives of the university is summarized and recorded in catalogs and class schedules. These documents are produced in the Office of the Provost/Vice President for Academic Affairs.

Catalogs and bulletins are issued every year. Bound copies of all volumes may be found in the University Library.

Class schedules, undergraduate and graduate, are issued each semester and are available on the web.

Textbooks and Materials

Books and instructional materials needed by the students will be available in the University Bookstore. No member of the faculty or staff is to sell directly to the student any textbooks, manuals, syllabi, or other articles for classroom use.

Requisitions for the purchase of textbooks originate with division/department chair on the form Textbook Requisition. Accurate completion of the form necessitates consultation with the University Textbook Coordinator. The Textbook Coordinator serves as the primary contact for faculty and chairs and as the official clearinghouse for all textbook information. While some textbook adoption information, including changes, may be discussed via phone or in person with various bookstore employees, all textbook adoptions and changes must be subsequently submitted on a timely basis and in writing to the Textbook Coordinator.

Faculty can assist this process by submitting written textbook adoptions, changes, and related information to the respective Chair. The Chair will then forward written textbook adoptions and/or changes to the Textbook Coordinator on a timely basis. The Textbook Coordinator will distribute the textbook adoption forms and change information to the bookstores.

It is expected that faculty members will encourage students to purchase the textbooks ordered for their individual classes.

Writing Center

The Writing Center, under the direction of the English faculty, is a campus-wide service providing consultation to undergraduate and graduate students and to faculty on any of their writing projects. Faculty members are encouraged to refer to the Center those students who need or want to improve their writing skills.

Developmental Courses

Students accepted through alternate admissions complete a ten-week course of study during the summer prior to their freshman year. This program consists of twelve (12) semester hours of developmental studies courses (MAT 090, ENG 090, CRD 090, and GED 090) and is designed to strengthen mathematics, English, reading and study skills. During their fall and spring semester, these students continue an academic support program in the lab.

Curriculum Development and Revision

All academic development and change will be effected according to the policy and procedures as described herein and as required by IHL Academic Guidelines, IHL policy, and all applicable accreditation policy.

SACSCOC: Southern Association of Colleges and Schools, Commission on Colleges, the regional accrediting body for the University.

Procedures and Responsibilities

To ensure broad input into the academic offerings at the institution, academic development and change will take place according to the following steps.

The departmental curriculum committee (faculty) may recommend academic development and change to courses, curricula, programs, degrees, or units. Departmental changes are requested in a process that moves from the departmental curriculum committee, to the department chair/director, (to a college oversight committee or council, if applicable – teacher education, for example), to the college/school dean, and to Academic Council for approval. Change requests will be submitted on the University's Course Request Form, Curriculum Request Form, or Course Fee Request Form and/or may require an IHL Appendix Form.

Other designated curriculum development units that do not report directly to an academic unit (General Education Committee, for example), may recommend academic development and change to the Provost/ Office of Academic Affairs. The Provost will submit such requests to Academic Council.

Academic Council will act on all curriculum requests and ensure that all applicable policies and procedures are followed, including, for example, federal requirements regarding credit hour designations.

Course change does not require submission to IHL or SACSCOC for approval. Changes to curricula, programs, degrees, and/or units may or may not require submission to IHL for approval (See IHL guidelines and SACS substantive change policy for clarification). If submission to IHL is not required, changes will be implemented at the institution in the timeframe as approved by Academic Council.

If the change requires IHL approval, and once Academic Council approval is granted, the Office of Academic Affairs will prepare documents to be submitted by the President to IHL, according to the IHL guidelines. Once IHL approval is granted, the Accreditation Liaison will review all changes for substantive change issues and will prepare documents, if required, for the President to submit to SACSCOC for approval. Those changes not requiring SACSCOC approval will be implemented at the institution in the timeframe as approved by IHL.

Once SACSCOC approval is granted, changes will be implemented at the institution in the timeframe as approved by SACSCOC.

Records of all changes will be maintained in Academic Council Minutes, and copies of all documents will be maintained in the Office of Academic Affairs.

Academic Honesty

Delta State University expects all students to adhere to the highest moral academic standards.

Definitions

Delta State University expects all students to adhere to the highest moral academic standards. Unethical and dishonest behavior will not be tolerated and could invoke severe penalties. Academic dishonesty includes, but is not limited to, cheating, plagiarism, fabrication, falsification, forgery, and/or any misuse of university documents whether academic or administrative, tampering with any admission requirement documents to gain entrance into the university under a false pretense, selling or distributing written or oral information, and stealing, buying, or selling any administrative or academic document.

Cheating – taking credit for work which has been completed by another person, or assisting others in the misrepresentation of their academic work. Examples include, but are not limited to the following:

- taking answers from another student's paper or allowing answers to be taken from one's own paper during an examination or quiz;
- the use of notes or any other aid not specifically allowed or approved by the instructor;
- unauthorized access to an un-administered examination or quiz and dissemination of the same;
- collaboration on take-home examinations unless specifically approved by the instructor;
- receiving editorial assistance on a course assignment beyond that expressly allowed by the instructor;
- collaborating with another person in the preparation of any assignment offered for credit when such collaboration is prohibited by the instructor; and
- submitting the same work for credit in more than one course, regardless of whether or not such submission occurs within the same term. An exception may be granted if the student receives written permission in advance from his/her instructor(s).

Plagiarism – the appropriation of ideas, facts, phrases, or additional materials (such as maps, charts, artwork, or computer programs) from any source without giving proper credit or offering appropriate documentation. Any material in a paper, report, artwork, or computer program which is not acknowledged is understood to be the original work of the author, unless the material is considered general knowledge. Students who are unsure whether they have used and documented source material correctly should consult with their instructor prior to submission of the assignment.

Penalties for Dishonesty

- If it is believed that an academic honesty violation has occurred, the instructor should schedule a conference with the student to present the violation and evidence. If, following the consultation, the faculty member still believes the student has committed an act of academic dishonesty, the faculty member may recommend an appropriate sanction, such as a grade of zero on the test, examination, or paper in question, retake of a test or examination, extra work, failure in the course, or a combination of these sanctions. The faculty member shall inform the student of the recommended sanction. The faculty member then shall submit a written report of the matter (including Cheating/Plagiarism Document) to the department/division chair, the dean of the school/college in which the course was offered, and, if different, the student's academic dean, and the Provost, with a copy to the student. In the case of a graduate student, the dean of the Graduate Studies shall be given a copy. This notification will remain confidential in compliance with policies protecting student privacy.

Multiple violations will be the purview of the Academic Honesty Committee. This committee may recommend additional and/or combined sanctions, up to and including suspension or dismissal from the university. The Academic Honesty Committee shall report to the Provost/VPAA. If the recommended sanction is dismissal, the provost shall inform the president, and the president shall direct the registrar to inform the student of the recommendation of the dismissal. In each case, copies of the notification of a recommended sanction shall be sent by the registrar to the faculty member, the department/division chair, the dean of the school or college in which the course was offered, and if different, the student's academic dean.

Student Appeal of Recommended Sanction

The student may appeal the sanction(s) recommended by a faculty member by following the appeal process established in the Academic Grievance Policy already in place, available in the Delta State University Undergraduate and Graduate *Bulletins* (archived on the Academic Affairs web page) and in the Policies Manual.

The student may appeal the sanction(s) recommended by the Academic Honesty Committee to the Provost/VPAA.

Standards Governing Student Conduct

Non-Academic Disciplinary Process

The University's disciplinary process will include a prompt, fair, and impartial investigation and resolution process.

Article IX, Section 5 of the By-laws and Policies of the Board of Trustees of State Institutions of Higher Learning states that the President of Delta State University is charged with the responsibility of maintaining appropriate standards of student conduct and is authorized to expel, dismiss, suspend, and place limitations on continued attendance and to levy penalties for disciplinary violations subject to procedures of due process.

The disciplinary process has been delegated by the President to the Vice President for Student Affairs (VPSA). The VPSA has identified the Director of Student Development as the individual who will oversee the judicial process. The Title IX Committee will oversee all Title IX cases. In cases of sexual assault, domestic violence, dating violence and stalking crimes, disciplinary proceedings will be conducted by the Title IX Coordinator who at a minimum, will receive annual training on issues relating to sexual assault, domestic violence, dating violence, stalking crimes and how to conduct investigative and hearing processes that protect the safety of victims and promotes accountability.

Violation of local, state, or federal law can also be assigned to local law enforcement authorities. Disciplinary hearings are utilized in order to arrive at decisions regarding student conduct. These decisions affect the student and his/her relationship with the University. The administration of discipline is an educational process. Such procedures will give full cognizance to tests of fairness, justice, truth, and the requirements of due process. The requirements for due process will include notice of charges, a fair and timely hearing, and an opportunity to appeal. All disciplinary proceedings will be prompt, fair, and impartial from the point of report to the final determination by the University.

An individual may file a formal complaint by submitting a *Code Violation Report Form* to the Director of Student Development, who will conduct a full investigation. The Director of Student Development will review the documents, and interview the accuser, accused, and any witnesses. He or she will then determine responsibility and impose disciplinary actions. Absent extenuating circumstances, the University will strive to investigate and adjudicate non-Title IX complaints within five business days. Title IX cases will be resolved in 60 days. A judicial file (hardcopy and electronic) will be maintained for all sanctions imposed by the Director of Student Development and the Title IX Committee.

Complaint and Grievance Procedures

DSU students have the right to file a complaint against a faculty member, staff member, administrator, or student if they feel that certain rights have been violated or that they have been mistreated.

Informal Complaints: Students who wish to make an informal complaint on a staff person or faculty may do so by attempting to resolve the complaint with the employee's immediate supervisor.

Formal Complaints: Students who wish to go beyond the informal complaint stage must be willing to make complaints or file a grievance in writing. These formal written complaints and grievances start a "due process" procedure which ensures that the formal complaint or grievance is taken seriously, investigated thoroughly by appropriate parties, and resolved after the investigation. All parties involved in the formal complaint/grievance process are notified of various actions in writing. Exactly what type of process is involved depends on the nature of the written complaint made.

Formal complaints or grievances made by students fall into two categories, Academic and Non – Academic.

Non-Academic Complaints

All non-academic complaints and grievances shall be forwarded to the Vice President of Student Affairs' designee, the Director of Student Development. The complaints should be in writing using the student complaint forms available in the Office of Student Life. It shall be the responsibility of the Student Affairs designee to review and respond to non-academic complaints within 3 days.

In regards to Title IX complaints, it shall be the responsibility of the Director of Student Development or the Title IX Coordinator to contact the appropriate individual immediately to begin an investigation consistent with the University's harassment investigation procedures.

Students may contact the Office of Student Affairs if they are unsure of the nature of their complaint or if they have questions regarding the complaint process. Students can speak confidentially with a counselor on campus at the Student Health Center at (662)846-4630 for emotional support and advocacy.

Code of Conduct

Student Conduct On or Off Campus

The Code of Conduct is in effect both on and off campus. Disciplinary hearings are conducted uniformly for all types of cases. However, in cases that involved Title IX violations, different protocols apply (see Title IX section). The University's disciplinary process is consistent with the institution's policies and will include a prompt, fair, and impartial investigation process transparent to the accuser and the accused.

In cases involving alleged violations of law, the Director of Student Development or Title IX Committee's determination is the University's decision on the matter. The accused can still face civil action and /or criminal prosecution.

Non Academic Appeal Process

A student found guilty of any violation of any University regulation has the right of appeal. He or she has two business days to appeal the decision rendered in the case. If after two (2) days, the accused has not appealed the proposed sanction, it will automatically go into effect. The decision to appeal must be communicated to the Director of Student Development or the Chair of the Title IX Committee, whoever heard the original case. The VPSA may refuse to allow an appeal after the original adjudication if it is determined that there is no merit in the case.

If a sanction is appealed, the case will be heard by the VPSA. The VPSA has the right to immediately suspend a student from any or all university property or activity, pending a hearing if the circumstances and/or seriousness of the alleged violations warrant such action.

The VPSA serves as the final appeal, unless the VPSA is otherwise excessively involved in a lower decision. The VPSA may also interject his or her authority in a judicial matter (before or after a decision has been rendered) if he or she determines the safety and/or welfare of the complainant, accused and/or University population is threatened.

Delta State University expects that all members of the University community – students, faculty, and staff – should be able to pursue their work and education in a safe environment, free from acts of intimidation, sexual assault, or hate violence. To this end, the University is committed to maintain a working and learning environment free of sexual misconduct. All forms of sexual assault, relationship violence, and stalking are regarded as serious offenses which are likely to result in suspension or expulsion as well as criminal prosecution. The prosecution of students, faculty, and staff for crimes they commit, whether by state or federal prosecutors, is independent of and could be in addition to the charges and actions taken under university regulations and disciplinary procedures. The University aims to eradicate sexual misconduct through education, training, clear policies, and serious consequences.

Disciplinary hearings are conducted uniformly for all types of cases. However, in cases that involve Title IX violations, the Title IX Coordinator's investigation and process will be involved. The University's disciplinary process is consistent with the institution's policies and will include a prompt, fair, and impartial investigation and resolution process transparent to the accuser and the accused. The accuser and the accused are entitled to the same opportunities to have no more than one non-participating advisor present at any hearing or any meeting related to the investigation or adjudication. Both parties will be notified in writing of their rights, the process and procedure of the hearing and what is allowed.

In Title IX cases, both, the accuser and the accused shall be informed in writing of the outcome of any campus disciplinary proceeding brought alleging sexual assault to include procedures for appeal and any changes as a result of the appeal process. This does not constitute a violation of FERPA.

In judicial cases, the Director of Student Development or Title IX Committee's determination is only the University's determination. The accused can still face criminal prosecution.

The University is also committed to meeting its ethical and moral obligation to prevent sexual misconduct, to provide support for assault victims, and to educate the campus community about sex/gender-based misconduct.

The university believes in zero tolerance for sex/gender-based misconduct. Zero tolerance means that when an allegation of misconduct is brought to an appropriate administrator's attention, protective and other remedial measures will be used to reasonably ensure that such conduct ends, is not repeated and the effects on the victim and community are remedied, including serious sanctions when the accused is found to have violated this policy. This policy has been developed to reaffirm these principles and to provide recourse for those individuals whose rights have been violated. Therefore, both women and men should know that the University is committed to providing a consistent, timely and caring response to anyone who is the victim of sexual misconduct within the campus community.

Other University offices have differing obligations, however, with regard to reporting requirements. While the University recognizes that a complainant may wish to preserve his or her privacy after a traumatic experience, it should also be understood that the University has a responsibility to maintain the integrity and safety of the campus as a whole. Where circumstances exist that are deemed a danger to the University community at-large, pertinent details about a sexual assault will immediately be publicly released. Further, the Student Right-to-Know and Campus Security Act (the Clery Act) of 1990 mandates the annual disclosure of statistics of sexual assaults known to have occurred within the University's jurisdiction. Incidents reported only to the O. W. Reily Student Health and Counseling Center are included in these statistics, along with statistics from the Department of Public Safety. The complainant's identity is not disclosed however, in any such statistical reporting.

Other inappropriate conduct may also be reported confidentially to the O. W. Reily Student Health and Counseling Center or reported formally to the Delta State Police and/or the Cleveland Police Department. Other such inappropriate conduct may include: repeated unwanted telephone calls, social media, and/or email contacts of a lewd or obscene nature, personal threats, stalking, domestic violence, dating violence and sexual harassment.

Confidentiality

If a complainant would like the details of an incident to be kept confidential, the complainant may speak with:

- On-campus licensed professional counselors and staff
- On-campus health service providers and staff
- Off-campus:
 - Licensed professional counselors
 - Local rape crisis counselors
 - Domestic violence resources,
 - Local or state assistance agencies,
 - Clergy/Chaplains
 - Personal Attorney
 - Primary care physician

All of the above employees will maintain confidentiality except in extreme cases of immediate threat or danger, or abuse of a minor. Campus counselors are available to help free of charge and can be seen on an emergency basis during normal business hours. These employees will submit timely anonymous, aggregate statistical information for Clery Act purposes unless they believe it would be harmful to a specific client, patient or parishioner.

Reporting Alleged Sexual Misconduct

The University strongly encourages anyone who has experienced sexual misconduct to report the incident through the procedures in this policy. Properly reporting the incident allows the University to take steps to ensure the safety of the complainant and others and to provide support services. Any person may submit a report against any other person for sexual misconduct on a DSU campus, in connection with any DSU program or activity, and/or involving a member of the University community.

Title IX Violations

The Title IX Coordinator will conduct an investigation to include reviewing case documents and interviewing the accuser, accused, and any witnesses. The committee will then meet to consider the case documents, deliberate, determine responsibility, and recommend disciplinary actions.

The accuser and the accused are entitled to the same opportunity to have one non-participating advisor present at any hearing or any meeting related to the investigation or adjudication. Both parties will be notified in writing of their rights and the process and procedure of the hearing and what is allowed.

Additionally, the accuser and the accused shall be simultaneously informed in writing of the outcome of any institutional disciplinary proceeding which will include procedures for appeal and any changes as a result of the appeal process.

The Title IX hearing process allows both parties to present their case to the Title IX Committee. The standard of evidence will be the "preponderance of evidence" presented to the committee. In cases where a person has been found guilty of crimes of sexual assault, domestic violence, dating violence and/or stalking, the sanctions may include the following: censure, social probation, community service, educational/counseling consultation, restitution, levy of fines, no-contact directive, revocation of the residence contract, or suspension or expulsion from the University.

The Title IX Committee's determination is only the University's determination and the accused can still face criminal prosecution and/or civil action.

The accuser and accused must have the same opportunity to have a non-participating advisor present for proceedings. Both parties shall be informed of the outcome of the Title IX disciplinary proceeding.

The complainant shall be informed of the following:

1. His is or her option to notify law enforcement.
2. Availability of on-campus and off-campus counseling services.
3. Available assistance, if reasonable, in changing academic, working, and/or living situations.
4. Available options, if possible and reasonable, for transportation.

The University will strive to conduct a full investigation of a complaint and adjudicate the complaint within sixty calendar days for Title IX cases.

There are alternatives to reporting sexual misconduct to the University. For example, a person may choose to speak confidentially to a counselor, a victim's- advocate, a health care professional, or certain others on campus. Likewise, a person always retains the right and is encouraged to report misconduct to any law enforcement agency, regardless of whether they have reported to the University or not. In short, it is important for all members of the University community to familiarize themselves with all their options for seeking assistance.

If you are in immediate physical danger or need emergency medical care, CALL 911. Your safety is the first priority. Police and/or an ambulance will be dispatched to assist you as necessary. University officials if not alerted by your 911 call, can be alerted once you are safe.

Reporting to the University

Who should I contact?

The University's Title IX Coordinator is responsible for overseeing compliance with Title IX and other laws that address sexual misconduct and discrimination. The Coordinator oversees investigations and disciplinary proceedings in cases of sexual misconduct, as well as the interim accommodations and assistance for those who report such misconduct. The simplest and most direct route to submit a formal report to the University is to contact the Title IX Coordinator, Ms. Julie Jackson at 662-846-4151.

If a person does not wish to report directly to the Title IX Coordinator, they are encouraged to contact one of the following officials, who also can provide prompt assistance:

- Vice President of Student Affairs; Phone: 662-846-4150
- University Police; Phone: 662-846-4155

What should I do with any evidence of sexual assault?

A person who experiences sexual assault should take steps to preserve evidence as soon as possible after the incident, even if he or she is unsure about reporting it. To better preserve evidence:

- Do not shower or douche.
- Try not to urinate. Urinating may reduce the ability to detect “date rape” drugs.
- If there was oral contact, do not smoke, eat or brush your teeth.
- Do not change clothes. If you have already changed your clothes, place them in a paper bag as plastic may destroy evidence. If you haven't changed, keep the original clothes on and bring an extra set to wear home.
- A Physical Evidence Recovery Kit (PERK) will help preserve forensic evidence of an assault. Inform your medical care provider that you wish to have a PERK performed as soon as possible.

What if I am reporting workplace sexual harassment?

Sexual harassment or other misconduct against University employees in the workplace may violate both this policy and/or the University's Harassment Policy found here:

(<http://www.deltastate.edu/policies/policy/university-policies/employment/employee-responsibilities-and-standards/harassment/>)

Non-Discrimination Policy: (<http://www.deltastate.edu/policies/policy/university-policies/employment/recruitment-and-selection/equal-employment-opportunity/>).

When reporting workplace sexual harassment that does not involve sexual assault or other violence, employees are encouraged to follow the reporting procedures contained in this document.

If workplace misconduct does involve sexual assault or other violence, employees should never attempt to resolve the matter directly with the accused person. In such cases, employees should report the matter directly to the Title IX Coordinator or the Human Resources Director.

What if I report sexual misconduct to someone else at DSU?

If a report is made to an employee of the University other than those listed above, that employee may or may not have a duty to report the complaint to the Title IX Coordinator, depending on the employee's position and job duties. See below for clarification.

Certain University employees are deemed "Responsible Employees" for purposes of Title IX and this policy. When a Responsible Employee receives a report of sexual misconduct, he or she has a mandatory duty to report that allegation to the Title IX Coordinator. As discussed below, there is a single, narrow exception to this mandatory reporting requirement where the alleged misconduct involves nonviolent employee-on-employee workplace harassment.

Who are DSU's Responsible Employees?

A Responsible Employee is any DSU employee (a) who has actual authority to redress sexual misconduct; (b) who has been given the duty of reporting incidents of sexual misconduct or any other misconduct to appropriate University authorities; or (c) who a student would reasonably but mistakenly believe has this authority or duty.

The Responsible Employee designation applies to professors and other faculty, deans and department heads, athletic coaches and administrators, personnel in the Vice President of Student Affairs' Office, University Police Department personnel, resident assistants and directors, and any other employee who meets any of the three elements above. If you are uncertain whether you or someone else is a Responsible Employee, the Title IX Coordinator can help you make that determination.

Confidential Employees- Certain employees are specifically exempted from Responsible Employee status. These include (1) licensed counselors, such as those at Student Counseling Services and their staff members; (2) health care providers and staff such as those at the O.W. Reily Student Health Center; and (3) pastoral counselors. These employees are not required to relay any information about reported sexual misconduct to the University. Faculty members with duties that meet the above descriptions are exempted from mandatory reporting for information received when acting in their counseling or clinical capacity but not for information received in other settings such as office hours with students.

What happens when I inform a Responsible Employee of sexual misconduct?

When a Responsible Employee receives a report of sexual misconduct, he or she has a mandatory duty to report that allegation to the Title IX Coordinator. This means that the Responsible Employee **must** inform the Title IX Coordinator, even if the person who experienced the alleged misconduct asks the employee not to do so.

University personnel who are not Responsible Employees are encouraged to report incidents of sexual misconduct to the University but are not required to do so. Consequently, individuals who experience sexual misconduct should not presume that informing these employees will result in any remedial action by the University. They should instead report the matter to the Title IX Coordinator or other personnel listed above.

Statements concerning sexual misconduct that are directed to groups generally do not constitute reporting for purposes of this policy, even if a Responsible Employee is present or learns of the statement. This includes without limitation statements made in the course of public events such as rallies, vigils or speeches. If a person wishes to seek assistance from the University, they should speak directly to a Responsible Employee in a one-on-one setting.

Are there any exceptions to a Responsible Employee's duty to report?

There is one narrow exception to the mandatory reporting requirement for Responsible Employees. If the alleged sexual misconduct is harassment of one employee by another employee **and** there is no allegation of sexual assault or other violence **and** no student or minor allegedly was involved, then a Responsible Employee may, in his or her discretion decide not to report the incident to the Title IX Coordinator.

This exception recognizes that employees may wish to confer with co-workers about incidents of non-violent harassment without immediately triggering a university investigation. It applies solely to the reporting obligation addressed in this policy. It does not relieve any employee of any other reporting obligation he or she may have under any other policy or law. In all cases, all employees are strongly encouraged to inform their co-workers of their options for reporting workplace harassment or other sexual misconduct to the University.

What are my duties as a Responsible Employee?

Responsible Employees are required to notify the University's Title IX Coordinator when they learn of sexual misconduct against any member of the University community, guest on campus, or participant in any University program.

- ***Reporting should be prompt.*** A Responsible Employee should report an incident of sexual misconduct to the Title IX Coordinator as soon as is practical under the circumstances.
- ***Reporting is not discretionary.*** To be clear, aside from the single exception described above, the obligation to report sexual misconduct is not discretionary. A Responsible Employee may not, for example, decide not to report alleged misconduct because he or she believes it is not sufficiently serious or because he or she does not believe it happened. These are decisions for the Title IX Coordinator and appropriate University officials to make.
- ***Independent responses are prohibited.*** Under no circumstances may any employee, department, organization or division of the University attempt to resolve unilaterally any complaint of sexual misconduct that is required to be reported under this policy. In these

cases, the Responsible Employee must always notify the Title IX Coordinator first, who will determine the appropriate response after consultation with appropriate officials.

- ***Inform students of your obligations.*** Many Responsible Employees can reasonably anticipate the possibility that students may report sexual misconduct to them. The University encourages these employees to inform students of their reporting obligations in advance. When sexual misconduct is actually reported, the employee should tell the reporting person as early in the conversation as possible that any information provided will have to be relayed to the Title IX Coordinator and that if the reporting person prefers to keep the information confidential, the University has resources such as the Student Counseling Center and O.W. Reily Health Center that can provide confidential assistance.
- ***Tell the reporting person what will happen next.*** A Responsible Employees should tell the person reporting sexual misconduct (1) that they will be informing the Title IX Coordinator of the incident; (2) why they are sharing this information—i.e., their obligation to inform those on campus in a position to respond; and (3) that the University will contact them to provide additional information and support.
- ***Do not share the information with others.*** Once you have informed the Title IX Coordinator, your reporting duties are complete. You may not share the information with anyone else. If your supervisor or someone you report to expects to be notified of such reports, you may inform them that you have relayed a complaint to the Title IX Coordinator, and that they may contact the coordinator directly with questions or concerns.

After I report misconduct, will the information be kept confidential?

The University will endeavor to keep reported information about sexual misconduct private to the greatest extent possible, but cannot guarantee that all information it receives will be kept confidential. Once a report is submitted to a Responsible Employee, the University has a duty to investigate the matter and endeavor to protect the safety of members of the community. In some instances, this means that certain information must be provided to individuals involved in an investigation.

Upon receiving a report of sexual misconduct, the Title IX Coordinator will attempt to contact the person who made it (the “complainant”) to determine his or her wishes with respect to privacy. If the complainant requests that their identity or other information be kept private, or that no disciplinary action be pursued, the University will give careful consideration to that request. However, there may be instances in which such requests cannot be honored, as they would impair the University’s ability to ensure a safe and non-discriminatory environment for all students. Factors considered include, but are not limited to:

- The risk of the accused committing other acts of sexual misconduct, such as where other complaints have been made against the same person.
- The risk of sexual misconduct of a similar nature, such as where multiple assaults occurred at the same location or involving the same group.
- The use of physical violence and/or weapons.

- The involvement of multiple alleged perpetrators.
- Allegations of threats or retaliation by the accused against the complainant or others.
- The complainant's age.
- The parties' rights and/or the University's obligations under the Family Educational Rights and Privacy Act (FERPA) and other applicable privacy laws.

If the University determines it can honor a request to keep information private, it will take steps consistent with that request to ensure the safety of the complainant and others. However, complainants should understand that honoring a request for privacy necessarily will impair the University's ability to investigate and normally will prevent any disciplinary action from being taken against the accused. If someone who initially requested privacy later requests an investigation, the University will honor that request. However, delays may impair the University's ability to conduct a thorough investigation or take appropriate remedial action.

If the University determines it cannot honor a request for privacy, it will inform the complainant before any disclosure is made. The University will take whatever steps it deems necessary to protect the complainant and to ensure that information is available only to those who have a legitimate need to know. The University will make it clear to the accused party and others receiving information that any act of retaliation against the complainant will not be tolerated.

4. Confidential Assistance

Certain University personnel are able to provide assistance to victims of sexual misconduct on a confidential basis. These individuals are not required to convey information regarding sexual misconduct to the Title IX Coordinator or anyone else. Consequently, communications with these individuals **do not** put the University on notice of sexual misconduct. While these individuals may be able to provide assistance such as counseling or health care, notifying them will not trigger an investigation by the University or any disciplinary proceedings. Sources of confidential assistance include:

- Student Counseling Services (662)-846-4630 or (662)-846-4690 allows students to meet confidentially with mental health counselors. Additionally, Counseling Services can provide a Sexual Assault Advocate, who can offer confidential assistance, including (1) explaining reporting options; (2) providing accompaniment and assistance in seeking medical care or police assistance; and (3) seeking other assistance without disclosing the victim's identity.
- O.W. Reily Student Health Center (662)-846-4630 or (662)-846-4690 provides medical care to members of the University community. Information shared with Health Center staff, including information pertaining to sexual assault or other misconduct, is confidential.

As discussed above, the University may elect to confer confidential status to other employees consistent with applicable laws and regulations. If you are not certain whether an employee is required to report sexual misconduct to the University, please inquire with the Title IX Coordinator.

5. Anonymous Disclosure

Anonymous complaints of sexual misconduct or other unethical or unlawful behavior can be made through the DSU Ethics Line, a comprehensive and confidential online reporting tool. An online report can be completed via the Ethics Line web page (<https://secure.ethicspoint.com/domain/media/en/gui/31497/index.html>), a link also located on the University's main home page. To submit a report by telephone, dial (877)310-0424.

The DSU Ethics Line is not a 911 or emergency service. If your situation involves any immediate threat, call 911 or the DSU Police Department, not the Ethics Line. Further, the Ethics Line is not a substitute for reporting under this policy. While the University will take appropriate steps to address threats to safety or other ongoing problems identified by anonymous disclosures, its ability to respond, impose discipline, and/or accommodate the complainant normally will be significantly limited. Members of the community are therefore strongly encouraged to consider the other options for reporting listed in this policy.

6. Reporting to Law Enforcement Agencies

The reporting procedures in this policy are not intended as a substitute for reporting sexual misconduct to law enforcement agencies. Sexual misconduct may involve violations of the law. Members of the University community always retain the right to report sexual misconduct to the police. However, reporting to law enforcement is never required under this policy.

In an emergency, the DSU and Cleveland Police Department can be reached by calling 911. Non-emergency contact information for these agencies is as follows:

DSU Police Department (662) 846-4155

Cleveland Police Department (662) 843-3611

Bolivar County Sherriff's Office (662) 843-5378

U.S. Department of Justice - Office of Civil Rights (404) 562-7886

Reporting to the DSU Police Department will trigger the responses outlined in this policy. Reporting to other law enforcement agencies will not trigger these responses unless and until that agency elects to share the information with University officials or until you make a report as outlined in this policy.

Making a report under this policy is independent of any criminal investigation or proceedings. Thus, you may report to the University, a law enforcement agency, or both. The University, in its discretion, may not wait for the conclusion of any criminal investigation or proceedings to commence its own investigation or disciplinary proceedings. The University may take interim measures, if necessary, for the safety and security of the University community.

Individuals who bring reports of sexual misconduct to the University will be informed of their options for reporting to law enforcement agencies. If requested, the University will take reasonable steps to assist the individual in reporting to law enforcement.

While requests by reporting parties for non-disclosure of information to law enforcement will be carefully considered, there may be circumstances under which University officials must provide law enforcement with information, such as where disclosure is required by law or is necessary to ensure campus safety.

Failure of a non-confidential employee, as described in this section, to report an incident or incidents of sex or gender harassment or discrimination of which they become aware, is a violation of university policy and can be subject to disciplinary action for failure to comply with university policies.

Investigation and Adjudication

All investigations and disciplinary proceedings concerning alleged sexual misconduct will be conducted in a prompt, fair, and impartial manner by individuals who have received appropriate training.

I. Initial Investigation

The Time frame. Absent extenuating circumstances, the University will strive to conduct a full investigation of a complaint of sexual misconduct and adjudicate the complaint within sixty calendar days after receiving consent to proceed with an investigation from the complainant or within sixty calendar days of deciding to proceed with an investigation absent the complainant's agreement.

Interim Assistance. While an investigation is pending, the University will take reasonable interim steps to protect complainants. These steps may include, but are not limited to:

- Modifying class or work schedules as necessary;
- Making alternate housing or workplace arrangements;
- Addressing other academic or workplace concerns (e.g. assignments, leaves of absence, or withdrawal); and
- Providing additional and/or targeted educational programming and training.

The University may also issue orders prohibiting contact between the complainant, the accused, and/or any other member of the University community. While these accommodations are most commonly provided to complainants, the University may also make accommodations for the accused or any other person, where it deems them necessary for a prompt, fair, and impartial resolution. A written description of available accommodations and assistance will be made available upon request.

The Investigator-The Title IX Coordinator will conduct the investigation. In exceptional cases, an external investigator may be used. In all cases, the investigator will have received proper training on issues relating sexual misconduct and Title IX.

Initial Contact with the Parties- When an investigation begins, the Title IX Coordinator or a designee will schedule a meeting with the complainant. The complainant will be informed about the relevant provisions of this policy, the nature of the investigation, the availability of interim accommodations and assistance, the prohibition on retaliation, the right to report to law enforcement agencies, and the possibility of informal resolution where appropriate. The Title IX Coordinator or a designee also will communicate to the accused party the relevant provisions of this policy, the nature of the investigation, and forms of support or assistance available to him or her.

II. Procedures for Adjudication

The procedures for investigating and adjudicating complaints of sexual misconduct vary depending on the identity of the accused party. Where the accused party is a student, the procedures described below in part (b) will be used. Where the accused party is an employee, the procedures described below in part (c) will be used. In all cases where a student or employee is charged with sexual misconduct in violation of this policy, however, the following general rules in part (a) apply.

a. General Rules for Investigation and Adjudication

- i. All parties to a sexual misconduct investigation will have equal rights throughout the resolution process and will have an equal opportunity to present relevant witnesses and other evidence if a hearing is necessary.
- ii. Both the complainant and accused have the right to have a non-participating advisor present at any hearing or any meeting related to the investigation or adjudication.
- iii. The complainant and accused will be advised of the charges, their rights and the hearing procedure at a pre-hearing conference.
- iv. Both parties will be given reasonable advance notice as to who will hear and adjudicate the matter, as well as the identity of any witnesses, and any other evidence to be presented at any hearing.
- v. The complainant has the right to be present during the entirety of any hearing or can choose to participate by remote means at an off-site location.
- vi. The standard of proof for adjudicating any sexual misconduct charge is a preponderance of the evidence standard. In other words, the evidence must show that it is more likely than not that the alleged sexual misconduct occurred.
- vii. The complainant and the accused in a sexual misconduct complaint hearing will be allowed to question or provide information responding to any witness's testimony or other evidence presented during any hearing. However, the complainant and the accused in a sexual misconduct complaint hearing should not directly question or cross-examine each other during the hearing.

viii. The complainant and the accused will be simultaneously informed, in writing, of the outcome of any disciplinary proceeding, the procedures to appeal the results, any change in the results that occurs prior to the results becoming final, and the time at which the results become final.

ix. The Title IX Coordinator will oversee all investigations, hearings and disciplinary proceedings under this policy to ensure such proceedings comply with University policy and applicable law. All persons assigned to investigate sexual misconduct charges will have received proper training on issues related to sexual assault, sexual harassment, domestic violence, and stalking as well as proper methods for ensuring a prompt, thorough and fair investigation. All persons responsible for final adjudication of charges of sexual misconduct will have received proper annual training on the same issues, as well as proper methods of conducting hearings.

x. If any party to a disciplinary hearing under this policy believes that any adjudicator or investigator has a conflict of interest that would prevent him or her from handling the matter fairly and impartially, they should communicate that belief to the Title IX Coordinator as early as possible, and in all events prior to any hearing. The Coordinator will review the matter and take remedial action where appropriate, which may include assigning an alternate investigator or adjudicator. In rare cases, the Coordinator may determine that potential conflicts of interest or other factors warrant the appointment of individuals from outside the University community to investigate and/or adjudicate a charge of sexual misconduct.

b. Where the Accused Person is a Student

i. Where the accused person is a student, adjudication proceedings will be conducted according to the Disciplinary Process, as set forth in DSU Student Handbook. Where this policy contains additional requirements or conflicts with the Disciplinary Process, this policy will control.

ii. No student shall sit on any disciplinary committee or other board assigned to hear any charge of sexual misconduct.

iii. In cases of alleged sexual misconduct, the right of appeal described in the Code of Student Conduct shall apply to both the complainant and the accused. Petitions for appeal will be reviewed by the Vice President of Student Affairs.

c. Where the Accused Person is an Employee

i. Where the accused person is an employee, proceedings will be conducted according to the investigation process (Section “a” - General Rules for Investigation and Adjudication) as set forth in this document.

ii. In cases where the accused person is an employee and the complainant is a student and/or a minor, a review by the Director of Human Resources of the outcome and any disciplinary or other remedial action, shall be automatic and mandatory. Petitions for appeal will be reviewed by the Director of Human Resources.

d. Where the Accused Person is neither a Student nor an Employee

- i. In some cases, a person accused of sexual misconduct may be someone other than a University student or employee. In these cases, the University normally will not have the ability to impose discipline directly under this policy. However, the University will take appropriate steps to ensure the safety of the complainant and others, which may include without limitation steps to bar the accused person from campus, exclusion from university programs or activities, and/or referral to appropriate law enforcement agencies.
- ii. Nothing in this policy shall be construed as granting any accused person who is not a University student or employee any procedural or substantive rights in relation to the University's response to alleged sexual misconduct.

III. Response & Sanctions

The following matrix shall guide the Title IX Coordinator and the Sanctioning Official in determining sanctions and provide notice to the University community of the possible sanctions for an individual who is found responsible under this policy. **This matrix only provides guidance and is not meant to be exclusive as to other sanctions that can be imposed.**

Additionally, prior disciplinary actions of a same or similar nature against an individual may be taken into consideration when imposing sanctions. The sanctions of dismissal, suspension, and probation may apply to academic enrollment, participation in campus activities and organizations, and residence life.

| Prohibited Behavior/Conduct | Range of Sanctions |
|---|--|
| Sexual Misconduct Constituting of Sexual Assault | Dismissal/Termination |
| Sexual Misconduct Not Constituting Sexual Assault | Dismissal/Termination Suspension Probation |
| Unwanted Sexual Touching | Dismissal/Termination Suspension Probation Community Service Educational/Counseling Consultation |
| Non-physical Sexual Harassment | Dismissal/Termination Suspension Probation Community Service Educational/Counseling Consultation |
| Discrimination | Dismissal/Termination Suspension Probation Community Service Educational/Counseling Consultation |

| | |
|----------------------------------|--|
| Retaliation False Allegations | Dismissal/Termination Suspension Probation Community Service Educational/Counseling Consultation |
|----------------------------------|--|

Sanctioning for Sexual Misconduct

•Any person found responsible for violating the Non-Consensual Sexual Contact policy (where no intercourse has occurred) will likely receive a sanction ranging from probation to expulsion, depending on the severity of the incident, and taking into account any previous disciplinary violations.*

•Any person found responsible for violating the Non-Consensual Sexual Intercourse policy will likely face a recommended sanction of suspension or expulsion (student) or suspension or termination (employee).*

•Any person found responsible for violating the Sexual Exploitation or Sexual Harassment policies will likely receive a recommended sanction ranging from warning to expulsion or termination, depending on the severity of the incident, and taking into account any previous disciplinary violations.*

***The decision-making body reserves the right to broaden or lessen any range of recommended sanctions in the case of serious mitigating circumstances or egregiously offensive behavior. Neither the initial hearing officers nor any appeals body or officer will deviate from the range of recommended sanctions unless compelling justification exists to do so.**

False Allegations

While the University recognizes the rarity of intentional false reports of sexual misconduct, submitting a deliberately false report or providing false information in bad faith is prohibited under this policy and is grounds for disciplinary action. A report is made in bad faith when the person making it actually knew it was false or made it with reckless disregard for the truth. A report is not made in bad faith merely because an adjudicator finds an accused party not responsible.

Where a false report or statement has been made in bad faith, disciplinary action by the University against the person making it is not retaliation within the meaning of this policy. This exception applies solely to official disciplinary action by the University. It does not authorize other retaliation of any kind by any individual, department or organization, even where bad faith is found.

Retaliation

Retaliation against those who report sexual misconduct, or who cooperate with an investigation of alleged discrimination or misconduct, whether conducted by the university or any law enforcement agency, is strictly prohibited.

Retaliation is an independent basis for disciplinary action, regardless of the outcome of the underlying complaint. Retaliation includes any adverse action that would deter a reasonable person from reporting, testifying, or otherwise cooperating with an investigation or proceeding. Any such retaliation should be reported immediately to the Title IX Coordinator or the Vice President of Student Affairs.

Parental Notification

The University reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, change in student status, or conduct situation, particularly alcohol and other drug violations. The University may also notify parents/guardians of non-dependent students who are under age 21 of alcohol and/or drug policy violations. When a student is not dependent, the University will contact parents/guardians to inform them of situations in which there is a significant health and/or safety risk. The University also reserves the right to designate which college officials have a need to know about individual conduct complaints pursuant to the Family Educational Rights and Privacy Act (FERPA).

What to do if you are sexually assaulted on or off campus:

- Go to a safe location immediately.
- To report the crime or request services, notify the DSU Police Department at 662.846.4155 (24 hours), Housing and Residence Life at 662.846.4151, Student Health and Counseling Center at 662.846.4630, or Our House, Incorporated 662-332-5683. You can file a formal report with the DSU Police Department
 - The accused may be one of the following:
 - DSU student or non-student
 - Faculty/Staff
 - Administrator
 - DSU Campus Affiliate
- Preserve all physical evidence of the assault, even if you are unsure whether you want to report the crime. Do not shower, bathe, douche, eat, drink, wash your hands or brush your teeth until after you have had a medical examination. Save all the clothing you were wearing at the time of the assault and bring them and any other potential evidence to the medical exam. Place each item of clothing in a separate paper bag (do not use plastic bags). Do not clean or disturb the area where the assault occurred.
- Call a trusted friend, family member, or someone who can provide support.
- Get medical care as soon as possible. Go to a hospital, emergency room or a specialized forensic clinic that works with sexual assault survivors. Some options in Cleveland include Bolivar Medical Center, 662.846.0061 (24 hours), and the Domestic Violence Program, 601.948.4495 (24 hours). You may also request medications for the prevention of sexually transmitted infections, including HIV, and emergency contraception. If more than one week has passed since the assault, or if you are certain that you do not want the collection of forensic evidence, the Student Health Center, 662.846.4630 can provide medical care. Hours of operation are Monday – Friday 8:00 am – 5:00 pm. For contraception and testing sexually transmitted infections a referral to the Bolivar County Health Department at 662-843-2706 is made. A referral to a local OB/GYN would be made for morning after pill or pregnancy test.
- If you think you may have been given a rape drug, request that the medical provider collect a urine and blood sample.
- Talk to a counselor for emotional support and advocacy. You can speak confidentially with someone on campus at the Student Health Center, 662.846.4630.

DEFINITIONS

Accused – In this process, the person who is alleged to have violated campus policy.

Age – There is no consent for purposes of this policy where a person is too young to give effective consent under applicable law. Under Mississippi law, persons under fourteen cannot give effective consent to sexual activity with any older person, where the age difference is greater than twenty-four months. Persons between the ages of fourteen and sixteen cannot give consent to sexual activity with any older person where the age difference is greater than thirty-six months.

Bystander – Any person present but not involved.

Coercion – There is no consent when a person intentionally uses coercion to cause another person to agree to sexual activity. Coercion is threatening an adverse consequence that is sufficiently severe as to prevent a reasonable person from exercising free will in the decision whether to consent. Examples of coercion may include but are not limited to threatening self-harm if a person does not agree to sexual activity, threatening to “out” another person’s sexual orientation, or threatening an adverse employment action. Coercion is not merely words of persuasion one might reasonably use to seek voluntary consent to sexual activity.

Complainant – In this process, the person reporting a violation of this campus policy.

Consent – Clear and unmistakable agreement expressed in mutually understandable words or actions to engage in a particular activity. Consent can be withdrawn by either party at any point. Consent must be voluntarily given and may not be valid if a person is being subjected to actions or behaviors that elicit emotional or psychological pressure, intimidation, or fear. Consent to engage in one sexual activity or past agreement to engage in a particular sexual activity cannot be presumed to constitute consent to engage in a different sexual activity or to engage again in a sexual activity. Consent cannot be validly given by a person who is under the influence of alcohol and/or drugs.

Dating Violence – Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship

Domestic Violence – A pattern of abusive behavior in any relationship that is used by one partner to gain or maintain power and control over another intimate partner. Domestic violence can be physical, sexual, emotional, economic or psychological actions or threats of actions that influence another person. This includes any behaviors/actions that intimidate, manipulate, humiliate, isolate, frighten, terrorize, coerce, threaten, blame, hurt, injure or wound someone.

Employee – Any person employed by Delta State University including students, staff, (includes full-time, part-time, temporary), faculty (includes adjunct), and administrative personnel.

Evidence – Anything that proves or disproves something. Evidence may include but is not limited to: Any form of social media, text messages, any electronic format.

Incapacity or Impairment – There is no consent if a person is mentally or physically incapacitated or impaired such that they cannot understand the fact, nature, or extent of the sexual situation. This includes impairment or incapacitation due to alcohol or drug consumption if it prevents the person from having such an understanding, as well as being asleep or unconscious. It also includes instances in which a person lacks the required understanding due to medical conditions, or cognitive or other disabilities.

In some instances, a person may give what appears to be consent, despite being incapacitated. For example, a person may speak despite having “blacked out.” In such cases, the objective standard for consent applies, meaning that a policy violation occurs unless a reasonable individual under the particular circumstances would have believed that the incapacitated person’s actions signaled active, knowing and voluntary agreement to sexual activity. Even if this objective standard is satisfied, if the other individual was actually aware of the person’s incapacity, there is no consent.

Intimidation – Implied threats or acts that cause an unreasonable fear of harm in another.

Retaliation – Any adverse action taken against a person participating in a protected activity because of their participation in that protected activity [subject to limitations imposed by the 1st Amendment and/or Academic Freedom]. Retaliation also includes any threats or intimidation towards victims and witnesses who participate in an investigation.

Sexual Assault – Any sexual act perpetrated upon a person without her or his consent, where the assailant uses physical force, threat, coercion, or intimidation to overpower or control the survivor; where the survivor fears that she or he or another person will be injured or otherwise harmed if she or he does not submit; where the survivor is prevented from resisting due to the influence of alcohol or other drugs; or where consent is otherwise not freely given.

Types of sexual assault may include, but are not limited to:

- Rape or attempted rape
- Non-consensual, intentional contact with intimate body parts
- Non-consensual oral sex
- Lewd exposure of one’s sexual organs, either in person, in print, or electronically, to another without his or her consent
- Any sexual contact between two individuals that, because of the age of the parties, is prohibited under State law.

Sexual Contact

Sexual contact includes, but is not limited to:

- Intentional sexual contact with the breasts, buttock, groin, or genitals, or touching another with any of these body parts, or making another touch another or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth or other orifice.

Sexual Exploitation

Occurs when one person takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual misconduct offenses. Examples of sexual exploitation include but are not limited to, invasion of sexual privacy, prostituting another person, and non-consensual digital, video or audio recording of nudity or sexual activity.

Sexual Harassment – It is unlawful to harass a person (an employee or student) because of that person's gender. Harassment can include "sexual harassment" or unwelcome sexual advances, requests for sexual favors, and other verbal or physical harassment of a sexual nature. Harassment does not have to be of a sexual nature, however, and can include offensive remarks about a person's gender. Both victim and the harasser can be either a woman or a man, and the victim and harasser can be the same gender.

Although the law doesn't prohibit simple teasing, offhand comments, or isolated incidents that are not very serious, harassment is illegal when it is so frequent or severe that it creates a hostile or offensive living, classroom, social, dining, recreational, and/or work environment. The harasser can be a student and/or employee affiliated with the University or someone who is not associated with the University.

Sexual Intercourse

Intercourse includes but is not limited to:

- Vaginal penetration by a penis, object, tongue or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

Non-Consensual Sexual Contact - Any intentional sexual touching. However slight, with any object or body part, by an individual upon another individual. That is without consent and/or by force.

Non-Consensual Sexual Intercourse - Any sexual intercourse (vaginal, anal, or oral). However slight, with any object or body part by an individual upon another individual. That is without consent and/or by force.

Sexual Misconduct – Sexual misconduct incorporates a range of behaviors including sexual assault (which includes rape and any kind of nonconsensual sexual contact), sexual harassment, intimate partner violence, stalking, voyeurism, and any other conduct of a sexual nature that is nonconsensual, or has the purpose or effect of threatening, intimidating, or coercing a person.

Much sexual misconduct includes nonconsensual sexual contact, but this is not a necessary component. For example, threatening speech that is sufficiently serious to constitute sexual harassment will constitute sexual misconduct. Making photographs, video, or other visual or auditory recordings of a sexual nature of another person without consent constitutes sexual misconduct, even if the activity documented was consensual. Similarly, sharing such recordings or other sexually harassing electronic communications without consent is a form of sexual misconduct.

Stalking – Any person who purposefully engages in a course of conduct directed at a specific person, or who makes a credible threat, and who knows or should know that the conduct would cause a reasonable person to fear for his or her own safety, to fear for the safety of another person, or to fear damage or destruction of his or her property, is guilty of the crime of stalking.

Student – A person enrolled at Delta State University, either full-time or part-time.

Use of alcohol/drugs – Drugs and/or alcohol are often used to compromise an individual's ability to consent to sexual activity as well as to minimize the resistance and memory of the victim of a sexual assault.

Witness – A person who directly observes the alleged incident.

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association (SGA) serves to promote unity and the welfare of the entire student body, provide a high standard of responsibility in the interests of our student life, and to ensure goodwill among students, faculty, staff and administration.

All students enrolled at Delta State University automatically become members of the Student Government Association. The association functions through three branches: executive, judicial, and legislative. Its purpose is to deal effectively with all matters of student affairs, to organize the student body in order that it may work collectively toward the betterment of the university, and to uphold the best traditions at Delta State.

The Director of Student Development serves as the advisor for the executive, legislative, and judicial branches of the Student Government Association. Each branch affords the opportunity for students to become involved in exciting and challenging areas of government and event planning.

Executive Cabinet

The Executive Cabinet, the executive branch of SGA, administers the daily affairs of the SGA, and enacts and enforces all statutes passed by the Student Senate. The SGA President, Vice President, Attorney General, Chief Justice, Secretary, and Treasurer are elected in the spring semester to serve the next academic year. Shortly after elections, the SGA President makes committee chair assignments. For more information, please contact the SGA President.

Student Senate

The Student Senate makes up the legislative branch of the Student Government. Senators are elected from residence halls, student organizations, and academic colleges or schools. Commuter students may petition to become a member of the Senate through the SGA vice president, as directed by SGA attorney general. One commuter senator is elected/appointed for every 200 commuting students, not to exceed 10 senators.

The Vice President of the SGA presides over the Senate, tackling issues like residence hall visitation, cafeteria quality, and other student issues. The Senate is a very distinguishing and rewarding way to make a difference on campus. For more information, please contact the SGA Vice President.

Student Court

The Student Court, the judicial branch of SGA, is charged with the interpretation of the SGA constitution and the election code. The Student Court conducts hearings and reach decisions on student parking appeals along with hearing cases dealing with grievance between individual students and groups of students, groups of students, and conduct impeachment proceedings. Justices are selected by application by the SGA Executive Cabinet. For more information, please contact the SGA Chief Justice.

Student Organizations

Student Organizations at Delta State University (DSU) play an important role in engaging students with leadership and involvement opportunities. The Office of Student Life encourages each student to consider getting involved in at least one student organization. Research has shown that getting involved on campus has a direct effect on retention and academic success. There are currently over 60 active student organizations on campus that give students the chance to meet new friends, participate in a variety of fun and educational activities, and often provide service opportunities for students to give back to DSU and the MS Delta community. To see the list of all current student organizations, please visit www.deltastate.edu/student-life.

Official Recognition of Student Organizations

Professional, social, and spiritual growth is encouraged through participation in student organizations. Students are encouraged to establish and join clubs and organizations and enjoy the fellowship and services provided.

A group of students desiring to form a student organization may petition to do so by submitting a letter of petition to the Director of Student Development, along with a letter requesting official recognition. The petition should include the following:

- A statement of purpose
- A constitution for the petitioning group
- A list of officers for the petitioning group including contact information
- The name of a faculty/staff advisor including contact information

The constitution should cover, in detail, officer duties, membership qualifications; intake procedures, etc. Once the Director of Student Development has reviewed the constitution, it will be sent to one of the university's editors for clearance. After the constitution has been cleared, the Committee on Student Organizations will be convened. Official recognition of the group will be granted when the Vice President for Student Affairs approves the recommendation of this Committee. The policy for forming student Greek lettered social organizations should be discussed with the appropriate Greek advisor prior to application.

Rights and Privileges

The most important privilege that accompanies recognition as a student organization is the official association with Delta State University. Additionally, organizations who are recognized may use university facilities without charge*, may advertise activities on the official university calendar, may take advantage of university services, and may congregate without special permission from the university officials.

*A refundable deposit may be assessed when appropriate.

Responsibilities

As a DSU registered organization, your group has certain rights and privileges. With these privileges come certain responsibilities to maintain your organization's registered status. Those responsibilities include:

1. Each organization will comply with federal, state, and local laws and codes.
2. Each organization is responsible for the activities and/or actions of non-student members and guests while participating in any function sponsored by that organization.
3. Organizational information must be kept current with the Office of Student Life. In order to do so, be familiar with the procedures under the heading "Annual Registration of Student Organization" in the Student Organization Handbook.
4. All organizations are responsible for the planning, supervising, and ensuring the safe operations of each of their hosted programs.
5. All organizations should function using sound financial management and are responsible for any debts that may occur, including those to DSU.
6. Your organization must maintain an advisor at all times. If at any time your organization finds itself without an advisor and is having trouble finding one, please contact the Office of Student Life immediately and we may be able to assist you in the your search.
7. Your organization must register and actively participate in the Annual Leadership Retreat

Sanctions and Discipline

All organizations are subject to the rules and regulations contained within this handbook. Organizations are also subject to the rules and regulations found within the Delta State University Student Handbook. Non-Greek groups who violate policies of the university are subject to discipline imposed by the Committee on Student Organizations, the Vice President for Student Affairs, or an appropriate disciplinary or judicial officer. Greek organizations that violate policies of the university are subject to discipline imposed by appropriate disciplinary or judicial officer. This does not preclude additional action by other self-imposed entities. (I.e. the Greek Judicial Boards within the governing bodies)

The Committee on Student Organizations and other appropriate discipline officers or organizations have the right to recommend to the Vice President for Student Affairs that an organization's recognition be withdrawn if serious or continual violation of university policy occurs.

Greek Life

The Greek System at Delta State University has been established to assist the student in the achievement of his/her educational aims. Fraternities and sororities enable a person to broaden intellectually and socially by working with people of diverse backgrounds dedicated to common goals. The groups offer many opportunities to develop leadership and responsibility and to participate in a varied social program. During the years of their growth at Delta State, the fraternities and sororities have been involved in many outstanding activities such as community service projects, Homecoming festivities, charity benefits, and other events on the University campus.

Sororities and Fraternities

- The Panhellenic Council on behalf of the National Panhellenic Conference (NPC) governs three sororities, Delta Delta Delta, Kappa Delta, and Phi Mu. Panhellenic Council conducts Formal Membership Recruitment the week preceding the Fall Semester.

Informal Recruitment and Intake may continue as needed throughout the year for all Greek groups. All students must be officially registered with the appropriate university Greek Advisor prior to the beginning of any kind of Recruitment activities.

Additional information about our Councils, Chapters, and Advisors may be found throughout the Greek Life webpages at www.deltastate.edu/GreekLife. Please contact the Office of Student Life by phone at 662.846.4666 for further details.

Article XIV. Amendment of Bylaws

Article XV. Dissolution

This Association shall be dissolved when only one regular member chapter exists at Delta State University. - Recruitment Rules
- Social Events
- Traditions (i.e., Homecoming, Advisors, Installation, Service Projects, etc.)

Religious Life Activities

God's Anointed Voices (GAV)

Mission: To make clear what it means to know Jesus Christ as a life-giving fragrant.

2 Corinthians 2:14-16 GW

GAV is a non-denominational choir ministry that seeks to provide an on-campus experience that motivates and encourages students to grow in God and seek Him in their daily lives, education, and future while glorifying HIM through song. The organization's goal is to provide helpful tools that will help students in their spiritual life by providing weekly student-led prayer and bible student sessions as an extension of our ministry.

Latter-day Saint Student Association

The Latter-day Saint Student Association (LDSSA), established under the direction of the Seminaries and Institutes of Religion of The Church of Jesus Christ of Latter-day Saints, is designed to help Delta State students have a balanced secular and spiritual educational experience during their years of formal education. The purpose of LDSSA is to first encourage and support members in achieving academic goals and maintaining a balanced life while on campus. Second, encourage members to become an influence for good by participating in service activities on campus and in the community. Third, the organization provides members with meaningful service opportunities along with social and religious activities that are consistent with LDSSA standards. Fourth, LDSSA promotes traditional moral values. Membership is open to all students enrolled at Delta State University who espouse the purposes and standards of the LDSSA as stated within its Constitution.

DSU Wesley Foundation

The Delta State University Wesley Foundation is a campus ministry for Delta State students. It is administered by The Mississippi Annual Conference Committee on Higher Education and Campus Ministry and a local DSU Wesley Foundation Board of Directors. The Wesley provides a house for students to come to for worship and fellowship in a Christian environment. It operates under the direction of the Wesley Foundation Director/Minister. The Wesley's mission is to reflect the light and love of Jesus, to be a place of worship, spiritual growth and discipleship, and to offer grace and acceptance to every student at Delta State University. The Wesley Foundation's intent is to provide a campus ministry in the name of Christ to all students and facilitate a faith-oriented educational experience, based on Wesleyan principles, for students, including ministering to students, spiritual counseling, providing faith-based outreach events, providing a place of worship to experience fellowship with others and growth in faith.

Reformed University Fellowship (RUF)

RUF is the college campus ministry of the Presbyterian Church of America (PCA). Though we are sent to the campus by the PCA, we seek to share the love and grace of God with students from all religious or denominational backgrounds. Our stated purpose is to reach students for Christ and equip them to serve Him.

Jesus said, "I am making all things new!" RUF was born out of a desire not to abandon the campus, nor to be lost in it. It is the dream of RUF to be a ministry "for our campus", not for ourselves. This hope is founded in the belief that the gospel can change any person and any place.

Our leading question is not "what kind of ministry can we be?" but rather "what kind of university can this be?" Our dream is to see DSU (both her people and institutions) transformed by the power and beauty of the presence of Christ.

Baptist Student Union

The Baptist Student Union (BSU) is a campus ministry that is open to all students of Delta State University. Our vision is for students **to know Christ and make Him known.**

The Office of Financial Aid

Welcome to Delta State University, home of the Statesmen and the Fighting Okra!! Paying for college can be scary and intimidating but we are here to help you get all that you are eligible to receive and complete school. We are not able to guarantee there won't be money out of your pocket or that you will always have a refund, but we will work with you and your parents to get as much aid as possible and help you get close to what is owed. Filling out the FAFSA is the best way to determine what you are eligible to receive. You can fill out the FAFSA in October of every year and you will use the income tax information that you completed in April of the same year. We strongly encourage you to use the IRS Data Retrieval Tool located inside the FAFSA. This tool will allow you to link to the IRS and pull the needed tax information into your FAFSA. Using this tool will keep the Financial Aid office from asking for extra paperwork and will speed up the awarding process.

Always know that we were put here to assist all students in obtaining federal aid but we caution you to borrow only what is needed to complete the year. Loans are certainly a necessity for some students, but they are not always terrible because you, the student, (and sometimes, you, the parent), are investing in yourself. You are saying, "I can go to school to get an education that will allow me to get a job making enough money to pay back the student loans without hardship" But if you do not need student loans please do not take them out because eventually you will have to pay them back.

I encourage you to go through our web site. Make sure you understand our expectations regarding your grades and hours completed. Before you withdraw from classes make sure you come and talk to us, because it can have a negative impact on your Federal Aid. Our website is located at this link: <http://www.deltastate.edu/student-life/financial-aid/>

As the Director of Financial Aid, I am continuously striving to offer the best customer service to our students. We have counselors available every day from 8:00 to 5:00 that are knowledgeable and are here to help you. (They used to be you, so they understand where you are coming from) Never hesitate to contact our office if you have questions. In the Financial Aid world, there are never any questions that shouldn't be asked. If you do not understand something then we certainly want you to ask us and then give us the opportunity to help you understand. We can be reached by phone at 662-846-4670 or you can email us at finaid@deltastate.edu

We want you to enjoy your time at DSU and look forward to working with you while you are here. Join in and Stand out!!

Sincerely,

Christie Rocconi

Student Financial Assistance

The Free Application for Federal Student Aid (FAFSA) is your application for federal student aid. The FAFSA uses your and your parent's income, household size, age of the oldest parent, as well as other factors to determine your Expected Family Contribution (EFC). The EFC is used to determine your eligibility for grants – free money, loans – borrowed money, and work study – money that a student can earn. Delta State awards the Federal Pell Grant, FSEOG, Subsidized and Unsubsidized student loans, and Federal Work Study based on a student's FAFSA application.

To Apply:

Create a Federal Student Aid ID

1. Before filling out the FAFSA, students should create an FSA ID. The FSA ID has replaced the Federal Student Aid PIN and must be used to log in to certain U.S. Department of Education websites. Your FSA ID confirms your identity when you access your financial aid information and electronically sign Federal Student Aid documents. If you do not already have an FSA ID, you can create one when logging into fafsa.ed.gov, the National Student Loan Database (NSLDS) at www.nsls.ed.gov, StudentLoans.gov, StudentAid.gov, and Agreement to Serve (ATS) at www.teach-ats.ed.gov.
2. When logging into one of the websites listed above, click the link to create an FSA ID.
3. Create a username and password, and enter your e-mail address.
4. Enter your name, date of birth, Social Security number, contact information, and challenge questions and answers.
5. If you have a Federal Student Aid PIN, you will be able to enter it and link it to your FSA ID. You can still create an FSA ID if you have forgotten or do not have a PIN.
6. Review your information, and read and accept the terms and conditions.
7. Confirm your e-mail address using the secure code, which will be sent to the e-mail address you entered when you created your FSA ID. Once you verify your e-mail address, you can use it instead of your username to log into the websites.

You can use your FSA ID to sign in right away. Once the Social Security Administration verifies your information in 1-3 days, or if you have linked your PIN to your FSA ID, you will be able to use your FSA ID to access the websites listed above. There is a video walk through at this link: <http://www.deltastate.edu/student-life/financial-aid/application-process/>

Apply for Federal Assistance

Each year, students must complete the Free Application for Financial Aid ([FAFSA](http://fafsa.ed.gov)). This application will ask questions about the income of the parents and student, the size of the family, and assets. The application can be submitted online.

Student Aid Report (SAR)

The federal government will take that data and provide information electronically to the school so that the amount of grant, loan, and federal work study can be determined for that student. Students can list up to ten schools on their application.

The student will receive SAR information via:

- **EMAIL** – If an email address is provided, a link will be sent to an online SAR that can be accessed by providing a SSN, date of birth, and first two letters of their last name.
- **PAPER** – Students that apply on paper and do not provide an email address will receive a paper SAR.
- **ACKNOWLEDGEMENT** – Students who apply electronically but do not provide an e-mail address will receive a SAR Acknowledgement, which is less detailed and cannot be used for corrections.

Delta State will review the information and determine what additional documents are needed. Copies of tax returns, institutional forms, a copy of your social security card, a copy of your marriage license, or other documents may be required.

Once all required documents are received by Delta State, the student will be notified with an award letter of how much grant, loan, or work study they can receive.

Mid-Year Transfer Students

Students who are transferring to Delta State must have their FAFSA application sent to Delta State. To have your FAFSA application sent to Delta State, add Delta State's school code to your FAFSA. The school code is 002403. Once Delta State receives the FAFSA application, the Financial Aid Office will determine what required documentation is needed to complete your application.

No financial aid will be awarded without the Delta State Supplemental Awarding Information Form. It is available to print on the Financial Aid Forms page.

Attention: the award information you received at another school will not be sent to Delta State. You must complete the information above for Delta State to award any eligible federal student grants, loans, and/or work study.

Grants

Federal Pell Grants

Federal Pell Grants are the most need-based of the student aid programs. This program provides grant aid to low and middle-income undergraduate students. Awards vary depending on the cost of attendance and financial circumstances of students and their families. Pell grants do not have to be repaid. Based on changes made to the Title IV student aid program by the recently enacted Consolidated Appropriations Act of 2012, undergraduate students can only receive a Federal Pell Grant for up to 12 semesters (or its equivalent).

Federal Supplemental Educational Opportunity Grants (FSEOG)

Participating schools award FSEOG to undergraduate students with exceptional financial need, based on the availability of funds. FSEOG awards for Delta State University usually ranges from \$100 – \$600 per year. FSEOG does not have to be repaid.

Federal Work Study

What?

Federal Work Study provides jobs for students with financial needs, allowing them to earn money to pay education expenses. Work study award amounts must be earned before they can be applied to the student account, so initial fees at registration will not be covered.

Who?

Approximately 300 students are awarded work study amounts each year at Delta State.

When?

Most students work 8-10 hours per week. Paychecks are issued on the 15th of each month.

I qualify!

If you have been awarded Federal Work Study, follow these steps:

1. Contact the department(s) that you would be interested in working for directly to determine if they have openings and would like to hire you for their department.
2. Find an opening and complete any additional paperwork the department may have for you.
3. Be prepared to show your original social security card and a picture ID.

A student who is eligible for work study can find a job by either using Statemen Connect or contacting Career Services in Union 300. Students normally work 8-10 hours per week and are paid the 15th of the following month for hours worked.

Loans

Federal Direct Loans

Subsidized student loans do not earn interest while the student is enrolled in school; whereas, unsubsidized student loans do earn interest from the moment the loan is disbursed. Delta State automatically awards every student a student loan. At Delta State, the majority of our students do accept student loans. However, we encourage as many students as possible to remain debt free by cancelling student loans for free money such as grants, scholarships, and work study.

There are two types of Federal Direct Loans: **Subsidized Stafford Loan and the Federal Direct Unsubsidized Loan**. The Subsidized Stafford Loan has a variable interest rate of up to 8.25%. It is for part-time or full-time students and the loan does not accrue interest as long as the student is continually enrolled in 6 or more credit hours per semester. The Unsubsidized Stafford loan has a variable interest rate of up to 8.25%. Eligibility is ensured regardless of family income. Interest begins accumulating immediately while enrolled, but there are several repayment options are available. To apply, students must complete a FAFSA application (fafsa.ed.gov) for each school to determine eligibility for direct loans. (Loans must be repaid.) All students that receive a student loan must visit studentloans.gov to complete a new Master Promissory Note and new Loan Entrance Counseling. Loan funds cannot be paid to a student until this occurs.

Direct Student Loan Maximums

Many students do not qualify for the maximum loan amount. The maximum is the most a student might be able to borrow. Many students are eligible for an amount less than the maximum.

Dependent Undergraduates

| Classification | Subsidized | Total (Subsidized & Unsubsidized) |
|----------------|------------|-----------------------------------|
| Freshman | \$3,500 | \$5,500 |
| Sophomore | \$4,500 | \$6,500 |
| Junior, Senior | \$5,500 | \$7,500 |

Independent Undergraduates

| Classification | Subsidized | Total (Subsidized & Unsubsidized) |
|----------------|------------|-----------------------------------|
| Freshman | \$3,500 | \$9,500 |
| Sophomore | \$4,500 | \$10,500 |
| Junior, Senior | \$5,500 | \$12,500 |

Federal Perkins Loan

A Federal Perkins Loan is a low-interest (5%) loan for students with exceptional financial need. Delta State is your lender, and the loan is made with government funds with a share contributed by the school.

The Perkins Loan will be repaid to Delta State beginning 9 months after you graduate, leave school, or drop below half-time status. Your monthly payment amount will depend on the size of your debt and the length of your repayment period.

Federal Parent Plus Loan

Parents with a good credit history may be eligible for a loan to pay the education expenses of each child who is a dependent undergraduate student enrolled at least part-time.

Apply!

Sign in at studentloans.gov to endorse a PLUS loan. The parent will sign into this site with their FSA ID to apply for the PLUS loan.

Approved?

A PLUS Loan application will be certified by Delta State and forwarded to the Department of Education. Loan funds will be sent to Delta State at the beginning of the semester.

Not Approved?

Financial Aid counselors will determine if you are eligible for other financial aid funds.

Borrowers have the certain rights and responsibilities and the student loan code of conduct that can be found at this link: <http://www.deltastate.edu/student-life/financial-aid/grants-loans/>

Over Awards

An over award occurs when a student's award package has exceeded either the unmet need or cost of attendance, depending on the type of aid that has been awarded. To prevent over awards, it is important to notify the Office of Student Financial Assistance of any potential awards not already listed on the student's financial aid award letter. In the event of an over award, a student's award is reduced to eliminate the over award, which may result in a repayment of the over award.

Refund Balance

Do you have a refund balance? Double-check your student account for a refund balance or credit. If a refund is available it may be received at Student Business Services in Kent Wyatt Hall.

Helpful Hints

Apply early to be considered for the full range of financial aid available each year by completing the Free Application for Federal Student Aid (FAFSA). The processed results of the FAFSA must be received by DSU from the federal processor by March 1 to meet our application priority deadline date.

Make a copy of tax return forms before submission to IRS.

Start a folder to save financial aid information and photocopies of all documents filed and received. Include student's name and ID number on all documents submitted.

Maintain a current address with the Registrar's Office.

Complete all items necessary to apply for both a Federal Pell Grant and a Federal Direct Loan, even if it doesn't seem advantageous at the time. The law requires that students be considered for a grant before a loan is offered.

Respond promptly to all information requests from our office.

Academic Standards

Students who receive financial aid at Delta State University must conform to the standards for Satisfactory Academic Progress set by the University and outlined here. These standards encourage students to successfully complete their educational goals in a timely manner. It is important to remember that this SAP policy is administered by the Office of Student Financial Assistance and is separate from the Scholastic Standards administered by the Office of the Vice-President for Academic Affairs.

These guidelines apply to ALL Title IV aid: Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, Leveraging Educational Assistance Partnership (LEAP) Grants, Federal Perkins Loans, Federal Work Study, Federal Stafford Loans, and Federal PLUS Loans.

Undergraduate Students

The minimum academic standards an undergraduate student must meet in order to receive financial assistance are illustrated in this chart:

Minimum Qualitative Academic Standards

| Overall Hours Attempted | Delta State Grade Point Average |
|--------------------------------|--|
| 0 – 29 | 1.60 |
| 30 – 59 | 1.80 |

| 0 – 29 | 50% |
| 30 – 59 | 60% |
| 60 – 89 | 70% |

Graduate Students

The minimum academic standards a graduate student must meet in order to receive financial assistance are illustrated below:

Minimum Qualitative Academic Standards

| Overall Graduate Hours Attempted | Delta State Grade Point Average |
|---|--|
| 0 – 6 | 2.50 |
| 7 – 11 | 2.75 |
| 12+ | 3.00 |

Minimum Quantitative Standards

| Graduate Hours Attempted | Ratio of Hours Passed |

Suspension, Probation, Appeals and More

- 1) Students who receive financial assistance but do not successfully complete all hours attempted, may be placed on financial aid hold/suspension. W's and F's are not considered successful completions.
- 2) Students who receive financial assistance and then withdraw from school will be placed on financial aid suspension. Students on suspension are not eligible to receive financial aid. W's and F's are not considered successful completions.
- 3) Students who have earned I's are ineligible for financial aid the following term because an I is not considered a passing grade. Financial aid will be reinstated once the student completes the course requirements and receives a grade. Should the student fail to obtain grades in the courses in question, he will be responsible for all fees.
- 4) Financial aid is not awarded for audits. Therefore, a student may be required to repay any financial aid awarded for a course that is changed to an audit at a later time during the term if that change results in the student's enrollment being less than full-time.
- 5) Students may use financial aid funds to cover the first repeat of a course. Up to 12 hours may be repeated during the undergraduate career under these financial aid guidelines. Ineligibility for all or a portion of financial aid funds based on this policy cannot be appealed. A class that a student registers for and subsequently drops, is included in the number of repeats of a course.
- 6) Students who have been granted full admission with academic deficiencies must participate in a Summer Developmental Program to remove those academic deficiencies. Financial assistance is available for this program. If deficiencies are still evident after completion of the Summer Developmental Program, a student will not be eligible for re-admission and any financial assistance offered for an up-coming term will be cancelled.
- 7) Students admitted to Delta State University in the Over 21 program are not eligible for federal financial aid until they have successfully completed twelve (12) semester hours with at least a 2.0 grade point average at Delta State. Additional information about this program can be obtained in the Admissions office.

8) Federal regulations require that a student complete the requirements for one undergraduate degree within a 150% time frame. For purposes of monitoring satisfactory academic progress within this 150% period, we have assumed that 130 hours are required for an undergraduate degree; therefore, 195 hours attempted would constitute the maximum (150%) allowable hours in pursuit of an undergraduate degree. Aid may be granted for up to 195 hours of course work provided those courses are required for completion of a degree. Students who have attempted more than 160 hours will be required to complete an appeal and attach a copy of the Application for Degree from the Dean of their school and a Transcript Evaluation from the Registrar's office.

9) Students who are pursuing a second undergraduate degree must submit a list of courses required to complete their second undergraduate degree. This can be obtained from their advisor or Dean.

10) A student's financial aid may be suspended if their enrollment record indicates to the financial aid staff/director a recurring pattern. This may include, but is not limited to: course drops, withdrawal from school, degree progress.

11) Students whose Delta State grade point average for any one semester is a 1.00 or less may be placed on financial aid probation or suspension.

Academic progress will be evaluated at the end of each semester. Students will be notified in writing of any action taken regarding their loss of eligibility for financial assistance. The hours attempted and GPA as reported in the computer database of Delta State University will be the only official record accepted for all satisfactory academic progress determinations. If there is an error discovered, the student should contact the Registrar's office before notifying the Student Financial Assistance Office.

Students may be placed on financial aid probation for one academic semester. Students may receive aid during their probation status after signing and returning their financial aid probation letter.

Students may be placed on financial aid suspension for one or more academic semesters. Students on financial aid suspension cannot receive financial assistance.

All students have the right to appeal decisions regarding holds/suspensions of financial assistance. A student may file an appeal by completing a Request for Reinstatement of Financial Aid form with appropriate documentation. Requests for reinstatement should be submitted at least ten (10) working days prior to the last day to register. All requests will be reviewed within ten working days of submission to the SFA office provided they are properly completed and documented.

Students who are denied reinstatement of financial aid funds may be reinstated to good standing for financial aid purposes as soon as they are once again making satisfactory progress as outlined in this policy. Those students who attempt to reinstate eligibility after being denied must do so without benefit of financial assistance from any of the Title IV funds and must improve their standing while attending Delta State unless otherwise advised by the DSU Financial Aid staff/director.

Withdrawals

Students should be aware that if they withdraw from the university after having received financial assistance, they may have to repay a portion of that assistance. Students who receive Federal Stafford Loans should also know that the Office of Student Financial Assistance is required to notify lenders of student withdrawals.

Office of the Registrar

As the central point for student records, the Registrar's office serves Delta State's students through a variety of services. Our team assists in areas including enrollment, academic records, graduation (degree certification and diplomas), grades, transfer credit, transcripts orders, student-athletes and veteran certifications, and much more. Although our staff is always ready to help, our online homepage (<http://www.deltastate.edu/academic-affairs/registrars-office/>) offers a variety of self-service option. Our office is located in Kent Watt Hall in Suite in 152, or we can be reached by phone at 662-846-4040.

Let's take a look at some of the services offered through our office:

Register for Classes

Before you can register for your classes, you will need to obtain your Alternate PIN from your advisor. No one else can provide this number to you. This PIN is different from the one you use to log in to your **DSU Online** services. It is a temporary PIN that is populated each term and only used for registration purposes. Once you have the Alt PIN and know what courses you want to take, you will log in to **DSU Online** services to register. You can select the "**Register for Classes**" button on the Registrar's homepage or click on the **MyDSU** option on the <http://www.deltastate.edu/> homepage to access the login screen.

In order to login to **DSU Online** services, you will need your student ID (900#) and PIN. If it is your first time logging in to the service, your PIN will be your Date-of-Birth in the two digit format (MMDDYY). If you have previously logged in and changed your PIN, use your personalized PIN. Should you forget your PIN and not be able to log in, you can reset it by selecting the "**Forgot PIN?**" button. If you are still having trouble, contact our office and we will reset your PIN to default back to your Date-of-Birth.

Once you have logged in to **DSU Online** services, you will select **Student Services & Financial Aid**, then **Registration**. Under **Registration** you will find the option to **Add/Drop Classes** and **Look-up Classes to Add**. You can also view your schedule by day & time, or by detail. Remember, you can only register using the online service during the scheduled registration time. To get started click on the **Select Term** option and select the current term of registration. You will then be asked to enter the Alt PIN, obtained from your advisor. Once you have accessed the registration screen, you will be able to add your courses using the CRN number.

What should you do if you try to register, and receive a notice that you have a hold on your account that is preventing you from registering? You can either check your holds on **DSU Online** services or call our office to determine who placed the hold. Once you have identified which office placed the hold, you will need to contact them to find out what you need to do to clear the hold. Once all the holds have been removed you will be able to add your classes.

Be aware, if you enroll in more than 19 hours, you will be charged an overload fee. Also, remember, before you drop a class, do the math! Make sure that if you drop a class it will not cause you to drop below your needed hours. Although full-time status is 12 hours, in order to qualify for state financial aid you must remain enrolled in 15 hours.

Should you need to add/drop classes after registration has closed, you can obtain an add/drop form from the Registrar's office or print one yourself by selecting ***Forms and Policies*** on the Registrar's homepage. You will need to make sure you have all of the required signatures and return the form to our office. We will then add/drop you from the requested course.

View Grades

To view your grades you can select the ***View Your Grades*** button on the Registrar's home page, and then login to ***DSU Online*** services. Once you have logged in, select ***Student Services & Financial Aid***, and then select ***Student Records***. Here you will be able to view your midterm grades, final grades, and a copy of your unofficial transcripts, as long as there are no holds on your account.

Transfer Students

We accept transfer credits from all accredited colleges/universities. Although we accept most general courses, there are a limited number of technical courses we accept. There is also a limit on the number of duplicated course you can transfer. For example, you will only be able to transfer in one varsity sport credit per year. We will need an official transcript from ALL of the previous institutions you attended.

If you select to repeat a course, the current grade for that course will be counted in your GPA. The previously taken course, whether transferred in, or taken at DSU, will be excluded from the GPA average, but still appear on the transcript.

Request Transcripts

You can view and print an unofficial copy of your transcript by logging in to ***DSU Online*** services. Select the ***myDSU*** option, at the top of the Delta State University homepage. Once you have logged in, select ***Student Services & Financial Aid***, and then select ***Student Records***, and finally select ***Academic Transcripts***.

To obtain an official copy of your transcript select the ***Request Transcript*** button in the middle of the Registrar's homepage, or go directly to ***Transcripts on Demand***'s webpage at <https://iwantmytranscript.com/deltastate>. If you have never used ***Transcripts on Demand***, you will need to set up an account by clicking on the ***sign up*** button. If you have previously used the service, sign in using the email and password you used to set up your service through ***Transcripts on Demand***. If you have technical difficulty with their services, you can contact them directly by calling 1-847-716-3805.

Veteran Students (Tuition Assistance)

The Registrar's office also houses the Veteran's Benefits office. The Registrar will help the veterans apply for and manage their benefits. To access information on Veterans Education Benefits, students can click on the ***Veteran Students*** option, on the left side of the Registrar's homepage. On this page, veteran students will find important information, such as, the 60% Refund Policy, VA Information Form, VA Verification forms, VA application, and a host of other resources.

Enrollment Verification

Instruction for how to obtain enrollment verification through the *National Student Clearinghouse* is also located on the Registrar's homepage. To access this form go to *myDSU* and login in to the *DSU Online* services. From here, you will select *Student Services & Financial Aid*, and then select *Student Records*, next select *Enrollment Verification*, and finally select *View Enrollment Status*. You will be redirected to the *National Student Clearinghouse* website where you can follow the instructions to obtain the verification form.

Other Services

The Registrar's office homepage provides a host of other helpful information. The *Curriculum Check sheets* are a valuable tool that will allow you to monitor the courses you are taking and make sure they are necessary for your major. Under the *Forms and Policies* you will find information such as; Confidentiality Holds, Change Major Instructions and Forms, FERPA Notification of Rights, etc.

Apply for Graduation

The Registrar's office plays an integral part in your education when you are ready to graduate. You should apply for graduation at least two semesters in advance of the semester you are eligible to graduate. The current term's commencement information is located on the Registrars website under the *Graduation* tab. To apply, login in to the *DSU Online* services. From here, you will select *Student Services & Financial Aid*, and then select *Student Records* and finally, select *Apply to Graduate*.

Make sure you meet with your advisor prior to graduation to ensure you have met all the requirements of your degree. Once you have been approved for graduation, you will need to pay your graduation fees to the business office. If you intend to walk in the graduation ceremony, you will also need to order your cap and gown through the campus bookstore. Be sure to pick up your regalia prior to the ceremony and return it to the designated area following the graduation.

All diplomas will be mailed unless otherwise indicated notifying the Registrar's office prior to the mail-out. Please see the *Commencement Information* sheet on the Registrar's homepage form more information.

Prior to graduation all students who received Federal Direct Subsidized or Unsubsidized loans must attend exit interviews through the Financial Aid department. Contact their office at 662-846-4670 to schedule your appointment. Also, students receiving Perkins Loans will need to attend exit interviews through the Student Business Services. Call 662-846-4698 for times and locations.

Each graduate will receive a specific number of guest tickets. NO guest will be allowed to attend the ceremony without a ticket as there are a limited number of available seats. You will be able to pick up your tickets in the Registrar's office the week prior to the ceremony.

This overview is provided as an example of some of the resources available through the Registrar's office. From enrollment through graduation, we are committed to being at your service every step of the way. For more information, please feel free to contact us at 662-846-4040 or at Registrar@deltastate.edu.

Academic Advising Services – *Map Your Course!*

We offer a wide range of advising tools and resources for students, faculty, and staff. We assist undecided students with course selection and schedule advisement, while allowing them to test the waters in a degree program they wish to pursue. We also provide resources for university faculty and staff to support effective academic advising.

Unsure of what major you want to pursue and courses to take? No problem! The Coordinator of Academic Advising Services serves as the academic advisor for undeclared majors and assists them in choosing a major. We are here to assist you with course scheduling and advisement, giving you time to explore and find the degree that best suits you. DSU requires you to take certain basic courses (General Education) regardless of your major. Undeclared academic advising allows you to complete those requirements while exploring your options.

To learn more about all the majors that DSU offers and their requirements, check out our Meta-Majors and Academic Maps. These are structured, semester-by-semester schedules that show when each course should be taken throughout an academic program and can be used when you are making decisions about which classes to take. Undeclared students may select a Meta-Major, which will allow undeclared students to stay on track by taking courses that count for multiple degree areas before choosing their major.

Stay Okra Strong (S.O.S)

The S.O.S. (Stay Okra Strong) early alert system is an integral part of Academic Advising Services. The intervention system helps identify and assist at-risk students through organized outreach, led by the Student Support Specialist. You can alert an at-risk peer, and the team will follow-up with next steps. Students who are at-risk may be experiencing behaviors such as skipping class, expressing frustration, or lack of motivation, just to name a few. You can choose to remain anonymous in alerting our team, but we encourage you to “Let Us Know!”

First Year Seminar – Discover Your Course!

First Year Seminar (FYS) is a course that introduces you as a 1st semester DSU student to the tools and resources available campus wide that, when properly utilized, helps you reach your ultimate college journey destination: GRADUATION. It explores various topics critical to the development of academic, social, and life-skills such as effective note-taking, time-management, conflict resolution, and cultural competency. It also assists you in successfully navigating university resources and procedures, developing basic academic skills, and finding your unique place as part of the DSU community.

There is a Student Peer Mentor component to FYS. The Student Peer Mentors are returning students who have successfully navigated their own first year of college and are willing to share their knowledge with new students. These students are recruited directly by the FYS instructors they serve. This team of students loves DSU, and they want to help you develop that same sense of pride that they have!

Here at Delta State, we feel very strongly that the earlier you begin to feel a part of the DSU family, the more likely you are to experience success here. Your Statesman Journey and your Okra Life begin here – we can't wait to see what you become!

The Delta Center for Culture and Learning

Greetings Delta State Students!

It is my pleasure to introduce The Delta Center for Culture and Learning, a “Center of Excellence” at Delta State University. The Delta Center is the recipient of the [2016 Georgene Clark Diversity Champion Award](#). It manages the Mississippi Delta National Heritage Area in partnership with the National Park Service. It is the home of the International Delta Blues Project funded by the Robert M. Hearin Support Foundation. For eight years running, The Delta Center also has administered the National Endowment for the Humanities “The Most Southern Place on Earth” workshops for K-12 educators.

Whenever possible, we like to engage Delta State University students with our programs. The International Delta Blues Project, in particular, offers excellent opportunities for Delta State University students to learn about and celebrate the Mississippi Delta region’s rich cultural heritage. Students from diverse academic backgrounds have served as volunteers, presenters, and performers at the International Conference on the Blues. The 2016 conference featured GRAMMY Award-nominated Blues artist Cedric Burnside, as well as Lawrence "Boo" Mitchell of Memphis’ Royal Studios, producer of “Uptown Funk,” 2016 GRAMMY Record of the Year. We also hosted a "sold out" free public community screening of the award-winning film "Take Me To the River" with live performances from legendary soul singer William Bell and Memphis-based hip hop artists Al Kapone and Academy Award winner Frayser Boy, among others. The 2017 conference promises to be just as educational and entertaining.

In collaboration with the First Year Seminar program, we have introduced incoming freshmen to educational modules focused on Mississippi Delta culture and history. We encourage all Delta State University students to consider enrolling in the Blues Studies program administered by The Delta Center. For more information, visit www.internationaldeltabluesproject.com.

The Delta Center is proud to serve as a diverse educational and cultural hub that connects, promotes, and empowers people, places, and institutions throughout the Mississippi Delta region.

We look forward to continuing to involve Delta State University students in advancing our mission and our work.

On behalf of The Delta Center, welcome to Delta State University!

Delta State Residence Life puts you in the middle of the action for all campus events and programs. Living on campus will broaden your college experience and provide you will opportunities to make new friends and create memories that will last a lifetime. We are dedicated to making your resident experience the best it can be in a friendly home away from home atmosphere. We promote community building and provide a place for developing, shearing and learning.

University supervised residence halls are provided for men and women students who are enrolled full-time. The following statement of policy is Delta State's official position on residency: On-campus living provides living and learning experiences that enhance the total philosophy of higher education; therefore, Delta State University encourages students to live in University housing facilities. Students find living on campus an exciting educational experience. The Office of Housing & Residence Life supervises all residence halls and family housing. Each residence hall has a director who lives in and supervises the building and its residents.

Delta State University is a tobacco free campus; this includes all residence halls and family housing units.

Modern and well-equipped residence halls are maintained for both men and women. TV cable service is installed in every room on campus including the apartments for family housing. Internet access is available in every room via an Ethernet connection. The DSU Health Center is available to all housing residents. There is no additional charge for any of these services.

The women's residence halls are Lawler-Harkins, Cleveland, Brumby-Castle, Cain-Tatum (south wing) and Foundation Hall (north wing). The men's residence halls are a four-wing Court of Governors (Brewer, Clark, Noel & Longino), Blansett, Cain-Tatum (north wing) and Foundation Hall (east wing).

A deposit of \$50 is required to make a room reservation in the residence halls. This deposit must be paid at Student Business Services, cash, check, money order or credit card payments are accepted. Assignments are made in order of receipt of deposit. A student in residence has first choice both in reservation and room. The Housing Office makes room assignments for admitted applicants only and notifies these applicants when assignments are made. Rooms may be occupied only by students to whom they are assigned. Room transfers must be made and approved prior to moving only at times specified by the Housing Office. Residence hall requests should be made as early as possible and mutual requests must be made at the same time to be guaranteed.

If at any time a forfeiture of or charge against the deposit occurs, the student must immediately repay the deposit in order to retain his/her room or reservation for future housing. Room deposits will not be refunded the first two weeks of any session. If an applicant finds it necessary to cancel a reservation, the deposit is refunded only if the written cancellation reaches the Housing Office before August 1st for the Fall semester, December 1st for the Spring semester, May 15th for Summer I term or June 15th for Summer II term.

Each assignment requires the resident to complete an academic year contract. If a resident is unable to fulfill the terms of the academic year contract, there is a financial penalty, which is half of one semester's room cost.

Each residence hall student is required to select a residence hall meal plan. This plan may be changed within the first week of the term. The meal plan will be added to their student account. Any unused Flex dollars in the fall will roll over into the spring, but will be forfeited at the end of the spring term. Freshman and sophomores are required to have the All Access Plan. If a student neglects to choose a plan, the All Access Plan will be selected for you as a residence hall student.

Private rooms, when available, may be obtained for an additional charge. A student living alone, on the first Friday of each term, will be required to come to the Housing Office for reassignment with a roommate or pay private room fees regardless of the circumstances that caused the single occupancy. You will be charged for a private room from the date you become the only occupant of that room.

Any full time student under 21 years of age, who has completed fewer than 30 college semester hours will be required to live on-campus for one academic year (two semesters). Exceptions are made for married students, single parents, recent war veterans, and for those students who live with their parents or legal guardians and commute from a distance of no more than 30 miles. Married students are required to submit a copy of their marriage license. A single parent is required to submit a copy of the child's birth certificate. Exemption requests must be submitted in writing to the Office of Housing & Residence Life. The written appeal should include your reason for appeal and must be mailed to Housing & Residence Life, DSU Box B-3 Cleveland, MS 38733 or emailed to housing@deltastate.edu. Single freshmen who enroll and are found to be living off campus without an authorized exemption will be billed for one semester's housing fee.

Bedrooms have beds, chests, desks, chairs, a waste can and adequate closet space. Each student is required to furnish sheets, pillowcases, pillow, blankets, bedspreads, towels, laundry bags, mattress covers, and a shower curtain, all of which should be plainly marked with the owner's name.

Each residence hall has a residence hall director and students serving as resident assistants who are striving to make your residence hall experience safe, well-managed, well-maintained, and of course fun!

Refund of Living Expenses

A student withdrawing from the residence hall is entitled to an adjustment to room and board charges based on the number of calendar days since the residence halls officially opened without regard to the date the student actually moved in. The date residence halls open is listed in the calendar and should be very easy to identify and defend.

1st day through the 10th day...75%

11th day through the 20th day...50%

21st day through the 25th day...25%

After 25th day....0%

Charges/Damages

At the time of occupancy the resident will be checked into the room by a member of the residence hall staff and a record will be made of the condition of the room and its contents. The residents are responsible for damages to or loss of any room property. Charges will be assessed for any damages beyond fair wear and tear. All thefts, damage to property, etc. should be reported immediately to the Resident Assistant, Assistant Hall Director, Residence Hall Director, and DSU Police Department. The university is not liable for the loss of or damage to any or all student property regardless of the location on campus.

Inspection of Rooms

The university reserves the right to inspect the living quarters of any student residing in University property at any time that its administrative officials or their agents shall deem such inspection to be in the best interest of the university and/or to protect campus order and the safety and well-being of students, faculty, staff or others.

Holidays & Interims

The residence halls are closed during regular University holidays, including Thanksgiving, Christmas, spring vacation, and interim periods between semesters. Your room rent does not include vacation periods or interim periods.

If you have extenuating circumstances, permission may be granted to live on campus during holidays and semester breaks for an additional charge. For safety and security, you may be assigned to a new room for this period of time. You must request permission ONE WEEK prior to the closing for the holiday or interim period.

The charge will be applied to the student account at the end of the holiday/interim period. The charge will be determined by the “reserved times” indicated on the holiday/interim form completed in the Housing Office, Bailey 108.

Because the residence halls are occupied only by those who have special permission from the Office of Housing & Residence Life, the resident must agree to abide by the following:

- all rules and regulations stated in the current DSU Student Handbook.
- all policies and procedures as stated in the current DSU Bulletin.
- all policies and procedures as stated in any other official publication of the University.
- all notices posted in and around the residence halls.
- all entering and exiting of the residence hall will be through the main entrance doors only.
- the combination for the residence hall will be given to me but I will not share it with anyone else.
- visitors, either male or female, will not be allowed inside the residence hall for any reason.
- any suspicious or emergency situation will be reported immediately to the DSU Police Department at 4155.

General Living

Residents are to turn off lights, appliances, and televisions when leaving their rooms for any length of time. However, hall and lobby lights are left on at night for safety reasons. Anything requiring electricity must be disconnected during holiday periods.

All trash or waste should be deposited daily in appropriate trash containers in designated areas of each residence hall.

Regular fire, safety, and room checks will be made in every residence hall to determine if all safety regulations and expected standards of cleanliness are being observed. Repeated violations of this code will result in disciplinary action.

Between 5:00 p.m. and 7:00 a.m., residents of all residence halls must use only combination/card access doors to enter or exit the residence halls. Other doors may be used only in case of emergency. Doors may not be propped open except during busy check-in and check-out days. Violators will be subject to disciplinary action.

All thefts, damage to property, etc. should be reported immediately to the resident assistant, residence hall director, and Delta State Police Department. The University is not liable for loss of or damage to any or all student property.

Residents are encouraged to see the hall director before leaving for a holiday in order to document the departure and return times.

Students must remove all personal belongings from the residence hall rooms upon check-out. Housing is not responsible for theft, damage, security of, or storage of personal belongings. This is part of the proper check-out procedure.

Room Condition/Damages

Residents of the Delta State residence halls are allowed to personalize their rooms using the following guidelines and with the approval of the Director of Housing and Residence Life. Housing reserves the right to restrict a resident's use of this policy in certain areas or buildings when necessary.

- **Students will not be allowed to apply wallpaper to walls or any permanent material to the residence hall walls without prior approval from the Director of Housing and Residence Life.**
- **Carpet may be used in the residence hall rooms as long as it is not permanently attached to the floor. Do not use any tape.**
- **Small chests, chairs, lamps, etc. may be added to the room, but any other furniture must be approved by the Director of Housing and Residence Life prior to moving any other furnishings into the residence hall.**
- **No lofts or permanently attached furnishings may be added to the existing residence hall rooms, and no alterations to the existing room may be done without the approval of the Director of Housing and Residence Life.**
- **All tape, tacks, nails, and adhesive material used to hold pictures, posters, etc. on the walls must be removed before the “check-out” process is complete. Charges will be made for wall damage due to tape, tacks, nails, and other adhesive materials.**

The rental and use of a microfridge are subject to the terms of the microfridge rental contract.

Any violation of the above policy may result in the appropriate disciplinary actions as well as charges for room or property damage.

Students are responsible for damaging or mutilating property or equipment in any building whether accidental or intentional and will be assessed for those damages. The assigned occupants of a residence hall room are financially responsible for all property that is a part of that room. Residents must be checked in and checked out by a member of the housing staff and are held accountable for any damage that occurs while living there. Students must sign the check-in sheet upon moving into the room and must also sign the check-out sheet when moving out of the room. The signature verifies acceptance of the documented condition of the room property. Residents must make an appointment for check-out with the resident assistant or hall director at least 24 hours in advance. Students are also responsible for any mutilation or defacement of lobby areas and furnishings. Room deposits will not be refunded or will be forfeited if the proper check-in or check-out procedure is not followed. Turning in the room key does not constitute the proper check-out procedure. Student housing charges are based on the dates provided on the check-in/check-out sheet. Dates are based upon occupancy. Officially checking in and/or leaving personal belongings in a room without officially checking-out constitutes occupancy.

Visitation

Members of the opposite sex will be allowed to visit in the rooms only during visitation. Visitors may visit in the residence hall lobby from 12:00 noon to 1 a.m. unless otherwise posted. From 5:00 P.M. – 1 A.M. a desk assistant must be on duty for lobby visitation.

Students may have an overnight guest of their own sex in their residence hall rooms only after registration with the director of that residence hall. However, the housing office discourages overnight guest during week nights – Sunday through Thursday. Guests will be subject to the same code of conduct expected of the student host or hostess and must be registered with the residence hall director. No guest under 12 years old is permitted.

No guest is allowed during holiday or interim periods. Students will be charged if the guests are not properly registered at the rate of \$10.00 per night. All of this includes students from one residence hall visiting in another residence hall.

Permissions and Prohibitions

- Pets and other animals are not permitted in residence halls.
- Halogen lights are not permitted.
- Cooking appliances are limited to microwaves, refrigerators, and coffee makers. These must be closely supervised by the user. After one violation, all privileges will be revoked.

Vehicles which have accumulated three or more unpaid tickets are subject to being immobilized. Immobilized vehicles may be towed after (5) days if fines remain unpaid. An additional fine of \$50 is levied at the time of immobilization. To operate a motor vehicle on the campus is a privilege, not a right, subject to the regulations set forth by the Board of Trustees and administered by the University.

Vehicles with student or employee decals which are repeatedly ticketed for the same violation are subject to being immobilized or towed at the owner's expense after a third ticket for the same violation has been issued—regardless of whether the prior tickets are outstanding or have been paid in full. Please refer to the Code of Conduct section of the Student Handbook and Employee Handbook. The Student Handbook is available online and in the Office of Student Affairs for reference. The Employee Handbook is available through the Office of Human Resources.

Sexual Assault

The Delta State University Police Department provides programs throughout the year to promote awareness of sexual assault, date/ acquaintance rape, and other sex offenses. Prompt reporting of sex offenses is strongly recommended. University Police Officers are available 24 hours a day to assist victims in obtaining medical attention and reporting offenses.

Use of Cell Phone While Operating a Motor Vehicle

As a driver, your first responsibility is the safe operation of the vehicle you are driving. If you must use a cell phone while operating a motor vehicle, please keep in mind the following precautions:

Never dial the phone while driving. If possible, dial while the car is not in motion, such as at a traffic light or stop sign.

Keep calls brief.

Make sure the phone is easy to reach and see.

Learn about the features on your phone, such as voice mail and speed dial.

If a passenger is in the vehicle, let the passenger answer the phone and relay the information to you or take a message for you to return the call at a later time.

Prevention

The Delta State University Police Department has an active crime prevention program which is dedicated to reducing criminal opportunities and encourages the members of the campus community to take responsibility for their own safety and security, and the safety and security of others. Crime prevention programs are available for all students, staff, and faculty. Some of the topics include, but are not limited to personal safety and property security, alcohol and DUI awareness, drug abuse awareness, fire safety, sexual assault/date rape prevention. The Crime Prevention Program also coordinates Operation I.D., which is a program to assist students in identifying and recording property in case of theft. A bicycle registration form is available to students who bring bicycles on campus.

Safety on a college campus is a genuine concern. Delta State offers many different services and crime prevention programs in an effort to continuously improve safety in the university community. Ultimately, each person is responsible for his/her own safety, but practice of preventive methods can help to reduce the probability of one becoming a victim of crime. During the year, the police department will offer workshops and presentations on crime prevention. You should take the opportunity to attend these programs. If you have any questions or comments concerning campus safety, please call us at 662.846.4155 or send an email to police@deltastate.edu.

Reserving University Facilities

H.L. Nowell Union

A centrally located, three-story student union building situated at the south end of the quadrangle was completed in 1974. At the second-floor level, a balcony encircles the building and provides a panoramic view of campus buildings and the landscape. Lounges, patios, study areas, meeting rooms, and banquet rooms are provided for student use and campus meetings. Service areas provide for a bookstore, food court and vending machines, and post office. The Union also houses offices which provide various student services. The building encompasses Scott Hall which first served as the dining hall and later the cafeteria from 1930 to 1966, and from the summer of 1966 to 1974 as the student center. The building is named after H. L. Nowell, who served the university 38 years in a variety of student services positions.

Reserving University Facilities

Only active and registered student organizations may conduct activities on or off campus. The use of university facilities for university related activities must be approved by the Coordinator of University Facilities and Campus Calendar. Any organization that desires to use a campus facility should contact the Coordinator of University Facilities and Campus Calendar for the appropriate forms (H. L. Nowell Union 200).

Statesmen Traditions

Cookouts on the Quad

There seems to always be someone cooking something good on the Quad. We guarantee to entertainment will be fun and the food will be good!

Music Everywhere

The beautiful noise of music can frequently be heard across campus, in buildings, at every event, and even impromptu gatherings. Our talent cannot hide here.

The Okra

A student-created mascot turned legend. Fear of the Okra may not be actual fear, but it's enough to get a crowd going.

History of the Fighting Okra

Delta State, a Division II school with consistently strong athletics, has forever been Statesmen. But, in an inventive generation, the identity now sold on t-shirts, hats, mugs, key chains, banners and even a Beanie Baby is....The Fighting Okra. Sixteen years ago, Delta State baseball players rooted in a rowdy group at basketball games on the Cleveland, MS campus. Creative youngsters found Statesmen a bit boring. They wanted change.

Uniforms are predominantly green, so the hardball suggestion was to become Fighting Algae. "Somebody with common sense suggested that, to rivals, our players would be more grossly labeled Pond Scum," said Delta State sports information director Paul Smith. Baseball boys kept searching for something green "green, Southern and ugly." Soon, the gang began to chant, "Fighting Okra!" Baseballers were so enthused they crashed the locker room at halftime, where stunned basketball chaps were serenaded with bellows of "Okra! Okra!" Smith says the coach thought intruders were yelling, "Oprah! Oprah!" Being more into X's and O's than promos for a TV host, he ejected the cheers. It didn't subside. Other patrons soon picked up the arena cry. Local newspaper writers began calling the hoops facility "Okradome."

Even as Delta State traditionalists lobbied to diminish the Fighting Okra movement, demand kept escalating for a veggie known more scientifically as *Abelmoschus esculentus*. Okra has become a cash cow. Today's symbol is a sneering, grubby piece of okra that wears boxing gloves and perches proudly on paraphernalia sold at the campus bookstore. What a tasty matchup if the Fighting Okra meets Rice.

Springfest...and ALL other FESTS!

Delta State & Cleveland is not shy to have a festival to bring people together for food, fun, and activity. Some festivals include Oktoberfest, Italian Fest, Otherfest, & Crosstie Arts Festival.

Pig Pickin...A Funny Name for a Fun Tradition

Thirty years ago, Mr. Hugh Ellis Walker, along with the rest of the Alumni-Foundation staff, hosted the very first Pig Pickin' at Delta State University. The event was created to celebrate the first home football game of the season. Since then, it has grown into one of the most popular events on campus. Each year, hundreds of Alumni and friends flood back to campus to tailgate, enjoy the live entertainment, watch a little football, and most importantly, sample some of the finest BBQ ever served. This annual event is known for its party, cooking competition, pep rally, and football game. Pig Pickin' is the time to visit!

Expression & Art

Not only can our students sing, they can paint, sculpt, mold, photograph, design, and create. Delta State's beauty is enhanced with works of art from our creative bodies.

Trunk or Treat

Every year some fall fun takes place at the stadium. Kids from around the Cleveland community join in on games, activities, and candy eating with the student body.

Alumni Crawfish Cookout

This event attracts people far and wide, from current students to alumni and friends of the university. A silent auction, entertainment, fun for the kids, and so much more happens here!

Royal Crown Cola

It may not be considered a tradition, but at Delta State, it's not an event if there aren't Royal Crown Cola products present.

Alma Mater

Oh Delta State we cling to the memory
Of happy days we've spent
Of standards high and of friendship dear
Making our life there something to treasure
We have come to sing the praises
Of the old school we love best,
Oh, hail to you, to our dear Alma Mater
Oh, hail to Old Delta State.
