OBJECTIVE

The objective here is to build a career in Geospatial Intelligence and Technology, building on prior experience and education in Digital Cartography, History, and Geoscience.

EXPERIENCE

DELTA STATE GIT CENTER

CLEVELAND, MS

Graduate Assistant/Geospatial Technician

Jan. – Dec. 2019

I performed GIS tasks as assigned. My duties are also to assist lesser experienced students, including those enrolled in GIT Center courses and student co-workers. Helped maintain equipment and software. Performed other tasks including, but not limited to, traveling to support Center activities, cleaning the lab, and running errands associated with Center business. This Institution is accredited by the United States Geospatial Intelligence Foundation.

Spring/Fall Term – 27.5 Hours / wk.

Summer – 40 Hours / wk.

WALMART SUPERCENTER

KOSCIUSKO, MS

Lawn & Garden Seasonal Associate

May – Aug. 2018

I helped customers find what they need in the Lawn & Garden section. I regularly watered and tended to plants in the Nursery. Managed financial transactions at the cash register, and loaded materials into customer vehicles when needed. I also assembled products for the floor, such as grills, lawn mowers, and outdoor furniture.

Part-time – 32 Hours / wk.

CAMP LAKE STEPHENS

OXFORD, MS

Assistant Program Director

May – July 2017

I trained Program Staff and Counselors alike while serving as No 2 to the full-time Program Director. I led weekly staff meetings with Program Staff and managed much of the programs available around the camp. My duties also extended to such activities as helping in the operation of the High Ropes Challenge Course and the safe operation of Waterfront activities. Managed according to ACA standards.

DAY CAMP DIRECTOR

May – July 2016

I trained Counselors, planned menus, wrote manuals, and provided medical care for campers and staff alike. I coordinated with a network of Mississippi churches in making visits as part of a Traveling Day Camp program. Managed according to ACA standards.

ADVENTURE CAMP DIRECTOR

May – July 2015

I trained Counselors, planned menus, wrote manuals, and provided medical care for campers for staff alike. Trips I planned included Sea Kayaking, Spelunking, Backpacking, Whitewater Rafting, and Fly Fishing. Managed according to ACA standards.

CAMP HEALTHCARE FACILITATOR

Oct. 2014 – Nov. '17

I worked as the Camp Healthcare Facilitator at numerous weekend retreats between 2014 and 2017. I handled Health Forms, recorded Allergies, and managed on-site injuries. Dispensed designated medication as needed. Managed according to ACA standards.

MISSISSIPPI STATE ATHLETIC DEPARTMENT

MISSISSIPPI STATE, MS

MEDIA RELATIONS INTERN

Aug. 2011 – '13

Author of feature stories and performed interviews for MSU football, baseball, softball, and basketball programs. Editor of many articles and statistics that were published on the MSU Athletics' website. I maintained regular daily office hours, answered phones, and made deliveries, as well.

ASSISTANT EDITOR – SOFTBALL MEDIA GUIDE

Dec. 2011 – Mar. '12

Assistant Editor of the Media Guide that went out to Press Personnel that covered general statistics and player features for the MSU Softball Team.

ASSISTANT EDITOR – FOOTBALL MEDIA GUIDE

Dec. 2011 – Jul. '12

Assistant Editor of the Media Guide that went out to Press Personnel that covered general statistics and player features for the MSU Football Team.

MISSISSIPPI STATE STUDENT ASSOCIATION**MISSISSIPPI STATE, MS****YEARBOOK COPY EDITOR**

Nov. 2012 – Mar. '14

Hired by the Mississippi State Student Association to manage a team of writers for the MSU yearbook "The Reveille." Also worked many MSU events, photographing activities that would be features in the yearbook.

EDUCATION**DELTA STATE UNIVERSITY****CLEVELAND, MS**

M.A.S. GEOSPATIAL INFORMATION TECHNOLOGY

DEC. 2019

MISSISSIPPI STATE UNIVERSITY**MISSISSIPPI STATE, MS**

B.S. GEOSCIENCE

DEC. 2017

MISSISSIPPI STATE UNIVERSITY**MISSISSIPPI STATE, MS**

B.A. HISTORY

MAY 2015

TECHNICAL SKILLS

ArcGIS Products (Online, Pro)	Programming/Scripting (Python, R, Javascript)	Adobe InDesign
QGIS	Notepad ++	Adobe Photoshop Express
SAGA GIS	Microsoft Visual Studio Code	InkScape
OpenStreetMap	Google Drive, Dropbox,	Photopea
Google Earth Pro	OneDrive	Irfan View 4.5
ENVI 5.5	Microsoft Office Suite	

PROJECTS**NGA MTM MAP PRODUCTION, *Delta State GIT Center***

Jan. 2019-

Part of a team performing MTM Map productions for the National Geospatial-Intelligence Agency. Accountable for using the Hexagon US Federal software, Digital Cartographic Studio (DCS) for performing the final edits to be made. The MTM Map productions, after completion, are sent to NGA for use by the Department of Defense.

CITY OF STARKVILLE GENEALOGICAL PROJECT, City of Starkville

Nov. 2016

Used GPS units to log Geospatial Coordinates for headstones in the Fellowship Cemetery of Downtown Starkville, MS. Uploaded the data into ArcMap via an Excel Spreadsheet with information on each headstone for an interactive map to be used by the City of Starkville.
