Subject: Are You Checking Your Emails Frequently?

Dear WMBDC Client,

Emails are a great way to communicate what's going on at the Women Minority Business Development Center. We don't want you to miss out on any trainings, in-person meetings, webinars, announcements, etc. from us. Be sure to check your emails daily (including Spam/Junk) so you will stay abreast of all opportunities we offer to help you grow your business! You never know what could be around the corner!

With Care, The WMBDC Team
