

Mississippi Procurement Technical Assistance Program

*Connecting Mississippi Small
Businesses with Millions of Dollars
in Government Procurement
Contracts Since 1998*

The Mississippi Procurement Technical Assistance Program helps businesses identify, compete for and win federal, state and local government contracts.

The free program includes teaching, mentoring and coaching, and it provides clients with a complete set of tools to research and identify government contracting opportunities.

Through our services, Mississippi small businesses learn how to:

- Conduct market research, find government opportunities and establish relationships with agencies
- Execute SAM and other governmental vendor registrations
- Read and understand government bid and proposal solicitations
- Locate businesses – large and small – to form partnering agreements between firms
- Prepare, review and help finalize a bid or proposal
- Locate technical information and pricing data
- Understand RFID, UID and packaging standards
- Navigate 8(a), HUBZone, WOSB, EDWOSB, DBE certifications and veteran-owned business verification
- Prepare notices for pre-bid conferences, short-list interviews, debriefings and pre-award meetings
- Execute notices of electronic and other internet-based bid opportunities
- Properly submit an invoice, including Wide Area Work Flow
- Handle post-award contract administration
