

POTTERY CLASSES

WHEEL AND HAND BUILDING TECHNIQUES

Beginner to Intermediate class will focus on basic beginner wheel throwing by learning to center the clay and pull a cylinder. From this shape, we will create vases, mugs and bowls. Other processes include trimming and glazing. Slab techniques (hand building) to create bowls, pots and vases will also be taught.

WEDNESDAYS, JANUARY 18 - FEBRUARY 22

6PM TO 8PM

\$95 FOR SIX WEEK COURSE

TAUGHT BY ANNA TAYLOR IN THE DSU CERAMICS STUDIO
