Fall 2009 and Winter Intercession Faculty/Course Evaluations are completed!
All course evaluations from the Fall 2009 semester and winter intercession have been sent to your chair and dean. If for some reason your chair has not received your evaluations, please contact moehrens@deltastate.edu. We want to thank each of you as we fully implement the electronic evaluation system.

National Survey of Student Engagement (NSSE):
All freshman and senior students have been sent an email from Dr. Lotven asking them to complete the NSSE survey. The subject line reads “DSU wants your feedback! Chance for $50 on Oklahoma”. If you teach freshman and senior students, please encourage them to complete this survey. A message from IRP has been sent to the selected students to encourage participation, and flyers have been posted around campus advertising the survey. If you have any questions regarding this survey, please contact the IRP office at ir@deltastate.edu or ext. 4056.

Administrative Evaluations for Deans and Chairs:
In the next few weeks, full-time faculty will be receiving emails from ir@deltastate.edu with a message from Dr. Lotven asking faculty to evaluate their chair and then their dean. Please take a few moments to respond to these two surveys.

Upcoming Surveys:
- Library Student Survey
- Library Faculty Survey
- Alumni Survey
