2025-2026 V4 Verification Worksheet Dependent/Independent

Your 2025-2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at Delta State will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete, sign, and submit all required documents to the financial aid office by the published deadline. The financial aid office may ask for additional information. If you have any questions concerning the verification process, please contact the financial aid office as soon as possible so that your financial aid will not be delayed.
