Have you been admitted to a program of study?

In which unit do you prefer to work?

If you hope to work in a specific office, please note.

I am applying for a GA during (Check as many semesters as apply.)

- Summer II 2017
- Fall 2017
- Spring 2018
- Summer I 2018

Financial aid is provided to full-time graduate students in the form of graduate assistantships. Though these assistantships, graduate students receive financial support while progressing toward a graduate degree. Full-time students (9 semester hours) are employed part-time by a department, while pursuing the degree. **(Students employed full-time elsewhere are not eligible for Graduate Assistantships. A student's GA requirements will have priority over other obligations.)**
