## NEWS FROM GRADUATE STUDIES

### WELCOME

On Tuesday March 22 Graduate Studies held a Social in attempt to give students an opportunity to meet faculty members in their area of interest. We had a number of program coordinators and faculty members present to answer questions along with Dr. Leslie Griffin, Dean of the College of Education, and Dr. Wayne Blansett, Vice President of Student Affairs. The students walked away with information about their programs and a better idea of what they could expect from their programs. The office of Graduate Studies was very pleased with the turnout and we are already looking forward to another event in the future. To see more pictures from the social please visit our Facebook page at <http://www.facebook.com/dsugradstudies>

### OUTREACH

Corbin White, Graduate Assistant and Master of Professional Accountancy student

Graduate Studies has been on the road this semester. Not only have we been at the DSU recruitment fair but we have been expanding our efforts to the Jackson area and even parts of Arkansas. Our recruiters started out the semester with a trip to Mississippi College in Jackson and finished the travels in Arkansas at the end of March. “Traveling to the career fairs is a great way to meet new people and we always bring back great ideas for next year” states Graduate Studies graduate assistant Corbin White, a 2011 Master of Professional Accountancy student. Graduate Studies is already working on recruitment plans for the Fall semester so be on the lookout for updates on our recruiting efforts.
