## April 10th - The Hunting Ground

## April 12th - The Clothesline Project

DISPLAYED ALL DAY • ON THE QUAD

MAKE-A-SHIRT TABLE FROM 10AM-2PM

The Clothesline Project (CLP) is a program started in Cape Cod, MA, in 1990 to address the issue of violence against women. With the support of many, it has since spread world-wide. It is a vehicle for people affected by violence to express their emotions by decorating a shirt. They then hang the shirt on a clothesline to be viewed by others as testimony to the problem of sexual assault.

## April 19th - Take Back the Night Rally and March

6:45 PM-8 PM • THE GREEN MILE • IN FRONT OF THE UNION

"Take Back the Night" is an internationally held march and rally that was initially intended to protest the violence women experienced while walking in public at night. This movement has now grown to encompass all forms of violence against all persons. It is an opportunity to speak out against violence and raise community awareness as a way to reduce the risk against future threats of that violence.
